SUMMARY and CONCISE ANALYSIS of Love Sense: The Revolutionary New Science Of Romantic Relationships By Sue Johnson AscentPrint,2020-11-22 Love Sense book is an exploration of the science of love These pages suggest that humans instinctively desire to connect with each other and that relationship problems as envisioned by love sense by dr sue Johnson arise when lovers no longer feel secure They also offer practical strategies for how to develop your love sense lush 2 that is your ability to create fulfilling and long lasting bonds with your loved ones **Love, Explained** Scott Marshall,2017-10-15 Love has been called the only mysterious human relation Love Explained promises to eliminate that mystery with a comprehensive and revolutionary theory of love informed by what we now know about its biological foundations The result of this new understanding is practical strategies to master the art of being a more loving person All types of love are covered not just romantic but also between parent and child and between siblings The thread common to all of them is revealed The basic questions we have about love are addressed such as what love is why we love why love fails how to create new love how to preserve the love we have and how to restore lost love What is the connection between love and health Why are feelings of love so intense Why does supposedly eternal unconditional love sometimes turn into intense hate in the blink of an eye How can we avoid repeating the mistakes of our parents relationships or of our previous unsuccessful relationships At every step Love Explained turns science based theory into practice From what love is we advance to how love works and end up with ways we can be better at any kind of loving relationship It s all based on what the latest hard science reveals We don t need love to be a mystery The yield of banishing the mystery is to gain knowledge and the yield of knowledge is to make progress in mastering the art of loving others and inspiring others to love us The book concludes with an assessment of our epidemic of loneliness and a prescription for how we can all contribute to making this world a more loving place **Why We Love** Helen Fisher,2005-01-02 A groundbreaking exploration of our most complex and mysterious emotion Elation mood swings sleeplessness and obsession these are the tell tale signs of someone in the throes of romantic passion In this revealing new book renowned anthropologist Helen Fisher explains why this experience which cuts across time geography and gender is a force as powerful as the need for food or sleep Why We Love begins by presenting the results of a scientific study in which Fisher scanned the brains of people who had just fallen madly in love She proves at last what researchers had only suspected when you fall in love primordial areas of the brain light up with increased blood flow creating romantic passion Fisher uses this new research to show exactly what you experience when you fall in love why you choose one person rather than another

and how romantic love affects your sex drive and your feelings of attachment to a partner She argues that all animals feel romantic attraction that love at first sight comes out of nature and that human romance evolved for crucial reasons of survival Lastly she offers concrete suggestions on how to control this ancient passion and she optimistically explores the future of romantic love in our chaotic modern world Provocative enlightening and persuasive Why We Love offers radical new answers to the age old question of what love is and thus provides invaluable new insights into keeping love alive The Art of Love Bud Harris,Massimilla Harris,2010-05 Are you seeking to renew a relationship considering a new relationship troubled with establishing a long term relationship divorced and trying to understand why your marriage failed experiencing problems in love romance sex intimacy or marriage a therapist or counselor who would like to provide an accessible resource for your clients Millions of books on relationships have been printed over the years Why do we need another We need The Art of Love The Craft of Relationship for the same reasons that over four and a half million readers wanted Spencer Johnson s Who Moved My Cheese Following Johnson s methods of teaching to a broad modern audience The Art of Love The Craft of Relationship presents the profound principles that form a loving relationship in an easily accessible manner Using a very simple approach it will help people shift their attitudes and provide them with the skills to create loving long lasting partnerships There are so many titles in print on change because it is an ongoing challenge for most of us So are relationships With more than six decades of experience working with couples we knew we had vital information lessons and insights to share but we insisted that the book be short engaging and easy to read A helpful book does not have to be dense to be packed with wisdom skills and ideas that can open the door to a new era of fulfilling relationships We have brought complex material and common sense into a format that is carefully constructed to achieve results by being communicative and consistent enjoyable and hopeful Unlike the textbook appearance of most self help books that include psychological jargon case examples and exercises The Art of Love The Craft of Relationship uses stories and dialogue to teach profound insights and valuable skills It sticks to people talking in a way the reader can identify with and understand It brings hope because the reader who is experiencing stress in a relationship can see that other people like them are too And that learning a few basic skills can bring lasting change and renew love The best news is that our book will be useful to many people because it will give them a new way to look at their relationship and the skills to handle problem after problem in a way that builds love and trust Our mission is to appeal strongly to those who are considering a relationship seeking to renew one or are looking for a way to understand a partner and a process for dealing with problems in love romance sex intimacy and living together **Temporal Love** Mira Moshe,2016 **The Science of Romantic Relationships** Theresa DiDonato,Brett Jakubiak,2023-08-31 Following the lifecycle of romantic relationships this textbook offers a fresh diversity infused introduction to relationship science **Romantic Love** Susan S. Hendrick,Clyde Hendrick,1992-06-10 Is love a uniquely human endeavor Is romantic love universally felt or is it a cultural phenomenon Can we control it Love is of concern to nearly
