Mawhinney, 1994 **Joel Whitburn Presents the Billboard Hot 100 Charts** Joel Whitburn, 1991 This book puts the pulse of the pop years 1980 1989 at your fingertips week by week chart by chart position by position with each actual Hot 100 chart reproduced exactly as it originally appeared in the pages of Billboard magazine Hardcover **Los Angeles Magazine**, 1996-04 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian **Alternative Comics** Charles Hatfield, 2009-11-12 In the 1980s a sea change occurred in comics Fueled by Art Spiegelman and Francoise Mouly's avant garde anthology Raw and the launch of the Love Rockets series by Gilbert Jaime and Mario Hernandez the decade saw a deluge of comics that were more autobiographical emotionally realistic and experimental than anything seen before These alternative comics were not the scatological satires of the 1960s underground nor were they brightly colored newspaper strips or superhero comic books In Alternative Comics An Emerging Literature Charles Hatfield establishes the parameters of alternative comics by closely examining long form comics in particular the graphic novel He argues that these are

fundamentally a literary form and offers an extensive critical study of them both as a literary genre and as a cultural phenomenon Combining sharp eyed readings and illustrations from particular texts with a larger understanding of the comics as an art form this book discusses the development of specific genres such as autobiography and history Alternative Comics analyzes such seminal works as Spiegelman s Maus Gilbert Hernandez s Palomar The Heartbreak Soup Stories and Justin Green s Binky Brown Meets the Holy Virgin Mary Hatfield explores how issues outside of cartooning the marketplace production demands work schedules can affect the final work Using Hernandez s Palomar as an example he shows how serialization may determine the way a cartoonist structures a narrative In a close look at Maus Binky Brown and Harvey Pekar s American Splendor Hatfield teases out the complications of creating biography and autobiography in a substantially visual medium and shows how creators approach these issues in radically different ways
