**True Love Relationship Management** Dr. Nurettin AYDIN,2023-05-16 Every love carries the seed of a happy marriage that lasts a lifetime Happy marriage is a fruit that can't get enough of its taste and love is the flower season of this fruit It is an incomprehensible contradiction most loves die in marriage How heartbreaking are the dried flowers on the branch before they turn into fruit What a sad end is the death of love in marriage Every marriage starts with a ceremony and ends with a ceremony It begins with the red robe of the wedding officer and is sealed with the words until death separates you Some die in front of the red robe of the judge some rise to immortality in front of the white robe of the undertaker Every marriage that starts with love wishes to break the seal of the word until death separates you Death only kills people he can't afford love The mortal bodies of the lovers die but the love does not die it transcends time nailed to eternity What heartbreak for a love to be brought in front of a judge like a criminal to be tried What a cruelty such a death is The death of love is always an unsolved case There are many who are accused but no one takes responsibility They are buried in the graveyard of the Strangers neither the police nor the detective can solve their secret These pages suggest a way for love to turn from flower to fruit It is a way that anyone can understand and anyone can implement This path is one that synthesizes commonalities in the relationships of those who have succeeded There are certainly many other ways this way is not the only way and it is just one The content is organized in four main sections In order for a love affair to turn from a flower to a delicious fruit one must first know the nature of the relationship love Then it is necessary to know the parties of the relationship and then learn to manage the relationship Ultimately everything valuable needs to be protected The fourth chapter is about the security of the

relationship that matters      **The Book of Love** Paolo Mantegazza,1917      **Confessions of Love** Sarah Chemaïsse,2011-07-15 As we humans try to capture every moment which makes our heart sing we let slip away the moments which really matter Being human means regret it means sacrifice These poems portray the inner meaning of the heart they capture the inner darkness which is contained in all of us but also capturing the spirit of life Poetry is an expression It confines the heart to a piece of paper allowing it to be shared with the world I dont know who to trust Everything seems to fall to dust Where do I go when all my doors are closed What does this mean      *For Love of Eli* Loree Lough,2013-02-01 When unspeakable tragedy leaves young Eli an orphan two families are devastated But Taylor Eli s aunt and legal guardian vows to help him remember his parents by creating a Memory Quilt As she begins piecing together the moments of his parents lives the story of the young family emerges and Taylor and Eli begin to heal But Eli s uncle Reece is slow to let go of the past and still blames Taylor s brother for his sister s death So although he has long been attracted to Taylor Reece keeps a safe distance away Can their shared love for Eli pave the way to forgiveness or will Taylor and Reece be separated by pain      *Universal Love* Phoenix,2005-08 Scared of lonely sadness Grief was personal Shared of many intimacy Pleasure was sensual Care of inner cultivation Power is spiritual Aware of global sufferings Love is universal This is not just an ordinary collection of poems this is an extraordinary journey of my life full of up and down experiences where it is laid with my passion to love and compassion for humanity and it all happened in cyber world Inside the tiny computer screen I have been connected to many living souls from all over the world Some I have met some might forever remain mystery to me but each of them has painted different colors on my life chart Because of the diversity it has deeply influenced my spiritual path and life philosophy today Most my emotions and thoughts are expressed in regular or irregular poetic tones according to my heartbeats in free style verses Phoenix author of Universal Love
