Ray, 2018-02-27 *Home School and Community Collaboration* uses the culturally responsive family support model as a framework to prepare teachers to work effectively with children from diverse families. Authors Kathy B. Grant and Julie A. Ray skillfully incorporate numerous real-life vignettes and case studies to show readers the practical application of culturally responsive family engagement. The Fourth Edition contains additional content that enhances the already relevant text, including a new section titled *Perspectives on Poverty*, acknowledging the deep levels of poverty in the United States and the impact on family-school relations; increased coverage of Latino/Latina family connections and updated demographics focusing on the issues impacting same-sex families, families experiencing divorce, children and family members with chronic illnesses, military families, and grandparents raising children. With contributions from more than 22 experts in the field, offering a wide range of perspectives, this book will help readers understand, appreciate, and support diverse families. This text is accompanied with FREE online resources. **1001 Best Internet Sites for Educators** Mark Treadwell, 2001-06 This second edition of a resource designed to help teachers find relevant information on the Internet for both themselves and their students provides concise reviews of more than 1,000 Web sites sorted by subject area. Each site is evaluated with one to five stars for content, presentation, and grade level. Easy-to-follow explanations are provided of how each site can be used in the classroom. Also presented are search tips to help teachers find more sites on their own. Besides the rating of Internet sites, the book includes information on hardware and software requirements, safety on the Internet, plug-ins, and helpful information such as criteria for site selection and searching the Web. An element called *Finding Where You Have Been* helps teachers relocate sites they have viewed. Other helpful features are *Searching the Web* and a Glossary of Terms to familiarize teachers and students with the Internet. The introductory material on *Safety on the Internet* provides guidelines for teachers. A generic Acceptable Use Policy is also included that is copyright-free for schools to adapt to their needs. Recommendations for filtering software are offered for Internet use in places where individual monitoring is not possible, such as libraries. Data is provided.
