How to Use Camping Experiences in Religious Education Stephen F. Venable, Donald Marvin Joy, 1998 The subtitle of this book is Transformation Through Christian Camping This is a powerful book which gives all the nuts and bolts of establishing and enhancing a successful Christian camp PLUS presents this material in a way which expresses the joyous experience of a dynamic transformational Christian camp The authors are long time Christian camp leaders Gregorianum, 1999 American Book Publishing Record Cumulative 1998 R R Bowker Publishing, 1999-03 *Forthcoming Books* Rose Army, 1998-04 *The Cumulative Book Index*, 1998 A world list of books in the English language **Comprehensive Dissertation Index, 1861-1972: Philosophy and religion** Xerox University Microfilms, 1973 The Holy Spirit as Space for the Living George C. Evans Jr., 2023-09-08 In The Holy Spirit as Space for the Living George Evans recognizes the significance of the Spirit in pneumatology within the New Testament emphasizing the Spirit's indwelling presence as a person However Evans notes that the functional aspect of the Spirit as the presence of God is often overlooked The Spirit not only gives life ruah but also creates space for individuals to live and thrive This spatial understanding suggests that the Spirit constructs a unique space for born again believers to inhabit leading to self awareness and a transformed lifeworld Evans adopts a spatial hermeneutic drawing inspiration from Jesus's encounter with Nicodemus to explore different spatial productions and their connection to the experience of being reborn within the space of the Spirit Through this approach he develops a concept of Christian spatiality that expands our theological understanding and highlights space as a construct shaped by the Spirit By considering the role of the Spirit in creating and shaping our lived experience Evans unveils a deeper understanding of the transformative power of the Spirit and its impact on our spiritual journey **The Routledge Companion to Christian Ethics** D. Stephen Long, Rebekah L. Miles, 2023-01-01 The Routledge Companion to Christian Ethics brings together two different but related disciplines the first is contemplative or theoretical asking what are the beliefs or doctrines that characterize Christianity whilst the second is practical asking what are the ethical practices that attend its teachings The movement between the theoretical and practical aspects is not however one way as doctrine and life are mutually informing In this comprehensive volume leading scholars address key topics problems and debates in this hotly debated topic within a truly global context Comprising over 35 chapters by a team of international contributors the handbook is divided into three parts based on the three persons of the Trinity God the Father God the Son and God the Holy Spirit Within these sections cutting edge issues are examined including God and genetics War peace and violence White supremacy Creation and sexuality Digital ethics Transgender studies Climate change Immigration and refugees Adopting a practical approach that must consider new concerns that have arisen with recent social political and cultural shifts The Routledge Companion to Christian Ethics is essential reading for students and researchers in Christian ethics religious ethics and Christianity studies The handbook will also be very useful for those in related fields such as ethics and philosophy
