Statement of Disbursements of the House United States. Congress. House, 1996 Covers receipts and expenditures of appropriations and other funds. *Hacking Politics* David Moon, Patrick Ruffini, David Segal, 2013-05-01 *Hacking Politics* is a firsthand account of how a ragtag band of activists and technologists overcame a 90 million lobbying machine to defeat the most serious threat to Internet freedom in memory. The book is a revealing look at how Washington works today and how citizens successfully fought back. Written by the core Internet figures: video gamers, Tea Partiers, tech titans, lefty activists, and ordinary Americans among them who defeated a pair of special interest bills called SOPA (Stop Online Piracy Act) and PIPA (Protect IP Act). *Hacking Politics* provides the first detailed account of the glorious grand chaos that led to the demise of that legislation and helped foster an Internet-based network of amateur activists. Included are more than thirty original contributions from across the political spectrum, featuring writing by Internet freedom activist Aaron Swartz, Lawrence Lessig of Harvard Law School.
