Stalker Betsy Ramsey, 2018-07-08 Prior to information on this subject becoming available Betsy Ramsey was learning to think like a stalker and developing methods of intervention She has worked thousands of cases as a victim advocate and traveled across the US and Canada training law enforcement and other professionals on the subject This guide is based on years of experience and from having been stalked Targets of stalkers need to be educated quickly on the dynamics and the dos and don ts of handling the crime This guide provides information that can assist the target through the process It starts with basics you should keep in mind and covers the dynamics of stalkers and obsession the dynamics and common reactions of targets documentation intervention laws legal action danger assessment and security Cyber electronic stalking is also addressed with information on equipment that may be used to stalk and recommendations for the targets to keep up with the data that is going out on the Internet by the stalker that may be inaccurate and can pose danger Straightforward and easy to read the handbook can be used as a reference and to educate family friends and co workers of the target The sad truth is that stalking cases are often mishandled because those involved do not understand the dynamics of the crime The guide can also be used for prevention particularly by the parents of children Young children are not referred to as stalkers but they can be trained by an adult to be obsessive Children as young as preschool have focused inappropriately on a classmate The child s obsessive parent encourages the behavior and tries to take over the life of the targeted child and his her parents Stalking is a crime that impacts the lives of the targets and those around them This criminal can escalate rapidly and quickly pose a danger This handbook is a step by step guide for those who are being stalked or want to learn about this dangerous crime

Soul Sister Sereena Nightshade, 2014-04-22 Soul Sister is a softer version of The Killing Fields created by popular fan base demand Soul Sister thus contains many of the poems from The Killing Fields as well as some additional never before shared poetry from the time frame of the years this writer was mercilessly stalked and an objectified being caught within the tug of war between the predator The One from Afar the primary adult human co victim the local police force in their ineffectiveness made shockingly worse once a callous clueless seemingly chauvinistic spiteful and sometimes emotionally irrational detective was placed on the case and the many helpless oftentimes cages tame animal victims the predator went after in endless compulsive repetitions through the years spanning from October 1999 to the summer of 2004 This was the world of this writers nightmarish drafted status losing the right to be a mere human with human feelings wants and needs It was also the backdrop for the Black Market style beauty contest and dating winner gets the fantastical prize game put forth by The One From Afar in the middle of The Killing Fields of the stalkers design from 1999 to mid 2003 In mid 2003 The One From Afar married his true deceiver and vanished from the picture blatantly leaving Sereena Nightshade to die That final phase in the full range tug of war indicated clearly that Nightshade was left to whatever fate may occur including one of being further hunted stalked kidnapped and at some point tortured repeatedly raped and murdered since she held no value to the only person who seemed fictitiously to care about her at the time This was the reality of The Killing Fields One stalker
