games incorporating genres such as turn based strategy action adventure survival horror and a variety of different types of role playing games Its chronological and geographical scope ranges from late third century BCE China to mid first century BCE Egypt to Pictish and Viking Europe to Medieval Germany to twentieth century Taiwan and into the contemporary world but it also ventures beyond our universe and into the fantasy realm of Hyrule and the science fiction solar system of the Nebula Music Video and the Politics of Representation Diane Railton, 2011-07-07 How can we engage critically with music video and its role in popular culture What do contemporary music videos have to tell us about patterns of cultural identity today Based around an eclectic series of vivid case studies this fresh and timely examination is an entertaining and enlightening analysis of the forms pleasures and politics that music videos offer In rethinking some classic approaches from film studies and popular music studies and connecting them with new debates about the current state of feminism and feminist theory Railton and Watson show why and how we should be studying music videos in the twenty first century Through its thorough overview of the music video as a visual medium this is an ideal textbook for Media Studies students and all those with an interest in popular music and cultural studies The Ladies' Home Journal ,2008 Murder Simon Cottee, 2022-06-24 Watching Murder shines a light onto the dark world of jihadi murder videos and the people who watch and share them on the internet Images and videos of murder torture and other cruelties are everywhere on the internet Why do some people seek out and watch this material how are they affected by it and do they have a right to watch any of it in the first place In this ground breaking book terrorism scholar Simon Cottee visits the murky fringes of the internet in search of answers Focusing on ISIS he shows how the group transformed the urban myth of the snuff movie into a grim reality watched by tens of thousands of people across the globe On shock sites he finds a contingent of ISIS fans who while hating the group love to watch its most monstrous depredations in high definition He interviews his fellow extremism researchers and asks them about all the dark things they have seen online and how this has affected their mental health He speaks with the cleaners whose job is to report and remove violent jihadi propaganda from the internet And he surveys thousands of young adults to find out what they think of ISIS and its notorious beheading videos Cottee exposes the hysteria around online radicalization and shows how our engagement with violent online spectacles is much more complex and multifaceted than many would have us believe Watching Murder will appeal to anyone with an interest in violence media terrorism and ISIS It will be of particular interest to students and scholars of terrorism studies political science culture and communication Desire and Consent in Representations of Adolescent Sexuality with Adults Maureen Turim, Diane Waldman, 2023-10-02 This book presents an innovative comparative view of how the issue of adolescent sexuality and consent is differently treated in various media Analyzing teenage sexual encounters with adults across a variety of media including films television novels and podcasts the volume takes a positive stance on the expression of teenage sexuality while remaining sensitive to the power of adults to abuse and manipulate The anthology treats these representations as

negotiations between conflicting forces desire sexual self knowledge unequal power and the law the latter both actual legal statutes and internalized law in the philosophical and psychoanalytic sense Questions of unequal power inherent in such relations are theorized. The authors examine variations of this configuration of sexual relations between teenagers and adults from different perspectives to consider how various forms of expression rework it formally These essays are attuned to both nuances of presentation and contexts of reception and they consider how aesthetics play a role Contributing to the general debate about the ways that societies construct and regulate adolescent sexuality this book will be of great interest to scholars and students of media studies cultural studies film studies television studies sociology and gender studies of Intimate Relationships Matthew D. Johnson, 2016-04-07 Great Myths of Intimate Relationships provides a captivating pithy introduction to the subject that challenges and demystifies the many fabrications and stereotypes surrounding relationships attraction sex love internet dating and heartbreak The book thoroughly interrogates the current research on topics such as attraction sex love internet dating and heartbreak Takes an argument driven approach to the study of intimate relationships encouraging critical engagement with the subject Part of The Great Myths series it s written in a style that is compelling and succinct making it ideal for general readers and undergraduates Becoming Sexual R. Danielle Egan, 2013-05-13 The sexualization of girls has captured the attention of the media advocacy groups and politicians in recent years This prolific discourse sets alarm bells ringing sexualization is said to lead to depression promiscuity and compassion deficit disorder and rob young girls of their childhood However measuring such claims against a wide range of data sources reveals a far more complicated picture Becoming Sexual begins with a simple question why does this discourse feel so natural Analyzing potent cultural and historical assumptions and subjecting them to measured investigation R Danielle Egan illuminates the implications of dominant thinking on sexualization The sexualized girl functions as a metaphor for cultural decay and as a common enemy through which adult rage discontent and anxiety regarding class gender sexuality race and the future can be expressed Egan argues that ultimately the popular literature on sexualization is more reflective of adult disquiet than it is about the lives and practices of girls Becoming Sexual will be a welcome intervention into these fraught polemics for anyone interested in engaging with a high profile contemporary debate and will be particularly useful for students of sociology cultural studies childhood studies gender studies and media studies How to Seduce a Woman Tatiana Busan, 2025-03-31 Failure with women is not a result you want but it is an opportunity to learn something to make corrections to the way you attract and seduce women I have met men with high social profiles who have socially important jobs such as lawyers doctors CEOs entrepreneurs yet they are not good at seduction They know how to create a professional connection but they don't know how to create a personal one In the presence of an attractive woman they become shy and blocked When it comes to creating attraction with a girl some men don t get what they really want and don t have an idea of how to create attraction It doesn't matter if you re twenty or fifty or if you re single or taken you need to know these
