The United States Catalog ,1928 **The United States Catalog** Ida M. Lynn,1928 The Cumulative Book Index ,1928 A world list of books in the English language Capturing the Pícaro in Words Konstantin Mierau,2018-07-17
Capturing the Pícaro in Words discusses the framing of the transient marginals of early modern Madrid in the literary pícaro. It compares the perceptions of constables, shopkeepers and criminals to those of mass produced literary representations and argues that the literary representations displaced the pícaro assigning the marginals different places in the literary texts in order to centralise the problem of urban vagrancy. The texts spanned the pícaro thus establishing the image of a culturally homogenous group and lastly silenced the pícaro under representing the power marginals in the city derived from their knowledge of the information flows in the city. Hierarchy, Commerce and Fraud in Bourbon Spanish America Ruth Hill,2005 Using *El Lazarillo de ciegos caminantes* the Guide for Blind Rovers by Alonso Carrio de Lavandera the best known work of the era as a jumping off point for a sprawling discussion of 18th century Spanish America Ruth Hill argues for a richer more nuanced understanding of the relationship between Spain and its western colonies. Armed with primary sources including literature, maps, census data, letters and diaries Hill reveals a rich world of intrigue and artifice where identity is surprisingly fluid and always in question. More importantly Hill crafts a complex argument for reassessing our understanding of race and class distinctions at the time with enormous implications for how we view conceptions of race and class today.
