On the Inconvenience of Other People Lauren Berlant, 2022-07-11 In *On the Inconvenience of Other People* Lauren Berlant continues to explore our affective engagement with the world Berlant focuses on the encounter with and the desire for the bother of other people and objects showing that to be driven toward attachment is to desire to be inconvenienced Drawing on a range of sources including *Last Tango in Paris* Ralph Waldo Emerson Claudia Rankine Christopher Isherwood Bhanu Kapil the Occupy movement and resistance to anti Black state violence Berlant poses inconvenience as an affective relation and considers how we might loosen our attachments in ways that allow us to build new forms of life Collecting strategies for breaking apart a world in need of disturbing the book's experiments in thought and writing cement Berlant's status as one of the most inventive and influential thinkers of our time

My Soul Is a Witness Mari N. Crabtree, 2023-01-10 An intimate look at the afterlife of lynching through the personal stories of Black victims and survivors who lived through and beyond its trauma Mari N Crabtree traces the long afterlife of lynching in the South through the traumatic memories it left in its wake She unearths how African American victims and survivors found ways to live through and beyond the horrors of lynching offering a theory of African American collective trauma and memory rooted in the ironic spirit of the blues sensibility a spirit of misdirection and cunning that blends joy and pain Black southerners often shielded their loved ones from the most painful memories of local lynchings with strategic silences but also told lynching stories about vengeful ghosts or a wrathful God or the deathbed confessions of a lyncher tormented by his past They protested lynching and its legacies through art and activism and they mourned those lost to a mob's fury They infused a blues element into their lynching narratives to confront traumatic memories and keep the blues at bay even if just for a spell Telling their stories troubles the simplistic binary of resistance or submission that has tended to dominate narratives of Black life and reminds us that amid the utter devastation of lynching were glimmers of hope and an affirmation of life

Scratch Manjula Martin, 2017-01-03 A collection of essays from today's most acclaimed authors from Cheryl Strayed to Roxane Gay to Jennifer Weiner Alexander Chee Nick Hornby and Jonathan Franzen on the realities of making a living in the writing world In the literary world the debate around writing and commerce often begs us to take sides either writers should be paid for everything they do or writers should just pay their dues and count themselves lucky to be published You should never quit your day job but your ultimate goal should be to quit your day job It's an endless confusing and often controversial conversation that despite our bare it all culture still remains taboo In *Scratch* Manjula Martin has gathered interviews and essays from established and rising authors to confront the age old question how do creative people make money As contributors including Jonathan Franzen Cheryl Strayed Roxane Gay Nick Hornby Susan Orlean Alexander Chee Daniel Jose Older Jennifer Weiner and Yiyun Li candidly and emotionally discuss money MFA programs teaching fellowships finally

getting published and what success really means to them Scratch honestly addresses the tensions between writing and money work and life literature and commerce The result is an entertaining and inspiring book that helps readers and writers understand what it s really like to make art in a world that runs on money and why it matters Essential reading for aspiring and experienced writers and for anyone interested in the future of literature Scratch is the perfect bookshelf companion to On Writing Never Can Say Goodbye and MFA vs NYC **Once I Was Cool** Megan Stielstra,2021-08-15 Once I Was Cool contrasts past aspirations with the mess and magic of the present In her younger days essayist Megan Stielstra saw Jane s Addiction at the Aragon Ballroom and fantasized about living on the same block right in the thick of music and revelry As an adult she lives in a turreted condo across the street with her husband a child and an onerous mortgage It s just the home her young cool self imagined And it isn t what she expected either With conversational flourishes and on the mark descriptions Stielstra s essays evoke the richness of her everyday life and the memories that are never far away She remembers learning how to shoot a gun a cancer scare and in a piece that was anthologized in The Best American Essays 2013 the time she eavesdropped on another new mother using her son s baby monitor I shouldn t have listened she writes But it was the first time since my son was born that I didn t feel alone Combining footnotes electric sentences and uproariously funny anecdotes have you ever run into an ex while rolling on ecstasy Stielstra shows us that maturity is demanding but its rewards are a gift

Tales of Two Americas John Freeman, 2017-09-05 Thirty six major contemporary writers examine life in a deeply divided America including Anthony Doerr Ann Patchett Roxane Gay Rebecca Solnit Hector Tobar Joyce Carol Oates Edwidge Danticat Richard Russo Eula Bliss Karen Russell and many more America is broken You don't need a fistful of statistics to know this Visit any city and evidence of our shattered social compact will present itself From Appalachia to the Rust Belt and down to rural Texas the gap between the wealthiest and the poorest stretches to unimaginable chasms Whether the cause of this inequality is systemic injustice the entrenchment of racism in our culture the long war on drugs or immigration policies it endangers not only the American Dream but our very lives In Tales of Two Americas some of the literary world's most exciting writers look beyond numbers and wages to convey what it feels like to live in this divided nation Their extraordinarily powerful stories essays and poems demonstrate how boundaries break down when experiences are shared and that in sharing our stories we can help to alleviate a suffering that touches so many people

Democracies in America D. Berton Emerson, Gregory Laski, 2023-01-04 Ask someone their thoughts about democracy and you'll get many different responses Some may presume it a thing once established yet now under threat Others may believe that democracy has always been compromised by the empowered few In the contemporary United States marked by constituencies across the political spectrum believing that their voices have gone unheard democracy gets wielded in so many divergent directions as to be rendered nearly incoherent Democracies in America reminds us that this reality is nothing new Focusing on the various meanings of democracy that circulated in the long nineteenth century the book collects twenty five essays each taking up a keyword in the language we use to talk about democracy Penned by a group of diverse intellectuals the entries tackle terms both commonplace citizenship and representation and paradigm stretching disgust and sham The essays thus consider the relationship between America and democracy from multiple disciplinary angles and from different moments in a major historical period amidst the vitality of the revolutionary epoch in the contentious lead up to the Civil War and through the triumphs and failures of Reconstruction and the early reforms of the Progressive Era while making both forward and backward glances in time The book frames its keywords around a series of enduring democratic dilemmas and questions and provides extensive resources for further study Ultimately the volume cultivates for students and teachers in classrooms as well as citizens in libraries and cafés a language to deliberate about the possibilities and problems of democracy in America

I Don't Like the Blues B. Brian Foster, 2020-10-08 How do you love and not like the same thing at the same time This was the riddle that met Mississippi writer B Brian Foster when he returned

to his home state to learn about Black culture and found himself hearing about the blues One moment Black Mississippians would say they knew and appreciated the blues The next they would say they didn't like it For five years Foster listened and asked How Why not Will it ever change This is the story of the answers to his questions In this illuminating work Foster takes us where not many blues writers and scholars have gone into the homes memories speculative visions and lifeworlds of Black folks in contemporary Mississippi to hear what they have to say about the blues and all that has come about since their forebears first sang them In so doing Foster urges us to think differently about race place and community development and models a different way of hearing the sounds of Black life a method that he calls listening for the backbeat **Stash** Laura

Cathcart Robbins,2024-01-16 Laura recounts her journey towards radical self love in the face of addiction privilege racism and self sabotage **Black Lives Matter in US Schools** Boni Wozolek,2022-07-01 Winner of the 2023 Outstanding Book Award presented by the Division B of the American Educational Research Association Black Lives Matter in US Schools critically examines the relationship between schooling and sociocultural abolitionist movements such as BlackLivesMatter Aligning with a long history of education scholars who have insisted on the enmeshed nature of schools and society the book addresses the role of various forms of curricula that perpetuate anti Blackness while simultaneously shaping Black ways of being knowing and doing While its focus tends toward issues of normalized violence Black Lives Matter in US Schools is equally concerned with possibilities for justice stemming from curricular change and affects like hope and love that are central to radical acts of resistance to oppression Themes range from critical literacies to IQ tests from Afro surrealism to historiography as the book strategically tacks between traditional forms of qualitative and quantitative research and more personal narratives Black Lives Matter in US Schools speaks powerfully against the continued onslaught of inequities in schools and their communities working to create space for forms of learning that are responsible to and for Black lives
