Female Orgasm Michael Bush, 2018-04-10 To satisfy a woman on bed especially for those with a small penis might be quite difficult if you don't understand the basics behind making a woman orgasm Before writing this masterpiece I spoke to more than 500 women who have experienced orgasm The statistics are written below 51% said that they anticipated the sex so badly that they climaxed few minutes after the man started thrusting 30% said that the man started out with a fantastic foreplay and hit the right spots when he started thrusting 19% said that they had no idea what the man did but the sex was wonderful The question is where exactly is the right spot If you know about the G spot but have no idea how to hit it right during sex then there is a problem This book will show you exactly how you can make a woman anticipate sex so bad that you would have a field day getting her to climax The right way to go about foreplay thrusting and making her climax even when you have a small penis How to satisfy a woman is simple if you can just read this book Sex positions are not imperative when it comes to pleasing a woman on the bed It is all in a woman s head
