Selman, 2025-04-14 Commanding the Supernatural is a transformative and empowering guide that unlocks the mysteries of the supernatural realm Drawing from biblical principles and profound spiritual truths this book reveals how believers can walk in the power of God to perform miracles heal the sick and transform lives The author explores the essential foundation of surrendering to God s will emphasizing that true supernatural authority comes not from personal strength but from total alignment with God s purpose Through engaging and insightful teachings the book highlights the role of the Holy Spirit as the source of all supernatural power It reveals that the Holy Spirit empowers believers to do the works that Jesus did and even greater works as long as they remain connected to God The author encourages readers to cultivate intimacy with God through prayer worship and studying His Word to fully operate in the supernatural The book addresses the importance of perseverance and faith especially during times of testing and doubt The supernatural is not a formula but a journey of spiritual growth requiring patience and unwavering trust in God Through this process readers will learn to overcome fear and step out in faith fully confident in God s ability to bring about miraculous breakthroughs Commanding the Supernatural also challenges believers to understand that supernatural power is not for self glorification but for bringing God s kingdom to earth The miracles and wonders are a tool to demonstrate His love and glory to the world The author emphasizes that the ultimate goal of walking in the supernatural is to make God s name great and advance His kingdom In this book the reader will discover how to operate in spiritual authority and overcome the opposition of the enemy While the enemy may attempt to thwart believers progress the book teaches that through the power of Jesus Christ believers are more than conquerors The key to victory lies in standing firm in faith and recognizing that God has already given the victory over every spiritual attack

The importance of living a holy and pure life is also a central theme. The supernatural realm is one of holiness and the author teaches that purity is essential for operating in God's power. This does not mean perfection but rather a commitment to a life of obedience and surrender to God's will. The book encourages believers to purify their hearts and minds to be effective vessels for God's use. In conclusion, *Commanding the Supernatural* is a call to every believer to step into their divine destiny and walk in the supernatural power that God has made available to them. By understanding the nature of God's power, cultivating intimacy with the Holy Spirit, and remaining faithful in the face of adversity, readers will experience a radical transformation in their spiritual walk. This book will inspire and equip believers to live a life marked by signs, wonders, and the glory of God.

Simple Power Duke Lamastra, 2019-11-08. Many people have misunderstood the simple truth that the power of God is available to every single believer from the moment of their salvation experience. God's power is not reserved for a few. It is for ALL who have come to the saving knowledge of Jesus Christ. *Simple Power: Learning to Draw from the Supernatural Resources of Heaven* was written to address the error that it is difficult, complicated, or even impossible to experience God's presence, hear His voice, and walk in supernatural power. As you discover the truth of who YOU are in Jesus Christ, it becomes normal and natural to expect miracles and breakthrough. In this book, Pastor Duke Lamastra walks the reader through the simplicity of the gospel and the supernatural lifestyle that Jesus showed us how to live. By the time you finish this simple reading, you will have a deeper understanding of your identity in Christ and a greater confidence to experience the power of God working in you and flowing through you. Duke Lamastra is the executive pastor at Legacy Church International, located in Mobile, Alabama, USA. He has spent the past 12 years serving the Lord in full-time ministry in the areas of pastoral leadership, worship leadership, church planting, and missions. He is an author and international speaker with a passion for raising up leaders and releasing them into their assignment and destiny.

It's Supernatural Christopher Roberts, 2017-05-16. The supernatural power of God does not only relate to the healing of the sick but it also relates to a demonstration of His power against anything that would stand against the kingdom of God. Jesus therefore did not just heal the sick when he walked the earth; he demonstrated his power against the demonic oppression that many people suffered under at the hands of unclean spirits. Today, if we want to serve God and if we also want to witness a demonstration of the power of the Holy Spirit as a part of that service, then we cannot keep running away from facing up to spiritual oppression, either in our own lives or in the lives of other people. Too many Christians appear to fear the devil and his demons more than they fear God, something which has always puzzled me. However, if we continue to live under the oppression of the enemy because we have not dealt with temptations in our lives, for example, then there is no wonder why some people still fear the power of the enemy. This book is not specifically about demons; it's about the availability of the supernatural power of God towards those who are prepared to draw closer to the Lord as the days grow darker and as the time of the Second Coming of Jesus Christ is probably not that far away either. In order to walk in the supernatural power of God, we cannot be put off when

we discuss the subject of demonic activity that is increasingly taking place across the earth today something we will talk about from time to time in this book Some Christians will not always be aware that the enemy is behind the difficult circumstances that they may be going through and neither will they understand that the supernatural power of God can deal with some of the challenges they may be facing today Therefore this book will consider precisely what we Christians can do when we come under attack from difficult circumstances and what we can also do when we are energised by the supernatural power of the Holy Spirit in our lives This book will also consider how the judges of Israel the prophets of God Jesus the disciples and the apostles ministered under God's anointing to face their own difficult circumstances including the storms of life that they came up against as well as the fact that they healed the sick and cast out devils too In other words we shall consider and learn about the supernatural power of God in the lives of these Old and New Testament saints as well as the pitfalls they fell into on their journey with God It is therefore my prayer that you will read this book with an open mind and not be afraid to consider the fact that we live not just in a physical world but we live in a spiritual world too Therefore not everything in this world will seem as it appears as you will discover from reading chapter one of this book especially if you are a Christian And if you have been battling to overcome the difficulties and temptations that befall every Christians then this book is just for you I also pray that God will grant you a revelation and open your eyes to all that he has for you as you continue to read this book in Jesus name amen
