**Love Is an Orientation** Andrew Marin, 2009-03-25 When three of Andrew Marin's friends came out to him in the span of three months he was confronted head on with the question of how to reconcile his friends with his faith Love Is an Orientation is the result of years of wrestling with this issue In the book Marin speaks out with compassion and conviction elevating the conversation between Christianity and the GLBT community so that the focus is moved from genetics to gospel where it really belongs **Love is an Orientation** ,2009 *Love Is an Orientation* Andrew Marin, 2009-09-25 When three

of Andrew Marin's friends came out to him in the span of three months he was confronted head on with the question of how to reconcile his friends with his faith Love Is an Orientation is the result of years of wrestling with this issue In the book Marin speaks out with compassion and conviction elevating the conversation between Christianity and the GLBT community so that the focus is moved from genetics to gospel where it really belongs **Choosing Love** Dawne Moon, Theresa W. Tobin, 2025-06-02 What does the battle between conservative Christians and LGBTQ people look like from the vantage point

of those who are both If a culture war is happening LGBTQ conservative Christians are on the front lines While many people assume LGBTQ people have to say goodbye to the religions they grew up with and many do others occupy the intersection of LGBTQ existence and conservative Protestantism Choosing Love shows what happens when two identities that seem diametrically opposed conservative Christian and LGBTQ are joined together within one person Drawing on participant observation conducted within organizations for LGBTQ Christians and on more than 100 interviews with LGBTQ Christians former Christians and allies especially Black people Indigenous people and other people of color Dawne Moon and Theresa W Tobin show how a number of LGBTQ Christians and their heterosexual cisgender allies are working to make their families churches and communities more inclusive loving and just In telling their stories Choosing Love shares lessons about what it means to be human relational beings who need mutual connection to thrive These stories expose the brutality of treating shame as a special sacrament for LGBTQ people and the toxicity of treating a particular construction of gender as sacred They teach us the difference between arrogance and relational pride and that humility is the core of true allyship Finally they offer contemporary examples of the radical potential of love in movements for social justice Written in an approachable style and drawing from such diverse sources as Martin Buber Martin Luther King Black Third World feminism and queer thinkers of color Choosing Love is for anyone interested in the centrality of relationships in human life the place of love in the struggle for justice and the need for justice in any effort to love **What Wondrous Love** David H. Thiele, 2014 What Wondrous

Love delves into the controversial topic of unconditional love examining the history of the concept its infiltration into the theology of the church and its dangerous effects Although some may feel that author David Thiele downplays God's love in reality he points readers to a truer understanding of God's love and His nature as revealed in Scripture and expounded upon in the Spirit of Prophecy reminding all that Jesus came to this world to fulfill every condition of the righteous law of love In so

doing we are granted the opportunity to overcome sin as Christ did and be reunited with our heavenly Father when Christ returns What Wondrous Love indeed Page 4 of cover

**Slow Church** C. Christopher Smith,John Pattison,2014-05-06 In today s fast food world Christianity can seem outdated or archaic The temptation becomes to pick up the pace and play the game But Chris Smith and John Pattison invites us to leave franchise faith behind and enter the kingdom of God where people know each other well and love one another as Christ loves the church

*Scattering Ashes* Joyce Smith Helyer,2016-06-08 Scattering Ashes is a resource for Christian families confronting the reality of their loved one s gay lifestyle Joyce Smith Helyer takes the reader on a journey that changed her life when her brother began their midnight Christmas Eve conversation with these words Joyce I have something to tell you As I waited expectantly for what he was going to say next he paused but then shifted the conversation He tried again but the same thing happened I felt like he was trying to land an airplane in trouble and kept circling the airport looking for the best approach His attempted landings kept falling short of the runway A vague sense of uneasiness began to fill my mind Little did I realize that my nice typical Christian experience would be undergoing a

significant change Fear I could barely articulate almost overwhelmed me Finally I looked at my handsome 26 year old brother and knew the words he was having so much difficulty saying Ron are you trying to tell me you re gay His quiet response echoed across the living room I thought you had it figured out

Foundations for Youth Ministry Dean Borgman, 2013-10-01 Dean Borgman a nationally known youth ministry expert offers a new edition of his influential classic Reaching a broadly ecumenical audience this book challenges readers to think about the theological nature of youth ministry Questions for discussion and reflection are included This thoroughly updated edition was previously published as When Kumbaya Is Not Enough Praise for the first edition Writing with the lens of a theologian the heart of a pastor and welcome doctrinal breadth Borgman has provided a field book of pastoral theologies that takes seriously the social systems shaping the lives of adolescents This book is a significant step toward the long awaited conversation about theology and youth ministry in postmodern culture Kenda Creasy Dean Princeton Theological Seminary author of Almost Christian In this excellent work Borgman brings theological integrity depth and years of wisdom like nothing else I have seen in our field Jim Burns author of Teenology The Art of Raising Great Teenagers

Critical Conversations Tom Gilson, 2016-02-27 Christian parents need to be prepared to answer the myriad challenges teens might hear in today s increasingly pro homosexual culture Why shouldn t gays get married Who says gay sex is wrong Does the Bible actually say there s anything wrong with homosexuality Don t you care that kids are being bullied just for being themselves To start the discussion Gilson provides a brief history of the issues beginning with the sexual revolution of the 1960s He explains how and why cultural attitudes have reversed on this subject in

such a short timespan leaving Christians scrambling for answers This is perhaps the most complicated and contentious issue Christians face in today's culture Most churches are poorly equipped to handle it parents are even less prepared The good news is that parents need not have pat answers ready before they dive into conversations with their teens and preteens on this difficult topic Learning together parents struggling through these issues alongside their kids and leading them to biblical answers has relational benefits Answers are important though so manageable nontechnical answers to common questions surrounding this issue are provided as well as a guide to further resources

**How Should We Think About Homosexuality?** Mark A. Yarhouse, 2022-02-02 Gain an informed perspective on Christianity and homosexuality There are many misconceptions about Christianity and homosexuality Christians are often perceived as being simply reactionary or behind the times We can sometimes speak where we do not understand We can do better Do you have an informed and biblical view on homosexuality In *How Should We Think About Homosexuality* Mark A Yarhouse brings his expertise to bear on this question If we are to speak with clarity and conviction we must first be informed Christianity has long held a sexual ethic regarding creation family and sexuality and Christians must know how to relate to other views of sexuality Yarhouse considers how to think about recent scientific findings and sexual identity language before suggesting avenues of fruitful discipleship for same sex attracted Christians The Questions for Restless Minds series applies God's word to today's issues Each short book faces tough questions honestly and clearly so you can think wisely act with conviction and become more like Christ

*Oriented to Faith* Tim Otto, 2014-07-07 Rather than embracing the conflict around gay relationships as an opportunity for the church to talk honestly about human sexuality Christians continue to hurt one another with the same tired arguments that divide us along predictable political battle lines If the world is to know that we are Christians by our love the church needs to discover better ways to live out the deep unity we share in Christ as we engage with politics and our world In *Oriented to Faith* Tim Otto tells the story of his struggle with being gay and what that taught him about the gospel With an authentic and compelling personal voice Tim invites us to explore how God is at work in the world even amidst the most difficult circumstances redeeming and transforming the church through this difficult debate With gentle wisdom and compassionate insight Tim invites all followers of Jesus to consider how we might work with God through these tensions so that all can be transformed by God's good news in and through Christ

**The Scandal of Evangelicals and Homosexuality** Mark Vasey-Saunders, 2016-03-09 English evangelicals give the appearance of being a community at war with each other and with the world around them The issue of homosexuality is one of the key battlegrounds How has this issue become so significant to evangelicals Why is it provoking such violent responses How is it changing evangelicals and what might this mean for the future This book examines the history of evangelical responses to the issue of homosexuality setting them in a wider historical and cultural context and drawing on the work of Rene Girard to argue that the issue of homosexuality has come to symbolise deeply held convictions within evangelicalism The conflict over the issue that is now

becoming apparent within evangelicalism reveals deep divisions within the evangelical community that will have great significance for the future *The Scandal of Evangelicals and Homosexuality* offers an alternative perspective seeking not to present an answer to the ethical question but rather to examine the way the debate has become scandalised and consider the cost It offers a window into contemporary English evangelicalism and provides an important contribution to international and ecumenical debate

*Changing Our Mind* David P. Gushee, 2017-05-31 Every generation has its hot button issue writes David P Gushee For us it s the LGBT issue In *Changing Our Mind* Gushee takes the reader along his personal and theological journey as he changes his mind about gay lesbian bisexual and transgender inclusion in the Church With 19 books to his name Gushee is no stranger to the public arena He is the author of the Evangelical Declaration Against Torture and drafted the Evangelical Climate Initiative For decades now David Gushee has earned the reputation as America s leading evangelical ethicist In this book he admits that he has been wrong on the LGBT issue writes Brian D McLaren author and theologian In the definitive third edition of this book David Gushee issues a scholarly response to his critics Brian D McLaren says it best Not only is David Gushee s work deep thoughtful and brilliant and not only is David philosophically and theologically careful and astute he is also refreshingly clear and understandable by common people who know neither philosophical nor theological mumbo jumbo

**Four (and a half) Dialogues on Homosexuality and the Bible** Donald J. Zeyl, 2022-02-07 *Four and a half Dialogues on Homosexuality and the Bible* explores four different interpretive approaches to biblical texts regarding homosexuality and same sex marriage Differences of interpretation are discussed openly honestly and charitably The dialogues four characters maintain friendship with each other despite their disagreements and so the book serves as a model of how difficult potentially divisive conversations on a controversial topic might be conducted Three of the four perspectives presented for examination are well represented in the existing literature the fourth is not as familiar and is offered and developed as a proposal for bridging the divide that persists among theologically conservative Christians who honor the authority of Scripture over their thinking and their living Ongoing conflict over this issue is destructive of the unity toward which the Bible summons all believers to strive and so the book includes also a call to create space for one another both individually and institutionally for differences in theological conclusions and in community practices Each of the dialogues begins with one of the characters telling their personal story regarding their sexuality continues with that character s case for their view and concludes with a series of suggested discussion questions

*Same-Sex Attraction and the Church* Ed Shaw, 2015-11-09 When Christians have same sex attraction how should the church respond Pastor Ed Shaw experiences same sex attraction yet he is committed to Scripture and the church s traditional position on sexuality In this honest book he shares his own experiences and shows us that obedience to Jesus is ultimately the only way to experience life to the full

*Prostitutes and Polygamists* David T. Lamb, 2015-09-01 Jacob and Solomon were polygamists Tamar and Rahab were prostitutes What are polygamists and prostitutes doing on the pages of Holy Scripture And God told the prophet Hosea

to marry a prostitute What about Cain did he really marry his sister Abraham did and he was also a polygamist Lot offered his daughters up for rape David committed adultery or rape and the Bible calls both men righteous Love Old Testament style was bizarre As readers of the Old Testament encounter these weird confusing and horrific love stories they ask What s up with sex in the Old Testament The church often ignores the R rated bits of the Bible so it s hard for people to find answers to their disturbing questions about sex in Scripture which can lead people to give up on God and God s word However these stories were included in the Bible for a reason to reveal an even more shocking love story When humans behave badly God behaves graciously God not only forgives people with sexual baggage but also redeems their lives and includes them in his mission God s word records their story to benefit us Just as sex was not often ideal in the Old Testament it s often not ideal today Instead of ignoring these stories Prostitutes and Polygamists engages discusses and learns from them
