All Love Isn't Good Xania Marie, 2015-11-26 Peyton feels like she s been through enough in her life to be considered an adult even though she s only twelve years old but she s just a kid that has been through a lot for her age After meeting someone that introduced her to something she didn t think was possible she fell in love But when the worse happened and they disappeared she felt alone until her first love came back She soon found herself in the middle of a family feud that went back to the 1400s But what both of her lovers didn t know is that their fighting is what made her stronger than both of them and in the end it was up to Peyton to decide their fate with her I'm Not Finished Loving You Xania Marie, 2019-01-10 Desiree is an intelligent and beautiful young woman but she fell in love with the wrong guy After finding out she was pregnant with his child she found out just how wrong he really was She tried to move on with her life but unbeknownst to her every new acquaintance accident and injury she will encounter is somehow connected to her ex boyfriend who vowed to finish what he started Born to Rule Julia P. Gelardi, 2007-04-01 Julia Gelardi s Born to Rule is an historical tour de force that weaves together the powerful and moving stories of the five royal granddaughters of Queen Victoria These five women were all married to reigning European monarchs during the early part of the 20th century and it was their reaction to the First World War that shaped the fate of a continent and the future of the modern world Here are the stories of Alexandra whose enduring love story controversial faith in Rasputin and tragic end have become the stuff of legend Marie the flamboyant and eccentric queen who battled her way through a life of intrigues and was also the mother of two Balkan queens and of the scandalous Carol II of Romania Victoria Eugenie Spain's very English queen who like Alexandra introduced hemophilia into her husband s family with devastating consequences for her marriage Maud King Edward VII s daughter who was independent Norway's reluctant queen and Sophie Kaiser Wilhelm II's much maligned sister daughter of an Emperor and herself the mother of no less than three kings and a queen who ended her days in bitter exile Born to Rule evokes a world of luxury wealth and power in a bygone era while also recounting the ordeals suffered by a unique group of royal women who at times faced poverty exile and death Praised in their lifetimes for their legendary beauty many of these women were also lauded and reviled for their political influence Using never before published letters memoirs diplomatic documents secondary sources and interviews with descendents of the subjects Julia Gelardi's Born to Rule is an astonishing and memorable work of popular history Filipina I Mila Astorga Garcia, Marra PL.
