## Love And Rockets The Covers:

Love and Rockets Gilbert Hernandez, Jaime Hernandez, 2013-09-21 Five women stand in a police lineup four of them are garishly dressed impressively endowed superwomen perfectly normal because this is after all the cover of a comic book A closer look however reveals a fifth woman who seems thoroughly out of place mousy in bathrobe and curlers smoking a cigarette she appears to have been suddenly yanked from her breakfast table Surely this diminutive dowdy woman is here by mistake or is she From the very first cover of the very first issue of Love and Rockets in 1982 Gilbert and Jaime Hernandez have created artwork that has subverted contradicted and celebrated the history of the comic book medium inverting familiar tropes and creating some of the most iconic images in comics over the past three and a half decades inviting fans and readers into their world Amazingly many of the covers created by Gilbert and Jaime Hernandez for the various iterations of Love and Rockets over the past 35 years have never been collected or have only been reprinted in black and white Love and Rockets The Covers will not only rectify this problem but present them without trade dress logos marketing hype etc allowing the original cover illustrations to communicate on their own *The Love and Rockets Companion* Marc Sobel, Kristy Valenti, Gilbert Hernandez, Jaime Hernandez, 2013-08-03 The Love and Rockets Companion 30 Years and Counting contains three incredibly in depth and candid interviews with creators Gilbert Jaime and Mario Hernandez one conducted by writer Neil Gaiman Coraline one conducted some six years into the comic s run by longtime L and one conducted by the book s author spanning Gilbert s Jaime s and Mario s careers and looking to the future of the ongoing series with a follow up conversation with Groth This book has foldout family trees for both Gilbert s Palomar and Jaime s Locas storylines unpublished art a character glossary which is handy considering that Gilbert alone has created 50 characters highlights from the original series anarchic letters columns timelines and the most wide ranging Hernandez Brothers bibliography ever compiled including album and DVD covers posters and more *Adult Comics* Roger Sabin, 2013-10-11 In a society where a comic equates with knockabout amusement for children the sudden pre eminence of adult comics on everything from political satire to erotic fantasy has predictably attracted an enormous amount of attention Adult comics are part of the cultural landscape in a way that would have been unimaginable a decade ago In this first survey of its kind Roger Sabin traces the history of comics for older readers from the end of the nineteenth century to the present He takes in the pioneering titles pre First World War the underground comix of the 1960s and 1970s fandom in the 1970s and 1980s and the boom of the 1980s and 1990s including graphic novels and Viz Covering comics from the United States Europe and Japan Adult Comics addresses such issues as the graphic novel in context cultural overspill and the role of women By taking a broad sweep Sabin demonstrates that the widely held notion that comics grew up in the late 1980s is a mistaken one largely invented by the media Adult Comics An Introduction is intended primarily for student use but is written with the comic enthusiast very much in mind *Ofelia* Gilbert Hernandez, 2015-01-28 In Ofelia the sisters the kids and the cousins are all

settled comfortably in California after leaving Palomar in Luba and Her Family Luba and her cousin Ofelia's relationship has always been fraught but when Ofelia threatens to write a book about Luba past memories secrets resentments and pain resurface Meanwhile Luba's children genius Socorro recently out and proud Doralis and prickly Maricela show that a talent for trouble may be hereditary Luba's sisters Fritz and Petra swap lovers as usual but are Fritz and family friend Pipo sitting in a tree These vividly drawn characters are charged with Hernandez's trademark complexity they live love age fight and die in this sweeping multi generational saga *The Hernandez Brothers* Enrique García, 2017-07-18 This study offers a critical examination of the work of Gilbert and Jaime Hernandez Mexican American brothers whose graphic novels are highly influential The Hernandez brothers started in the alt comics scene where their Love and Rockets series quickly gained prominence They have since published in more mainstream venues but have maintained an outsider status based on their own background and the content of their work Enrique Garcia argues that the Hernandez brothers have worked to create a new American graphic storytelling that while still in touch with mainstream genres provides a transgressive alternative from an aesthetic gender and ethnic perspective The brothers were able to experiment with and modify these genres by taking advantage of the editorial freedom of independent publishing This freedom also allowed them to explore issues of ethnic and gender identity in transgressive ways Their depictions of latinidad and sexuality push against the edicts of mainstream Anglophone culture but they also defy many Latino perceptions of life politics and self representation The book concludes with an in depth interview with Jaime and Gilbert Hernandez that touches on and goes beyond the themes explored in the book **In the Studio** Todd Hignite, 2007-09-21 Nine critically acclaimed cartoonists and graphic novelists invite us into their studios to discuss their art and inspirations These studio visits with some of today's most popular and innovative comic artists present an unparalleled look at the cutting edge of the comic medium The artists some of whom rarely grant interviews offer insights into the creative process their influences and personal sources of inspiration and the history of comics The interviews amount to private gallery tours with the artists commenting now thoughtfully now passionately on their own work as well as the works of others The book is generously illustrated with full color reproductions of the artists works including some that have been published and others not originally intended for publication such as sketchbooks and personal projects Additional illustrations show behind the scenes working processes of the cartoonists and particular works by others that have influenced or inspired them Through the eyes of these artists we see with a new clarity the achievement of contemporary cartoonists and the extraordinary possibilities of comic art **SPIN**, 1998-09 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today's most innovative sounds Whether covering what's new or what's next SPIN is your monthly VIP pass to all that rocks **Graphic Borders** Frederick
