Planting by Pastoring Nathan Knight,2023-06-21 Recentering the Goal of Pastoral Ministry to Cultivate Christ Treasuring Church Plants As churches rapidly expand Christians risk viewing the church with an entrepreneurial mindset Church planters can be tempted to fixate on gaining numbers and achieving financial stability as their only metrics for success They fail to focus on lifting up Christ s people within the church In Planting by Pastoring author Nathan Knight challenges our view of church planting and centers the goal of pastoral ministry on a basic biblical foundation a church plant is in fact a church and a planter is in fact a pastor A healthy church plant is not measured by size speed or level of self sufficiency but by good pastoring that produces faith fruit and a flourishing community Once pastors and church

leaders redefine their plant as a church their ministry will begin to align with Jesus s mission to shepherd the flock and bring glory to God alone Provides Wisdom This book reminds church planters of the heart of the church and the core purpose of pastors Offers a Unique Perspective Addresses foundational elements of church planting other books fail to address Appeals to Pastors Elders and Church Planters Great for those in the process of planting a church The Craft of Church Planting Christian Selvaratnam,2022-06-30 Drawing on insights from the training practices of the English medieval craft guilds a global survey of 500 church planters interviews with artists and church planting trainers and the authors 30 years of ministry experience The Craft of Church Planting offers a distinctive and imaginative perspective on the methods used to train future practitioners in the art of church planting Demonstrating how training for the next generation of church planting leaders might be informed by the historic master apprentice model guild learning communities creativity and an artisan approach to ministry this book is a vital resource to inform the methods of training for the next generation of church planters *The Renegade Pastor* Nelson Searcy,Jennifer Dykes Henson,2013-09-03 Break out of the trap of average and pursue God s best for your ministry The average church in America is declining by 9% every year is behind on budget and is unable to move forward with the kingdom plans God has in store The average pastor is stressed out and struggling to maintain healthy relationships and life balance But while the cycle of average is strong there is a way to overcome its pull and step into a life of impact and excellence Drawing from Nelson Searcy s decades of ministry experience The Renegade Pastor is a relevant step by step resource for church leaders who are ready to step up in surrender to the pursuit of God s best for his or her life and work Addresses issues of personal and professional growth including Managing Stress Controlling Emotions Dealing with Criticism Setting Godly Goals Planning with Purpose Establishing Healthy Friendships Developing Strong Church Systems Personally Honoring the Sabbath Becoming a Better Spouse and Parent **Activate** Nelson Searcy,Kerrick Thomas,Jennifer Dykes Henson,2018-03-06 Church leaders want to know how to make their small groups work Drawing from the startling success of small groups at The Journey Church Nelson Searcy and Kerrick Thomas debunk the myths set the record straight and show how church leaders can implement a healthy small group ministry that gets the maximum number of people involved and solves many of the important problems facing churches of all sizes These practical strategies will produce life changing results *Attack Evangelism* Greg Koehn,2014-04-01 This book was originally written as a training manual for evangelism but then developed into a study of our salvation The presentation of the gospel is simple so that even a child can understand it and believe it But it is not enough to give a simple presentation in order for us to defend the faith in this postmodern world we need to understand the gospel and its implications for our world Our Christian imperative is to make disciples of the people groups of the world beginning with where we are and then moving out to the uttermost parts of the world Culture will only change when people change and they will change only when that change occurs from the inside out To believe on the Lord Jesus Christ is to be born again a person changed by the Spirit of God from the inside out The

Church is God's ordained institution on earth but the Church spends too much time on the inside the time has come to get off our seat onto our feet and into the street In view of our postmodern world passive evangelism is not the answer it is time to attack
