Love Songs To God 30 Poems Of Love And Longing:

Love Songs to God Irving Karchmar, 2014-11-20 These love songs are of course Sufi poems and a few odds and ends formed out of that same Source of all joy They follow no formal rhyme or metre except when they do and have only the path of love as a common theme

Āṇṭāl and Her Path of Love Vidya Dehejia, 1990-08-03 This book is a translation and study of the poems of a ninth century woman saint and mystic The Introduction is designed to make the translations accessible to a non specialist audience while the Notes provide insights into the poems and useful explications of allusions and convention with which readers who do not possess a specialized knowledge of Tamil Vaisnava bhakti may be unfamiliar

The Hindu Self and Its Muslim Neighbors Ankur Barua, 2022-04-25 In The Hindu Self and its Muslim Neighbors the author sketches the contours of relations between Hindus and Muslims in Bengal The central argument is that various patterns of amicability and antipathy have been generated towards Muslims over the last six hundred years and these patterns emerge at dynamic intersections between Hindu self understandings and social shifts on contested landscapes The core of the book is a set of translations of the Bengali writings of Rabindranath Tagore 1861 1941 Kazi Nazrul Islam 1899 1976 and Annada Shankar Ray 1904 2002 Their lives were deeply interwoven with some Hindu Muslim synthetic ideas and subjectivities and these involvements are articulated throughout their writings which provide multiple vignettes of contemporary modes of amity and antagonism Barua argues that the characterization of relations between Hindus and Muslims either in terms of an implacable hostility or of an unfragmented peace is historically inaccurate for these relations were modulated by a shifting array of socio economic and socio political parameters It is within these contexts that Rabindranath Nazrul and Annada Shankar are developing their thoughts on Hindus and Muslims through the prisms of religious humanism and universalism

The Secret Within Wolfgang Riehle, 2014-02-07 Spiritual seekers throughout history have sought illumination through solitary contemplation In the Christian tradition medieval England stands out for its remarkable array of hermits recluses and spiritual outsiders from Cuthbert Godric of Fichale and Christina of Markyate to Richard Rolle Julian of Norwich and Margery Kempe In The Secret Within Wolfgang Riehle offers the first comprehensive history of English medieval mysticism in decades one that will appeal to anyone fascinated by mysticism as a phenomenon of religious life In considering the origins and evolution of the English mystical tradition Riehle begins in the twelfth century with the revival of eremitical mysticism and the early growth of the Cistercian Order in the British Isles He then focuses in depth on the great mystics of the fourteenth and fifteenth centuries Richard Rolle the first great English mystic the author of The Cloud of Unknowing Walter Hilton Margery Kempe and Julian of Norwich Riehle carefully grounds his narrative in the broader spiritual landscape of the Middle Ages pointing out both prior influences dating back to Late Antiquity and corresponding developments in mysticism and theology on the Continent He discusses the problem of possible differences between male and female spirituality and the movement of popularizing mysticism in the late Middle Ages Filled with fresh insights The

Secret Within will be welcomed especially by teachers and students of medieval literature as well as by those engaged in historical theological philosophical cultural even anthropological and comparative studies of mysticism The English Works of George Herbert: Cambridge poems George Herbert,1915 Beauty, Truth, Life, and Love J. Brent Bill,2019-11-05 Do you long to live the abundant life that Jesus promised his followers If so then you will want to weave the threads of beauty truth life and love into the tapestry of your life When these essentials are each present in some measure in our relationships ministries vocations and life choices then we are more likely to find ourselves living a good and abundant life with God

God Story Alain Emerson,Adam Cox,2024-07-09 The God Story is a compelling and creative retelling of the biblical story Alain Emerson and Adam Cox two leaders of the 24 7 Prayer movement help you find personal meaning and purpose in light of God s unfailing love and awe inspiring plans for humanity as laid out in Scripture Why is it that every time we hear the phrase once upon a time we are captivated curious to know what these inviting words will give life to It seems something fundamental to our existence is exercised when we are drawn into a story As human beings we are meaning making creatures and yet so often we struggle to make sense of the world and our place in it Each one of our lives is a unique and unrepeatable creation Each one of our stories is precious and worthy of being told shared and experienced Yet none of our stories make sense in isolation disconnected from a wider plot Our stories only truly find meaning when they are linked to the very source of our lives and the unfolding drama into which we were born The God Story is a compelling and creative retelling of the biblical story from 24 7 Prayer which will help you find personal meaning and purpose in light of God s overarching and awe inspiring plans for humanity as laid out in Scripture It is the story we re all waiting to hear It is time to be enchanted afresh by the God Story and in doing so discover beloved identity and be inspired to make a difference in today s world

source of potential evil It wrestles with how sexuality is used not only in the past but also in the present to reinforce notions of honor and how it can be used to manipulate others Deftly it handles a discussion of semen as both profane and the seed of life It looks brazenly at the pornographic and the erotic passages of the Bible and how traditions of interpretation veiled them With the Bible frequently invoked to support arguments in the present age over the moral limits of sexuality and gender having a greater awareness of what the Bible says about sex and how it is and has been interpreted is critical now more than ever What the Bible Says About Sex is suitable for students scholars and the general reader with an interest in sexuality and the Bible and sex and desire in both ancient and modern Christianity *Complete Songs, 1844-1889* Herrman S.

Sacred and Secular Intersections in Music of the Long Nineteenth Century Eftychia Papanikolaou,Markus Rathey,2022-06-21 Sacred and Secular Intersections in Music of the Long Nineteenth Century Church Stage and Concert Hall explores interconnections of the sacred and the secular in music and aesthetic debates of the long nineteenth century The essays in this volume view the category of the sacred not as a monolithic attribute that applies only to music written for and performed in a religious ritual Rather the sacred is viewed as a functional as well as a topical category that enhances the discourse of cross pollination of musical vocabularies between sacred and secular compositions church and concert music Using a variety of methodological approaches the contributors

articulate how sacred and religious identities coalesce reconcile fuse or intersect in works from the long nineteenth century that traverse an array of genres and compositional styles **Spiritual Capital** Dr Bernadette Flanagan, Dr Michael O'Sullivan, 2012-10-28 Spiritual capital is a concept that is being embraced by a range of theorists in response to the great destruction being wrought by the global economic crisis Spiritual Capital seeks to refocus discussion on core social values on individuals value systems and the internal dynamics that impel human beings to live by truth goodness and love Genuine social capital requires the cultivation of spiritual capital While some scholars approach spiritual capital from the perspective of the beneficial social influence of religious belief and practice others approach it more broadly as the value of transcendent or artistic human activities which foster contemplative living stimulate creativity encourage moral behaviour and motivate individuals This book defines refines and disseminates the concept of spiritual capital Contributions by practitioner scholars in applied spirituality who have practical experience of spiritual capital at work in diverse human situations provide accounts of concrete expressions of spiritual capital and create an interdisciplinary discussion between spirituality practitioners artists ecologists sociologists and others on the frontiers of change in contemporary culture **Krishna** Enrico Isacco, 1982

Tears into Wine Eric Chafe, 2015-04-01 In 1714 the 29 year old Johann Sebastian Bach was promoted to the position of concertmaster at the ducal court of Weimar This post required him for the first time in his already established career to produce a regular stream of church cantatas one cantata every four weeks Among the most significant works of this period is Ich hatte viel Bekümmernis in meinem Herzen Cantata 21 Generally known in English as I had much affliction Cantata 21 draws from several psalms and the Book of Revelations and offers a depiction of the spiritual ascent of the soul from intense tribulation to joy and exaltation Although widely performed and loved by musicians Cantata 21 has endured much criticism from scholars and critics who claim that the piece lacks organizational clarity and stylistic coherence In Tears into Wine renowned Bach scholar Eric Chafe challenges the scholarly consensus arguing that Cantata 21 is an exceptionally carefully designed work and that it displays a convergence of musical structure and theological purpose that is paradigmatic of Bach's sacred work as a whole Drawing on a wide range of Lutheran theological writing Chafe shows that Cantata 21 reaches beyond the scope of the individual liturgical occasion to voice a breadth of meaning that encompasses much of the core of Lutheran thought Chafe artfully demonstrates that instead of simply presenting a musical depiction of the soul's journey from sorrow to bliss Cantata 21 expresses the various stages of God's revelation and their impact on the believing soul As a result Chafe reveals that Cantata 21 has a formal design that mirrors Lutheran belief in unfolding revelation with the final movement representing the work's crown the goal toward which all of the earlier movements are directed Complete with full text translations of the cantata and the liturgical readings that would have accompanied it at the first performance Tears into Wine is a monumental book that is ideally suited for Bach scholars and students as well as those generally interested in the relationship between theology and music **The Variorum Edition of the Poetry of John Donne** John Donne, 2021-01-05

MacCulloch,2025-04-15 A groundbreaking history of sexual emotion sexual activity gender relations marriage and the family and how Christianity has interacted with this panorama of human concerns Few matters produce more public interest and public anxiety than sex and religion Much of the political contention and division in societies across the world centres on sexual topics and one third of the global population is Christian in background or outlook The issue goes to the heart of present day religion This book seeks to calm fears and encourage understanding through telling a three thousand year long tale of Christians encountering sex gender and the family The message of Lower than the Angels is simple necessary and timely to pay attention to the complexity and contradictions in the history of Christianity The reader can decide from the story told here whether there is a single Christian theology of sex or many contending voices in a symphony that is not at all complete Oxford s Emeritus Professor of the History of the Church introduces an epic of ordinary and extraordinary Christians trying to make sense of themselves and of humanity s deepest desires fears and hopes
