Duties and Blessings of the Priesthood Church of Jesus Christ of Latter-day Saints, 1980 Duties and Blessings of the Priesthood Church of Jesus Christ of Latter-day Saints, 1984 **Duties and Blessings of the Priesthood** Church of Jesus Christ of Latter-day Saints, 1993 **The Priesthood Manual** Reorganized Church of Jesus Christ of Latter Day Saints, 1949 The Priesthood Manual Reorganized Church of Jesus Christ of Latter Day Saints, 1964 **Aaronic Priesthood Manual 2** Church of Jesus Christ of Latter-day Saints, 1993 Duties and Blessings of the Priesthood Church of Jesus Christ of Latter-day Saints, 2000 Priesthood Manual Church of Jesus Christ of Latter-day Saints. Council of the Twelve Disciples, 1933 Aaronic Priesthood Manual 1 Church of Jesus Christ of Latter-day Saints, 1992 *Aaronic Priesthood Manual Three* Church of Jesus Christ of Latter-day Saints, 1995 **Manual for the Melchizedek Priesthood Classes, 1924** Council of the Twelve Apostles (Church of Jesus Christ of Latter-day Saints), 1923 **Aaronic Priesthood**, 1993 **The Routledge Handbook of Mormonism and Gender** Taylor Petrey, Amy Hoyt, 2020-04-30 The Routledge Handbook of Mormonism and Gender is an outstanding reference source to this controversial subject area Since its founding in 1830 the Church of Jesus Christ of Latter day Saints has engaged gender in surprising ways LDS practice of polygamy in the nineteenth century both fueled rhetoric of patriarchal rule as well as gave polygamous wives greater autonomy than their monogamous peers The tensions over women s autonomy continued after polygamy was abandoned and defined much of the twentieth century In the 1970s 1990s and 2010s Mormon feminists came into direct confrontation with the male Mormon hierarchy These public clashes produced some reforms but fell short of accomplishing full equality LGBT Mormons have a similar history These movements are part of the larger story of how Mormonism has managed changing gender norms in a global context Comprising over forty chapters by a team of international contributors the Handbook is divided into four parts Methodological issues Historical approaches Social scientific approaches Theological approaches These sections examine central issues debates and problems including agency feminism sexuality and sexual ethics masculinity queer studies plural marriage homosexuality race scripture gender and the priesthood the family sexual violence and identity The Routledge Handbook of Mormonism and Gender is essential reading for students and researchers in religious studies gender studies and women s studies The Handbook will also be very useful for those in related fields such as cultural studies politics anthropology and sociology The Palgrave Handbook of Global Mormonism R. Gordon Shepherd, A. Gary Shepherd, Ryan T. Cragun, 2020-11-12 This handbook explores contemporary Mormonism within a global context The authors provide a nuanced picture of a historically American religion in the throes of the same kinds of global change that virtually every conservative faith tradition faces today They explain where and how the Church of Jesus Christ of Latter day Saints has penetrated national and cultural boundaries in Latin America Oceania Europe Asia and Africa as well as in North America beyond the borders of Mormon Utah They also address numerous concerns within a multinational multicultural church What does it

mean to be a Latter day Saint in different world regions What is the faith s appeal to converts in these places What are the peculiar problems for members who must manage Mormon identities in conjunction with their different national cultural and ethnic identities How are leaders dealing with such issues as the status of women in a patriarchal church the treatment of LGBTQ members increasing disaffiliation of young people and decreasing growth rates in North and Latin America while sustaining increasing growth in parts of Asia and Africa *Another Jesus, a Different Spirit, a Different Gospel* Steven H. Propp, 2011-12-13 Its the Christmas season the most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel *A Multicultural Christmas* will be pleased to see a brief reappearance of two characters from that book **The Mormon Church and Blacks** Matthew L Harris, Newell G. Bringhurst, 2015-11-15 The year 1978 marked a watershed year in the history of The Church of Jesus Christ of Latter day Saints as it lifted a 126 year ban on ordaining black males for the priesthood This departure from past practice focused new attention on Brigham Young s decision to abandon Joseph Smith s more inclusive original teachings *The Mormon Church and Blacks* presents thirty official or authoritative Church statements on the status of African Americans in the Mormon Church Matthew L Harris and Newell G Bringhurst comment on the individual documents analyzing how they reflected uniquely Mormon characteristics and contextualizing each within the larger scope of the history of race and religion in the United States Their analyses consider how lifting the ban shifted the status of African Americans within Mormonism including the fact that African Americans once denied access to certain temple rituals considered essential for Mormon salvation could finally be considered full fledged Latter day Saints in both this world and the next Throughout Harris and Bringhurst offer an

informed view of behind the scenes Church politicking before and after the ban The result is an essential resource for experts and laymen alike on a much misunderstood aspect of Mormon history and belief **A Manual of the Priesthood, Or, God's Ministry as Revealed in These Last Days, from the Doctrine and Covenants : and Church History** Charles Derry,1900 *Leaving Mormonism* Corey Miller,Lynn K. Wilder,2017-11-28 The growing popular perception today is that the Mormon church as just another denomination within Christianity and representatives of the LDS church often encourage this perspective Despite points of agreement major differences exist on foundational theological matters for example the Trinity as well as social and moral issues such as racial equality As former Mormons turned evangelical Christians each of whom is an accomplished scholar the four contributors to this volume provide a unique and authoritative corrective Each contributor shares his or her story of growing up in the Mormon church and how biblical theological moral or scientific issues forced them to eventually leave Mormonism The contributors draw on the expertise of their respective academic fields to show how Mormon teachings and practice fall short biblically and rationally They also address common objections raised by former Mormons who have lost faith altogether and have embraced atheism or agnosticism especially under the influence of new atheists like Richard Dawkins and Christopher Hitchens **Not by Bare Assertions but by Evidences and Reason** Brad Garn,2012-05-18 Why I Left the Church I was a lifelong active believing member of the The Church of Jesus Christ of Latter day Saints However in the spring of 2010 when I was 46 years old I left the Church In this book I explain why I decided to leave I know it is difficult for some members of the Church to understand why anyone would leave I also know there are many misconceptions about why people leave I hope this book will help my family my friends and members of the Church understand me and others like me The beginning of this book does not contain any of the evidences against the Church I m asking everyone to read at least the first 12 pages I understand the topics discussed in this book are sensitive to many people I greatly appreciate and respect those who are willing to read this book in its entirety Mormonism, Empathy, and Aesthetics Gary Ettari,2022-02-11 This book analyzes the role that the physical body plays in foundational Mormon doctrine and claims that such an analysis reveals a model of empathy that has significant implications for the field of Mormon aesthetics This volume achieves three main goals It elucidates the Mormonism s relationship with the body it illuminates Mormonism s traditional approaches to understanding and appreciating art and it suggests that the body as Mormonism conceives of it allows for the employment of an aesthetic framework rooted in bodily empathy rather than traditional Christian or Mormon moral values per se In support of this argument several chapters of the book apply Mormonism s theology of the body to paintings and poems by contemporary Mormon artists and writers An examination of those works reveals that the seeds of a new Mormon aesthetic are germinating but have yet to significantly shift traditional Mormon thought regarding the role and function of art
