Janice Bland, Christiane Lütge

Learning About Winter With Children's Literature:

Learning about Winter with Children's Literature Margaret A. Bryant, Marjorie Keiper, Anne Petit, 2006 Taking a thematic approach to learning that employs seeing hearing reading and writing these books outline three four week cross curricular units that develop the competencies children need to become fluent independent readers and writers While each unit focuses primarily on language phonic skills structural analysis punctuation capitalization poetry and comprehension they also include math science social studies music art and even mini lessons in French for cross cultural appreciation Understanding that student ability levels in younger grades can vary widely lesson plans are keyed to three types of learners emerging typical and advanced The series includes three titles that cover fall spring and winter and the books can be used independently or together throughout the school year

Learning about Winter with Children's Literature Margaret A. Bryant, Marjorie Keiper, Anne Petit, 2006-06-30 Taking a thematic approach to learning that employs seeing hearing reading and writing these books outline three four week cross curricular units that develop the competencies children need to become fluent independent readers and writers While each unit focuses primarily on language phonic skills structural analysis punctuation capitalization poetry and comprehension they also include math science social studies music art and even mini lessons in French for cross cultural appreciation Understanding that student ability levels in younger grades can vary widely lesson plans are keyed to three types of learners emerging typical and advanced The series includes three titles that cover fall spring and winter and the books can be used independently or together throughout the school year

Learning about Spring with Children's Literature Margaret A. Bryant, Marjorie Keiper, Anne Petit, 2006 Presents three four week cross curricular units on spring that are built around children s literature Thinking and Learning through Children's Literature Miriam G. Martinez, Junko Yokota, Charles Temple, 2017-04-18 Much of teachers attention these days is focused on having students read closely to ferret out the author s intended meaning and the devices used to convey that meaning But we cannot forget to guide students to have moving engagements with literature because they need to make strong personal connections to books of merit if they are to become the next generation of readers literate people with awareness of and concern for the diversity of human beings around them and in different times and places Fortunately guiding both students personal engagement with literature and their close reading to appreciate the author s message and craft are not incompatible goals This book enthusiastically and intelligently addresses both imperatives first surveying what is gained when students are immersed in literature then celebrating and explicating the main features of literature students need to understand to broaden their tastes and deepen their engagement at the same time they meet external standards then presenting a host of active methods for exploring all major genres of children s books and finally presenting suggestions for interdisciplinary teaching units grounded in literature Created by noted leaders in the fields of children s literature and literacy the book is enlivened by recurring features such as suggested reading lists issues for discussion links to technology

and annotations of exemplary books *Ugandan Children's Literature and Its Implications for Cultural and Global Learning in TEFL* Stephanie Schaidt, 2018-01-15 The present study adds to TEFL discourse in several ways First of all it contributes to the widening of the canon as it focuses on Ugandan children's fiction Secondly the research connects to the few empirical studies that exist in the field It provides further implications for cultural and global learning and literary didactics in TEFL derived from insights into the mental processes of a group of Year 9 students in Germany engaging with Ugandan children's fiction within the scope of an extensive reading project **Children's Literature in Second Language Education** Janice Bland, Christiane Lütge, 2013-02-14 Leading international scholars and teacher educators explore the latest research into the effective uses of children's literature in language teaching for children and young adults *Knowing Their Place? Identity and Space in Children's Literature* Terri Doughty, Dawn Thompson, 2011-12-14 Traditionally in the West children were expected to know their place but what does this comprise in a contemporary globalized world Does it mean to continue to accept subordination to those larger and more powerful Does it mean to espouse unthinkingly a notion of national identity Or is it about gaining an awareness of the ways in which identity is derived from a sense of place Where individuals are situated matters as much if not more than it ever has In children's literature the physical places and psychological spaces inhabited by children and young adults are also key elements in the developing identity formation of characters and through engagement of readers too The contributors to this collection map a broad range of historical and present day workings of this process exploring indigeneity and place tracing the intertwining of place and identity in diasporic literature analyzing the relationship of the child to the natural world and studying the role of fantastic spaces in children's construction of the self They address fresh topics and texts ranging from the indigenization of the Gothic by Canadian mixed blood Anishinabe writer Drew Hayden Taylor to the lesser known children's books of George Mackay Brown to eco feminist analysis of contemporary verse novels The essays on more canonical texts such as Peter Pan and the Harry Potter series provide new angles from which to revision them Readers of this collection will gain understanding of the complex interactions of place space and identity in children's literature Essays in this book will appeal to those interested in Children's Literature Aboriginal Studies Environmentalism and literature and Fantasy literature **Considering Children's Literature** Andrea Schwenke Wyle, Teya Rosenberg, 2008-02-21 The study of children's literature is not just about children and the books said to be for them it is also about the societies and cultures from which the literature comes and it is about the assumptions and ideas we hold about children and childhood For adults reading children's literature is ultimately both an act of nostalgia and of self examination When we consider children's literature we must include ourselves in the equation What kinds of readers are we How do we relate to books and stories To what degree should we impose our experience upon others Reading children's literature actively can lead to all kinds of remarkable and sometimes unsettling revelations about ourselves and our society from the Introduction Considering Children's Literature is a collection of previously published essays on a variety of topics

that inform the study of children's literature Exploring issues such as censorship the canon the meanings of fairy tales and the adaptation of children's literature into film the essays in this anthology are as diverse as they are illuminating Along with authors like Natalie Babbitt and Margaret Mahy teachers scholars and publishers of children's books are also contributors Accessible and comprehensive this book will appeal to anyone interested in children's literature

White Supremacy in Children's Literature Donnarae MacCann, 2013-02-01 This penetrating study of the white supremacy myth in books for the young adds an important dimension to American intellectual history The study pinpoints an intersecting adult and child culture it demonstrates that many children's stories had political literary and social contexts that paralleled the way adult books schools churches and government institutions similarly maligned black identity culture and intelligence The book reveals how links between the socialization of children and conservative trends in the 19th century foretold 20th century disregard for social justice in American social policy The author demonstrates that cultural pluralism an ongoing corrective to white supremacist fabrications is informed by the insights and historical assessments offered in this study

Children's Literature and Learner Empowerment Janice Bland, 2013-08-29 Children's literature can be a powerful way to encourage and empower EFL students but is less commonly used in the classroom than adult literature This text provides a comprehensive introduction to children's and young adult literature in EFL teaching It demonstrates the complexity of children's literature and how it can encourage an active community of second language readers with multilayered picturebooks fairy tales graphic novels and radical young adult fiction It examines the opportunities of children's literature in EFL teacher education including the intertextuality of children's literature as a gate opener for canonised adult literature the rich patterning of children's literature supporting Creative Writing the potential of interactive drama projects Close readings of texts at the centre of contemporary literary scholarship yet largely unknown in the EFL world provide an invaluable guide for teacher educators and student teachers including works by David Almond Anthony Browne Philip Pullman and J K Rowling Introducing a range of genres and their significance for EFL teaching this study makes an important new approach accessible for EFL teachers student teachers and teacher educators

Reading, Learning, Teaching Margaret Atwood Paul Lee Thomas, 2007 Literature that confronts our students' assumptions about the world and about text is the lifeblood of English classes in American high schools and colleges Margaret Atwood offers works in a wide variety of genres that fulfill that need This volume introduces readers students and teachers to the life and works of Atwood while also suggesting a variety of ways in which her works can become valuable additions to classroom experiences with literature and writing Furthermore this volume confronts how and why we teach English through Atwood's writing

Problem-posing with Multicultural Children's Literature Elizabeth P. Quintero, 2004 Problem posing with Multicultural Children's Literature documents an ongoing qualitative study of early childhood teachers using a problem posing method with multicultural children's literature Grounded in critical theory the text has been written for use in upper division undergraduate and

graduate level classes that study infants toddlers preschoolers kindergartners and students in grades one and two The book uses examples from both early childhood and elementary teacher education students and practicing teachers work as they study critical literacy multicultural children s literature and integrated early childhood curriculum This structure provides insights into guided research in child development cultural and linguistic contexts learning theory strategies for teaching young children family advocacy and all related aspects of early childhood teacher education as the learners move through the activities

Frontiers in American Children's Literature Dorothy Clark,Linda Salem,2016-02-29 Frontiers in American Children s Literature is a groundbreaking work by both established and emerging scholars in the fields of children s literature criticism history and education It offers 18 essays which explore and critically examine the expanding canon of American children s books against the backdrop of a social history comprised of a deep layering of trauma and struggle redefining what equality and freedom mean The book charts new ground in how children s literature is telling stories of historical trauma the racial violence of American slavery the Mexican Repatriation Act and the oppression and violence against African Americans in light of such murders as in the AME Mother Emanuel Church and the shooting of Michael Brown This new frontier explores how truth telling about racism oppression and genocide communicates with the young about violence and freedom in literature transforming harsh truths into a moral vision Frontiers in American Children s Literature will be an instant classic for fans of children s and adolescent literature American literature cultural studies and students of literature in general as well as teachers and prospective teachers Those interested in art history graphic novels picture book art African American and American Indian literature the digital humanities and new media will also find this volume compelling Authors and artists covered in these essays include Laurie Halse Anderson M T Anderson Paolo Bacigalupi Louise Erdrich Eric Gansworth Edward Gorey Russell Hoban Ellen Hopkins Patricia Polacco Ann Rinaldi Peter S s Lynd Ward and Naomi Wolf among others Essayists examine their subjects most provocative works on the topics of realistic depictions of slavery oppression and trauma and the triumph of truth in storytelling over these experiences From The Astonishing Life of Octavian Nothing to The Birchbark House from the graphic novel to picture books and the digital humanities in teaching and reading there is something for everyone in this collection Contributors include leaders in the fields of literature and education such as the award winning Katherine Capshaw and Anastasia Ulanowicz Margaret Noodin poet and leader in American Indian scholarship and education leads the essays on American Indian children s literature while Steven Herb Director of the Pennsylvania Center for the Book and an affiliate of the Center for the Book in the Library of Congress offers an insider s view of Caldecott Medal awardee Lynn Ward

Another Encyclopedia of Theme Activities for Young Children Stephanie Roselli,Kathy Charner,Brittany Roberts,2012 Provides over three hundred activities for young children both in and out of the classroom organized thematically and includes such themes as building and construction health and nutrition and science and nature

Literature's Children Louise Joy,2019-02-21 Literature s Children offers a

new way of thinking about how literature for children functions didactically It analyzes the nature of the practical critical activity which the child reader carries out emphasizing what the child does to the text rather than what he or she receives from it Through close readings of a range of works for children which have shaped our understanding of what children's literature entails including works by Isaac Watts John Newbery Kate Greenaway E Nesbit Kenneth Grahame J R R Tolkien and Malcolm Saville it demonstrates how the critical child resists the processes of idealization in operation in and through such texts Bringing into dialogue ideas from literary theory and the philosophy of education drawing in particular on the work of the philosopher John Dewey it provides a compelling new account of the complex relations between literary aesthetics and literary didacticism *Global Children's Literature in the College Classroom* Sara Austin,Tanja Nathanael,2023-05-22 *Global Children's Literature in the College Classroom* explores the importance of children's literature as a pedagogical resource in any college course It can be used to introduce a complex topic give students a glimpse into a specific culture or expand the way students think about education and teaching Global children's literature is particularly useful in language classrooms education programs and classes that discuss globalism and colonialism This book includes fifteen essays representing fifteen countries and eight languages divided into four sections The first section of essays Across the University looks at children's literature in non traditional settings including British literature and multicultural studies which considers what children's literature specifically brings to these courses The second section Borders and Crossings examines how children's literature defines or defies political and cultural separations The third section Childhood Studies and Education considers the importance of global children's literature in education classrooms as a way of promoting diversity and inclusion The fourth section Non English Texts and Texts in Translation focuses on the use of children's literature to teach language and folklore traditions in France Russia and Italy The essay that closes this section discusses using children's literature to teach translation skills at the University of Taipei **Winter Is Fun!** Walt K. Moon,2016-08-01 Carefully leveled text and fresh vibrant photos engage young readers in learning about winter and its changes and adaptations Age appropriate critical thinking questions and a photo glossary help build nonfiction learning skills **The Oxford Handbook of Children's Literature** Julia Mickenberg,Lynne Vallone,2012-11-29 Remarkably well researched the essays consider a wide range of texts from the U S Britain and Canada and take a variety of theoretical approaches including formalism and Marxism and those related to psychology postcolonialism reception feminism queer studies and performance studies This collection pushes boundaries of genre notions of childhood Choice Back cover of book [Outdoor Learning through the Seasons](#) Ann Watts,2020-05-14 Outdoor learning and play experiences are an essential part of young children's development The importance of offering children first hand experience of the natural world becomes more urgent as research evidence demonstrates the benefits of becoming physically and emotionally involved with the natural world Outdoor Learning through the Seasons shows how we can encourage young children to engage with nature on a daily basis

throughout the year Using the four seasons as a framework it supports adults to develop their own awareness of the world around them and feel confident about taking children outside every day There are suggestions for caring for gardens and wildlife through the year and ideas to brighten grey winter days enjoy the summer sunshine or explore in the snow Now featuring full colour photographs throughout this new edition has been updated to include references to recent research new material on Forest Schools discussion questions for practitioners and in depth case studies of learning in action Features include Ideas for all seasons weather conditions and working with the four elements earth air water and fire Guidance on fulfilling the learning requirements of EYFS and the Characteristics of Effective Learning Advice on working with parents and the role of adults Practical tips and suggestions of how to make the most of a small space or how to re plan an existing space Useful reference lists of further resources including stories poems and websites This practical book is essential reading for all those looking to provide rich and stimulating outdoor learning and play provision for children in early years settings on a daily basis and for parents and carers wishing to get the most of time outdoors with their children **Children's**

Literature Barbara Stoodt,1996
