Love Finds You In Revenge Ohio

Ohio. Constitutional Convention

Love Finds You In Revenge Ohio:

Love Finds You in Revenge, Ohio Lisa Harris, 2009-06-03 The only thing worse than being a spinster is being a twice jilted spinster At twenty five Catherine Morgan is hardly an old maid But she s given up on marriage and instead manages the family s general store in the small town of Revenge Ohio Bound by a promise to care for her three sisters until they marry she ll do anything to keep them safe But Sheriff Corbin Hunter stands in her way He has evidence that her sister s fiance is really an infamous bank robber and the man who murdered his father Catherine finds herself torn between saving her sister s heart and losing hers to the man who jilted her seven years ago Will Corbin s desire for revenge cause him to lose Catherine a second time Jacket The Writers Directory ,2013 Beyond The Door: Volume 1 Serena B. Miller,A.B. Alvarez,Derek E. Miller,Jesse R. Lyle,2018-10-31 A mystified archeologist an Amish ghost and avenging angels are just a few of the stories found in Beyond the Door Volume 1 a twelve story supernatural anthology When multi published authors get together for a play date and are presented with a writing challenge they can t resist the results are not only surprising they sometimes stretch the limits of their storytelling abilities In the pages of Beyond the Door the demons at play will not be what you expect Where else can you find a robotic barista a vengeful little girl and a murderous goddess who wants to come out and play What else may be lurking Beyond the Door Interview with the Writers Q What possessed four otherwise normal writers to write such dark and horrifying stories A B Alvarez It was the only way I could get them to unlock the basement door so I could get something to eat Seriously Serena B Miller Wait a minute You got out Jesse R Lyle The real answer is A B didn t see the sign that said Push To Open Poor guy would have starved to death pulling on that door if we hadn t opened it for him we had to come up with some sort of story to help save his dignity Derek E Miller I was the last to say Not It when it came to there being a responsible adult watching these hooligans so I was stuck with them all weekend I went to dark places in my mind to escape the reality I was stuck in so figured I might as well put the dark places on paper Q Serena B Miller what was it like writing a dark Amish story A It was freeing actually I love and admire my Amish friends but there is a dark side to the Amish that romance writers are expected to ignore It is inevitable that a culture as strict as theirs can take a toll on the psyche Sometimes that toll presents itself in extreme depression Q Derek E Miller do you always wear a bulletproof vest when you write A True story Grandpa always did the dishes for grandma He would say Proven scientific fact No man has been shot by his wife while doing dishes Well seeing how I m not helping do dishes laundry or mowing the lawn when writing I can t be too careful Q Jesse R Lyle are the tattoos all over your body the inspiration for your story Ancient Runes A Yes and No The inspiration comes from knowing that everyone has a story whether big or small And some of those stories are just like tattoos some are hilarious or regretful some are meaningful or spiritual and yet some are private reminders of a struggle or addiction one is trying to overcome I guess the take away is be willing to listen and pay attention to the people around you Q A B Alvarez what is it with you and having to chop off body parts in your stories A There was no hacking of body parts in the

Kidnapping Anna Trilogy though there was a lot of computer hacking I think I had pent up body hacking impulses that came out in the abandoned farmhouse where we did our writing It is also true that the farmhouse was not abandoned not filled with cobwebs and not dark and foreboding thereby keeping me up every night wondering if I was going to make it out alive Except that it was *Beyond The Door: Volume 2* Serena B. Miller, A.B. Alvarez, Derek E. Miller, Jesse R. Lyle, 2019-03-09

Four authors Twelve stories Another writing session with only the unknown before them In the pages of *Beyond the Door Volume 2* can be found stories about a dangerous beauty seeking revenge the power of words an alien invasion espionage during the Civil War fraternity hazing with a dangerous edge election tampering from the future The authors from *Beyond the Door Volume 1* have come together again to mine their imagination for more visions of time lines only they could discover Clones child detectives first ladies and missing pregnancies mask a reality only they could survive to tell the world If an open door is an invitation then consider this a taste of what you ll find inside They are halfway through the deck Q What was it like to write these stories without the others in the room with you A B Alvarez Who says I wasn t in the room with the others Just because they couldn t see me I mean I wasn t in the room with them At all Not under the bed or in the closet which BTW needs a good cleaning I was home sipping a fine Merlot while watching the ships travel down the Hudson While I wrote about pits covered in sharp pointy pieces of glass That takes a lot of concentration and focus And a good Merlot Serena B Miller After editing your stories Alvarez I think a little less Merlot might be in order And please stay out of my closets That last restraining order is still valid Jesse R Lyle Bittersweet Since I didn t have to listen to the droning thunderous striking of keyboard keys from overzealous caffeine driven digits I could actually think straight but I didn t get to trade attempted witty remarks with my fellow companions Derek E Miller It was a dream I was home enjoying a fine Craft Artisan Amish made Root Beer listening to the neighbor s dog bark way too much But all that commotion was still better than listening to A B Alvarez constantly make laser sounds as he would write his futuristic sci fi stuff You definitely need a good Root Beer to write Q Derek E Miller during your tour of duty in the military what was it like interacting with the aliens from Area 51 A Turns out I was well prepared Dealing with New Yorkers like A B Alvarez more than prepared me for interaction with an alien species One of them even gave me two t shirts They have printed on them I Love Zork and The Big Abbsou Q Jesse R Lyle based on your fictitious medical degree from Johns Hopkins did the details about genetics in your story help you make better breeding decisions about the multi legged organisms you have running around your home A Oh without a doubt my fictitious medical degree helped more than a legitimate medical degree And yes she might be a genetically created multi legged organism but she s my little multi legged organism MuHahahaha Q Serena B Miller after reading *Sunny* I can see you owning multiple guns and not being afraid to use them Have you ever sneaked into a foreign country with the express intent of overthrowing its government A That depends Has California attained foreign country status yet Q A B Alvarez the last time you went time traveling did you find your doppelganger A Is that question for me I ve never gone time traveling If I did would I be here

Multiple time streams don't make any sense That doesn't mean I haven't been visited by others who purport to be from a different time stream Meet my doppelganger Don't be silly What would I do if I met myself Kill him and take his place Of course not He might try to kill me and take my place By the way why did you call me A B Alvarez *The Ohio River Trilogy: Betty Zane, The Spirit of the Border & The Last Trail* Zane Grey, 2017-07-06 Betty Zane is a historical novel about Elizabeth Betty Zane McLaughlin Clark 1765 1823 a heroine of the Revolutionary War on the American frontier The author Zane Grey is her great grandnephew Spirit of the Border is a historical novel based on events occurring in the Ohio River Valley in the late eighteenth century It features the exploits of Lewis Wetzel a historical personage who had dedicated his life to the destruction of Native Americans and to the protection of nascent white settlements in that region The story deals with the attempt by Moravian Church missionaries to Christianize Indians and how two brothers' lives take different paths upon their arrival on the border A highly romanticized account the novel is the second in a trilogy the first of which is Betty Zane Grey's first published work and The Last Trail which focuses on the life of Jonathan Zane Grey's ancestor Zane Grey 1872 1939 was an American author best known for his popular adventure novels and stories that were a basis for the Western genre in literature and the arts With his veracity and emotional intensity he connected with millions of readers worldwide during peacetime and war and inspired many Western writers who followed him Grey was a major force in shaping the myths of the Old West his books and stories were adapted into other media such as film and TV productions He was the author of more than 90 books some published posthumously and or based on serials originally published in magazines **The Ohio River Trilogy + The Purple Sage Saga + The Lone Star Ranger + The Border Legion** Zane Grey, 2024-01-01 Zane Grey's anthology encompassing The Ohio River Trilogy The Purple Sage Saga The Lone Star Ranger and The Border Legion transports readers to the heart of the American frontier where the tumultuous spirit of the West is vividly brought to life Through his signature blend of adventure romance and moral struggle Grey captures the essence of life along the Ohio River the scenic landscapes of the West and the compelling narratives of honor and justice His lyrical prose characterized by rich descriptions and engaging dialogue elevates these tales beyond mere pulp fiction offering a literary canvas that reflects the complexities of human nature against the backdrop of the untamed wilderness Zane Grey a prolific author and cultural icon of the early 20th century drew from his own experiences as a fisherman and outdoorsman to craft stories that resonate with authenticity His deep seated love for the American landscape and its rugged characters influenced his portrayal of the frontier spirit while his background in medicine and professional baseball imbued his prose with detail and excitement that captivates readers Grey's work is firmly set within the context of American romanticism making him a vital figure in the genre of Western literature For readers seeking an immersive journey into the lore of the American West this anthology is essential Grey's compelling narratives not only entertain but also offer poignant insights into the human condition making these works a timeless exploration of bravery loyalty and the indomitable spirit of adventure Whether you are a seasoned fan

of Westerns or new to the genre Grey's masterful storytelling invites you to experience the expansive landscapes and moral dilemmas that define his legacy
