Once again, Sarah Jane will make you laugh and cry as she endeavours to live life to the fullest with a generous helping of positive spin thrown in for good measure. Our Frugal Summer in Charente: An Expat's Kitchen Garden Journal. Meet Sarah Jane, a woman with a reputation for culinary catastrophe who tries to keep her family fed in challenging circumstances in rural France. Frugal living was not part of the plan when they arrived from Australia to undertake the renovation of a quaint cottage in the Charente. However, when life throws them a curve ball, the challenge was set: How would they survive in France with very little money and two Australian cattle dogs? The answer came in the form of 5 chickens, 4 ducks, a vegetable garden and hedgerow foraging. The frugal plan was to save money by any means possible to enable any money they could earn to be invested into continuing the renovation of the cottage. In true Good Life style, Sarah Jane attacks this challenge head on by keeping some small livestock and converting a garden that resembled a meadow into a French potager or kitchen garden. The French tradition of using produce from their potagers is renowned for enabling families to create meals that are healthy, cost-effective and simple. There are 31 recipes for a variety of food and drinks included in a month-by-month account of how they transformed a neglected garden into a frugal yet productive expat kitchen garden. *The New Yorker*, 2008 **Great Give Away** Connor Whiteley, 2023-03-17 A Broken Down Car, A Made Up Tradition, One Woman To Save It.
