How To Write Your Own Ticket With God:

How to Write Your Own Ticket with God Kenneth E. Hagin, 1979 This classic message received by divine inspiration provides four principles for receiving whatever you need from God **The Pentecostal Paradox** G. J. Hocking, 2019-07-11

In 1906 a new religious phenomenon emerged from California Then just over sixty years later a million fold expansion occurred What was the catalyst for this explosion of growth The Pentecostal Paradox explores the history and rise of a new religious movement called the Pentecostals Drawing on eyewitness accounts newspaper articles of the day and other long forgotten sources author G J Hocking weaves together an accurate history of the movement to the present day Filled with fascinating stories the mailing lists of over 50 000 subscribers go missing a preacher hijacked the pulpit causing untold havoc a report of flames shooting fifty feet in the air The Pentecostal Paradox asks Were these events fact fiction or real phenomena In this timely work California the Charismatic Cradle features prominently as the author juxtaposes the rise of Pentecostalism with both the California gold rush and the San Francisco earthquake Eventually a God Rush occurred in 1906 as many rushed to Azusa Street Los Angeles How will this book shed light on this vast group What next for Pentecostalism These questions are answered in a candid and yet concise way in this much needed analysis of the Pentecostal movement

A Layman Looks at the Lord's Prayer W. Phillip Keller, 2017-05-02 A fresh look at a famous prayer There is inherent in this prayer all the strength and compassion of our Father in heaven There moves through it a beauty and a serenity which no mortal man can fully explain It reassures our hearts strengthens our resolve and leads us into personal contact with God our Father In this moving book by an ordinary man and a child of God Phillip Keller takes each phrase of the Lord s Prayer one by one unfolding it in wonderful detail and sharing insights he s gained and experiences he s enjoyed Next to Psalm 23 the Lord s Prayer is perhaps the most universally beloved passage in Scripture It has been repeated millions of times by countless individuals for nearly 20 centuries Yet in spite of so much use and familiarity it has never lost its luster A Layman s Look at the Lord s Prayer presents that luster in a fresh way to help you rediscover its incredible power Winner of the ECPA s Top Shelf Cover Award 2017 [Importing Faith](#) Glyn J. Ackerley, 2016-07-28 Many twenty first century evangelical charismatics in Britain are looking for a faith that works They want to experience the miraculous in terms of healings and Godsent financial provision Many have left the mainstream churches to join independent charismatic churches led by those who are perceived to have special insights and to teach principles that will help believers experience the miraculous But all is not rosy in this promised paradise and when people are not healed or they remain poor they are often told that it is because they did not have enough faith This study discovers the origin of the principles that are taught by some charismatic leaders Glyn Ackerley identifies them as the same ideas that are taught by the positive confession health wealth and prosperity movement originating in the United States The origins of the ideas are traced back to New Thought metaphysics and its background philosophies of subjective idealism and pragmatism These principles were imported into the UK through contact between

British leaders and those influenced by American word of faith teachers Glyn Ackerley explains the persuasiveness of such teachers by examining case studies suggesting their miracles may well have social and psychological explanations rather than divine origins

Word of Faith Steven Lyn Evans, 2019-08-28 I want to highly recommend Dr Steven Lyn Evans book Word of Faith Exposing the Critics Mythology Dr Douglas J Wingate President and Founder of Life Christian University Florida USA Bishop Steven Evans is clearly the person to write this defense of the Word of Faith I wholeheartedly endorse this book Bishop Tom Brown Word of Life Cathedral Texas USA Factual brilliant timely a masterpiece and must have for every believer Next to the Holy Bible don't read any other book this year Revd Melvin Banks International Evangelist England U K The critics of the Word of Faith movement have invented a mythology Within this book their position is shown to be both historically and theologically deficient Often the critics advocate for the heresy of cessationism They have peddled their mythology and divided the church It's time for truth Benefits of this book for you An insightful defense of the Word of Faith movement Exposes the critics mythology Exposes the heresy of cessationism Exposes the limitations of western theology Theological and historical truth about the Word of Faith Answer the critics Walk in the miraculous power of God Positive Bible believing faith inspiring

Poverty, the Bible, and Africa Isaac Boaheng, 2020-08-31 Poverty reduction is a worldwide concern yet if the church is to play an effective role in its alleviation an approach that is both biblical and contextual is required In Poverty the Bible and Africa Isaac Boaheng formulates a theology of poverty that engages Scripture African traditional wisdom and contemporary African concerns to create a paradigm for understanding and alleviating poverty in Africa Boaheng highlights that whatever our cultural context God frowns upon materialism extravagance and love for riches yet the author also demonstrates why a contextual theology must address people's societal and cultural needs alongside spiritual ones If we desire a model for poverty reduction that is both theologically sound and contextually appropriate we must facilitate an encounter between the teachings of Scripture and the socio economic political and religious realities of a particular context Combining in depth cultural analysis with careful exegetical reflection this book offers refreshing insight into the challenge of confronting poverty in Africa Boaheng's approach however is relevant far beyond the continent and is transferable to any context where others are seeking to effectively understand and combat poverty

Health, Wealth & Happiness David Wayne Jones, Russell S. Woodbridge, 2011-10-28 A timely exploration and discussion of the prosperity gospel movement

The New Pentecostal Message? Lewis Brogdon, 2015-06-22 The prosperity movement has influenced millions of people in North America Asia Europe South America and Africa through Pentecostal Charismatic and nondenominational preachers in some of the largest churches in the world CNN ABC and Time magazine have examined the preachers and churches in this popular and controversial movement Scholars and church leaders have studied it for more than two decades producing dozens of books and articles on it Considering the widespread popularity of the prosperity movement and the attention it is given by its critics Brogdon asks Is prosperity preaching the new Pentecostal message In

order to answer this question one has to examine the prosperity movement as a Pentecostal movement instead of a Word of Faith movement that is a revised form of New Thought metaphysics and Science of Mind Brogdon provides an introduction to the prosperity movement as a Pentecostal movement He asks important questions in the study of the prosperity movement such as who popularized prosperity teaching Oral Roberts or Ken Hagin Do all Pentecostals agree with the prosperity doctrine Is prosperity teaching good news to the poor Has prosperity replaced the emphasis on the Holy Spirit The answers may surprise you

How Greed, Covetousness and Personal Gain Dominates Modern-Day

Evangelicalism Rev. Dr. Robert S. Henry, 2022-06-26 In our consumption oriented society everyone's energy is seen to be directed at attainment and profit The implication of this matter is enhanced by the explicit obsession and preoccupation with money matters among church groups It is made even more serious because of the recent rise in the popularity of the doctrine of prosperity among certain evangelical groups The modern day preacher promotes wealth as a signal of spirituality and favor from God Instead they should be considerate about saving souls rather than accumulating wealth and hoarding what they have left over Luke 22:35 KJV Another matter is the audacious attitudes of some church leaders who think they have the authority regarding the interpretation of scriptures that addresses biblical prosperity It is because of obvious errors in present day teaching on giving and prosperity that there is so much uncertainty among those who want to support the work of God in a way that pleases Him Many questions are left unanswered resulting in confusion unhealthy desires to become rich and many misconceptions in the way the world views Christians in general Because of the many abnormalities and uncertainties this book examines the premise upon which the prosperity doctrine is built and the methods used to raise finances Moreover doctrines that are inconsistent with Scripture are identified and repudiated *The Preachers of a Different Gospel* Femi B. Adeleye, 2017-02-07 Name it and claim it Just have faith Give and you will get Catchphrases like this have convinced many Christians that trusting in God will bring health and wealth But the gospel does not promise prosperity without pain or salvation without sanctification Femi Adeleye draws on his wide ranging experience as he examines the appeal and peril of this new gospel of prosperity that has made deep inroads in Africa as well as in the West **If You Need Healing Do These Things** Oral Roberts, 2018-12-01 IF YOU NEED HEALING Oral Roberts is setting a pattern in these times of confusion for a strong dynamic faith in God In the presence of Oral Roberts the confusion disappears faith is restored and we are healed but whether we hear him in his great tent the auditorium or by Radio there are intervals between meetings or broadcasts when he is not available to us personally Brother Roberts has written this book putting into it the very heart of his healing ministry so that those who cannot come into his presence when trouble besets them can read and find deliverance Here for your daily guidance Oral Roberts has WRITTEN A BOOK FOR YOU and proves for you in his own words that faith in God is power As you read you will learn how to use the power of your own faith for healing for comfort for guidance of your daily life and to receive the good things in life that God intends those who believe to have READ THIS BOOK EVERY DAY WHAT THIS BOOK WILL REVEAL TO YOU 1 The power of faith over spiritual mental and physical illnesses 2 How you can use your faith to achieve peace and happiness 3 The 7 rules of faith that bring you what you want 4 How to turn your faith loose 5 How to enter a Healing Line 6 How to overcome fear and frustration 7 How to write your own ticket with God Strategic Church Frank Damazio, 2012-09-14 Today's church world is complex with an array of church and leadership models that can cause confusion rather than bring clarity It's no wonder that some leaders can lose sight of the church they is commissioned to build Strategic Church will help pastors and leaders refocus on visioning and building a faith community

that is biblically based and spiritually transformative helping people become fruitful disciples of Christ Readers will uncover principles from the church Jesus built and find out how to apply these strategies to their local context Strategic Church offers road tested tools and proven principles for building a life changing church in a complex culture

Money Matters R. Paul Stevens, Clive Lim, 2021-01-26 A guide to investing in heaven and being rich toward God Christians often hesitate to talk about money in spiritual contexts but in the gospels Jesus talks more about money than about religious topics like prayer and heaven Money Matters advocates following Jesus's lead in engaging with matters of economy and finance in a faith driven way in both our individual and our corporate lives The authors draw on their contrasting life experiences to offer a well rounded look at money in the twenty first century Paul Stevens who grew up well off in Canada and worked as a carpenter a banker and later a pastor and professor of theology finds a complementary voice in Clive Lim who grew up without money in Singapore and now works there as an entrepreneur and head of a family investment firm With frequent scriptural references Stevens and Lim offer insight into navigating the economic systems of today aiming to help individuals churches and societies become faithful stewards who store up treasures in heaven by investing in the kingdom of God Money Matters is a comprehensive yet accessible guide to integrating one's faith with one's approach to money Just as the Bible variously treats money as a blessing a sacrament and a problem so do Stevens and Lim approach this matter judiciously avoiding the prosperity gospel on one side and the demonization of material wealth on the other Capitalism is treated as what it is a system that has created widespread opportunity and relieved poverty for millions while also exacerbating the gap between the haves and the have nots The authors wisdom is at turns theological historical and practical and always focused on what it means to live with faithful integrity in our contemporary global economy

How to Profit from Our Afflictions Thomas Boston, 1992 Originally written in the 1700s in England by Thomas Boston the Rev Dr Curtis Crenshaw has modernized the English and added modern examples of trials and afflictions There is no one who does not need this book It is very readable and practical and Christians love it making Romans 8:28 come to life **Bad Religion** Ross Douthat, 2012-04-17 As the youngest ever op ed columnist for the New York Times Ross Douthat has emerged as one of the most provocative and influential voices of his generation In *Bad Religion* he offers a masterful and hard hitting account of how American Christianity has gone off the rails and why it threatens to take American society with it Writing for an era dominated by recession gridlock and fears of American decline Douthat exposes the spiritual roots of the nation's political and economic crises He argues that America's problem isn't too much religion as a growing chorus of atheists have argued nor is it an intolerant secularism as many on the Christian right believe Rather it's bad religion the slow motion collapse of traditional faith and the rise of a variety of pseudo Christianities that stroke our egos indulge our follies and encourage our worst impulses These faiths speak from many pulpits conservative and liberal political and pop cultural traditionally religious and fashionably spiritual and many of their preachers claim a Christian warrant But they are increasingly offering distortions of traditional Christianity not the real thing Christianity's place in American life has increasingly been taken over not by atheism Douthat argues but by heresy debased versions of Christian faith that breed hubris greed and self absorption In a story that moves from the 1950s to the age of Obama he brilliantly charts institutional Christianity's decline from a vigorous mainstream and bipartisan faith which acted as a vital center and the moral force behind the civil rights movement through the culture wars of the 1960s and 1970s to the polarizing debates of the present day Ranging from Glenn Beck to Barack Obama Eat Pray Love to Joel Osteen and Oprah Winfrey to *The Da Vinci Code* Douthat explores how the prosperity gospel's mantra of pray and grow rich a cult of self esteem that reduces God to a life coach and the warring political religions of left and right have crippled the country's ability to confront our most pressing

challenges and accelerated American decline His urgent call for a revival of traditional Christianity is sure to generate controversy and it will be vital reading for all those concerned about the imperiled American future
