Secrets of the Sexually Satisfied Woman Jennifer Berman, Laura Berman, Alice Burdick Schweiger, 2005-04-13 The nation s leading experts on women s sexual health offer up the secrets to female sexual satisfaction using data culled from their groundbreaking new survey Not since The Hite Report twenty five years ago has female sexuality been so comprehensively addressed and analyzed In Secrets of the Sexually Satisfied Woman Drs Laura and Jennifer Berman topple common misconceptions and reshape conventional wisdom based on their revolutionary and highly anticipated National Women s Sexual Satisfaction Survey Extrapolating from the study results the Bermans address the psychological and medical factors that affect sexuality while providing expert accessible advice on how women can improve their sex lives and enhance sexual pleasure The Bermans are not afraid to take on topics that make most people blush and this book is sure to be an essential resource for women throughout the country **Bad Girls and Dirty Pictures** Alison Assiter, Avedon Carol, 1993 For well over a decade half baked analysis and phony science have been used by some feminists to side track the women s movement into puritanical campaigns against sexual material and imaginative sexual exploration Many feminists would say that this widely publicised version of feminism is itself sexist and that the increasingly vocal anti-pornography campaigns are founded on theoretical dead ends that have allowed feminists to deviate drastically from the basic goals of women s liberation Bad Girls Dirty Pictures puts these anti sex anti porn arguments under the microscope of a more thorough and considered feminist analysis It examines the flaws in the research that purports to prove the harm of pornography and warns against the continuing use of censorship by politicians and the moral right as well as exposing the dangers of anti-porn feminist arguments Contributions from a wide range of women including sex workers and academics remind us that pornography does not have a special place in our oppression and that censorship must still be seen as dangerous enemy of women Bad Girls Dirty Pictures is a much needed antidote to falsehoods shabby thinking and patronising sexism that have fuelled anti pornography campaigns and misled the women s movement Pictures for Use and Pleasure James Cahill, 2010 This is an outstanding piece of work timely essential authoritative and original Cahill throws light on obscure artists emerging styles and regional traditions unexplored aspects of cultural life enigmatic iconographies and questions of authorship and authenticity leaving the reader richly informed and full of new ideas Susan Nelson Indiana University Cahill brings the vast body of vernacular painting into the legitimate venue of art historical criticism giving connoisseurs viewers and readers a more capacious and accurate grasp of the world of Chinese pictorial art Susan Mann author of The Talented Women of the Measuring Up Vickie Rutledge Shields, 2013-03-01 The mute gestures of advertising images are frozen for Zhang Family posterity by photographers and illustrators gestures that for better or worse perpetuate a certain aesthetic and eventually become emblematic of a period The images of today display the values of a society that has more interest in the body than the mind They are technoenhanced labyrinths of unattainable appearances that leave women and men feeling horrified

estranged and restricted by unrealistic silent mandates Measuring Up looks at advertising as more than just a way to extract money from unsuspecting people but as a vehicle for conveying the larger views of a confining body obsessed culture By weaving theoretical and textual insights from feminist and cultural studies with the voices of real women and men Measuring Up offers a unique reception analysis of the effects of repetitious exposure to advertisements of perfect bodies in our everyday lives Shields examines a particular complex relationship between the idealized images of gender we see in advertising and our own thoughts feelings and behavior in relation to these images The study is unique in presenting audience reception in terms of ethnographic data not textual interpretations alone Measuring Up engages with and informs current theoretical debates within these sometimes complementary and sometimes contradictory literatures feminist media studies feminist film theory critical social theory cultural studies and critical ethnography This is an important work that explores the forms and channels of power used in one of the most insidious and overt means of mass influence in popular culture New York Magazine, 1992-08-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book Two Jon Knowles, 2019-06-28 The ghosts that haunt our sexual pleasure were born in the Stone Age Sex and gender taboos were used by tribes to differentiate themselves from one another These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires For the early Christians all sex play was turned into sin instilled with guilt and punished severely With the invention of sin came the construction of women as subordinate beings to men Despite the birth of romance in the late middle ages Renaissance churches held inquisitions to seek out and destroy sex sinners all of whom it saw as heretics The Age of Reason saw the demise of these inquisitions But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime degeneracy and sickness The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Book Two of this two part publication traces the history of sex from the Victorian Era to present day Interspersed with personal hauntings from his own life and the lives of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today This book is a page turner in simple and plain language about how sex got screwed up for millennia For Knowles if we know the history of sex we can get over it His Porn, Her Pain Marty Klein Ph.D., 2016-09-06 Written by an award winning author and veteran sex therapist this practical innovative and often passionate book addresses the explosion

of pornography use advises couples on defusing conflict about it guides parents in helping their kids deal with it advises people concerned about their use of it and shows how honest talk about sex can resolve America's porn panic When you first logged onto the Internet in the 1990s did you ever wonder What do you suppose would happen if the United States were flooded with free high quality pornography We now know the answer says Dr Marty Klein as this is exactly what took place 15 years ago Written by an award winning author and veteran sex therapist this practical innovative and often passionate book addresses the explosion of pornography use advises couples on defusing conflict about it guides parents in helping their kids deal with it advises people concerned about their use of it and shows how honest talk about sex can resolve America's porn panic So what did happen when Internet porn flooded America The rates of sexual assault divorce and child molestation declined And yet various religious groups politicians some feminists anti trafficking activists and many marriage counselors talk unceasingly about the damage porn viewing is doing to our society They have created a PornPanic that has demonized the recreation of some 60 million Americans Americans are always ready for new reasons to feel guilty and ashamed of their sexuality and Internet porn is the newest reason Wives and girlfriends worry that they can t compete with it teens use it as a misguided substitute for sex education often disturbed by intense adults only imagery and psychologically vulnerable people get caught up in hours of compulsive porn surfing every night feeling isolated and inadequate as a result Fortunately for his many readers however using clear reasoning clinical expertise and political savvy Klein shows that for most people porn is not the real problem With the experience gained from 34 years of doing therapy that s 35 000 sessions Klein asks a simple but profound question when we talk about porn what are we really talking about This book eases readers minds as Klein addresses common concerns and debunks common myths while identifying what we should be concerned about Most importantly the author explains how we can heal America's obsession with porn by engaging in honest talk about sex something he knows is neither simple nor easy The text includes sample conversations to help adults talk to each other about pornography and suggestions for parents on how to talk to their kids about porn healthy discussions to help their kids develop Porn Literacy This book offers honest thorough expert information desperately needed by a nation of people driven How to Turn a Woman On Tatiana Busan, 2025-04-26 Want to spend an unforgettable to panic about pornography evening but afraid you won t be able to turn a woman on When a woman is satisfied with sex her attraction to you increases Perfect sex is the recipe for a perfect love story If you want to have a good sex life and maintain it over time you need to know how to awaken sexual desire in a woman Many men don't know what to do when a woman doesn't want to have sex Passion in a woman is like the tides it comes and goes but with a little patience understanding and the right seduction techniques you can turn her on again It s not difficult to satisfy a woman sexually In this book you ll discover how to drive a woman wild in bed If you want to keep a woman interested you need to know how to seduce her in bed and provoke her sexually To keep a woman in love you need to learn seduction techniques to give her sexual pleasure There are many men

who think they know how to turn a woman on but their woman is just pretending There are many couples in the world who suffer from a sexual crisis The good news is that you can change the situation and increase sexual attraction in a couple There are many things you and your girlfriend can do to rekindle the passion Always look for ways to give a girl pleasure and create happy experiences instead of settling for a compromise Do you want a more exciting longer lasting better and more adventurous sex life With these seduction methods you will know how to create sexual attraction and seduce a woman in bed Here s what you ll find in the book How to Be Sexually Competent To Seduce a Woman in Bed How to Create Sexual Attraction in a Woman How to Be the Best in Bed for a Woman How to Understand What a Woman Wants and Desires in Bed How to Arouse a Woman How to Give Sexual Pleasure to A Woman How to Tell When a Woman Is Aroused How to Seduce a Woman in Bed What do Women Want in Bed What Women Like When It Comes to Sex How to Become a Great Seducer in Bed How to Make a Woman Fall in Love Female Sexual Fantasies Here's What a Woman Dreams About What to Do When a Woman Doesn t Want to Have Sex How to Awaken a Woman's Sexual Desire What Causes Sexual Arousal in Women How to Give a Woman a Night She Will Never Forget How to Drive a Woman Crazy with Pleasure PREMATURE EJACULATION How to Last Longer in Bed How to Talk Dirty to a Woman Why do Women Moan and Scream During Sex Why a Woman Might Fake an Orgasm How to Make a Woman Orgasm Why is Orgasm Not Everything for Women Why Some Women Want a Friend with Benefits Instead of a Serious Relationship How to Handle a Sex Only Friendship Why is Being Just Friends with Benefits Often Doomed to Failure How to Introduce Sex During a Date with a Woman These Are the Signs That She Wants to Have Sex with You What to Do When a Woman Comes to Your Home for The First Time Why Sex Causes Emotional Attachment in a Woman How to Behave with a Woman After Having Sex How to Increase Sexual Desire in A Couple Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book One Jon Knowles, 2019-06-28 The ghosts that haunt our sexual pleasure were born in the Stone Age Sex and gender taboos were used by tribes to differentiate themselves from one another These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires For the early Christians all sex play was turned into sin instilled with guilt and punished severely With the invention of sin came the construction of women as subordinate beings to men Despite the birth of romance in the late middle ages Renaissance churches held inquisitions to seek out and destroy sex sinners all of whom it saw as heretics The Age of Reason saw the demise of these inquisitions But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime degeneracy and sickness The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Book One of this two part publication traces the history of sex from the Stone Age to the Enlightenment Interspersed with personal hauntings from his own life and the lives

of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today This book is a page turner in simple and plain language about how sex got screwed up for millennia For Knowles if we know the history of sex we **Encyclopedia of Body Image and Human Appearance**, 2012-04-11 This scholarly work is the most can get over it comprehensive existing resource on human physical appearance how people s outer physical characteristics and their inner perceptions and attitudes about their own appearance body image affect their lives The encyclopedia s 117 full length chapters are composed and edited by the world's experts from a range of disciplines social behavioral and biomedical sciences The extensive topical coverage in this valuable reference work includes 1 Important theories perspectives and concepts for understanding body image and appearance 2 Scientific measurement of body image and physical attributes anthropometry 3 The development and determinants of human appearance and body image over the lifespan 4 How culture and society influences the meanings of human appearance 5 The psychosocial effects of appearance altering disease damage and visible differences 6 Appearance self change and self management 7 The prevention and treatment of body image problems including psychosocial and medical interventions Chapters are written in a manner that is accessible and informative to a wide audience including the educated public college and graduate students and scientists and clinical practitioners Each well organized chapter provides a glossary of definitions of any technical terms and a Further Reading section of recommended sources for continued learning about the topic Available online via ScienceDirect or in a limited release print version The Encyclopedia of Body Image and Human Appearance is a unique reference for a growing area of scientific inquiry It brings together in one source the research from experts in a variety of fields examining this psychological and sociological phenomenon The breadth of topics covered and the current fascination with this subject area ensure this reference will be of interest to researchers and a lay audience alike The Moving Picture World, 1916 Black Girl Autopoetics Ashleigh Greene Wade, 2023-12-11 In Black Girl Autopoetics Ashleigh Greene Wade explores how Black girls create representations of themselves in digital culture with the speed and flexibility enabled by smartphones She analyzes the double bind Black girls face when creating content online on one hand their online activity makes them hypervisible putting them at risk for cyberbullying harassment and other forms of violence on the other hand Black girls are rarely given credit for their digital inventiveness rendering them invisible Wade maps Black girls everyday digital practices showing what their digital content reveals about their everyday experiences and how their digital production contributes to a broader archive of Black life She coins the term Black girl autopoetics to describe how Black girls self making creatively reinvents cultural products spaces and discourse in digital space Using ethnographic research into the digital cultural production of adolescent Black girls throughout the United States Wade draws a complex picture of how Black girls navigate contemporary reality urging us to listen to Black girls experience and learn from their techniques of survival Circumcision. Public Health, Genital Autonomy and Cultural Rights Matthew Johnson, 2017-07-05 Circumcision is one of the oldest and most

common surgical processes being practised for a range of medical social and religious reasons on up to 30% of males worldwide It is currently being promoted by a range of health bodies as a means of tackling HIV in developing countries Yet there is significant concern about sexual physiological and psychological effects and complications and its prophylactic effectiveness In examining a case in which a failed circumcision was performed for religious reasons the Regional Court in Cologne decided that the practice contravened the bodily autonomy of minors and was subject to the same legislation used to classify female genital cutting as assault This understandably aroused serious concerns among various religious communities who practise circumcision At the same time as religious groups seek to protect circumcision from comparisons with female genital cutting there is a trend particularly in post colonial thought in the US to revise negative understandings of female genital cutting by making cautious positive comparisons with circumcision This collection considers the apparent contradictions and complications of the contemporary status and deployment of the many forms of genital cutting raising a serious wide reaching question what scope should society have to impose physically invasive rites on people This book was originally published as a special issue of Global Discourse PC Mag, 2005-03-22 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology **Using Rational-Emotive Therapy Effectively** Michael E. Bernard, 1991-06-30 The initial conceptualization of this book was much more narrow than the final product that has emerged I started out believing that it would be enlightening to have a group of acknowledged rational emotive therapy RET expert practitioners with well established literary credentials write about how they approach the problem of modifying dient irrationality Many RET practitioners of all levels of experience are on the one hand enamored of the economy the precision and the accuracy of psychological insight that RET theory offers but they are on the other hand equally frustrated by their own inability to persuade or otherwise change some of the dients they work with more quickly or even at all Indeed dients themselves frequently express the view that RET is illuminating yet they find themselves at the same time puzzled and perplexed by their inability to make the substantial changes that RET invites It became dearer as I discussed the project with many of the contributors that to practice RET effectively requires more than just innovative and persistent assessment and intervention techniques For example Rus sell Grieger expressed the view that more prerequisite work needs to be done on the value and philosophical systems of dients induding person all responsibility and the philosophy of happiness before many dients can show significant shifts in their thinking Susan Walen raised the gener al issues of how effective RET can be in the treatment of biologically driven affective disorders **Easy Methods on How You Can** Naturally Enlarge Your Penis J.D.
