Golden Guide English:

HSC Golden Guide to English Wafa Khan, 2017-02-05 HSC Golden Guide to English Advanced is a textbook designed to teach students how to craft Band 6 level responses in English. The textbook is modelled on the highly successful educational method of example based learning. Each piece of guidance provided in the textbook is supported by Band 6 examples using prescribed texts from the 2018 Year 12 Advanced English syllabus so that students may see and learn for themselves how to improve their writing. The strategic philosophy of the textbook allows students to independently master HSC English without having to rely on tutoring or copious amounts of memorisation. The 250 pages textbooks are divided into three sections: Practical Skills including guides to essay preparation, essay writing, adapting to exam questions, writing in different formats such as speech and supporting workbook exercises; Discovery including syllabus deconstruction and clarification, creative writing, responding to short answer questions, 2018 Discovery texts, adapting to Discovery exam questions and supporting workbook exercises; Modules A B C including syllabus deconstruction and clarification, 2018 Modules texts, adapting to Modules exam questions and supporting workbook exercises. *Correct English*, 1908 **The Golden Book of English Sonnets** William Robertson, 1913 **Correct English and Current Literary Review ...**, 1911 *The Golden Chayne of Salvation ... Marcuse, 1990-01-01 This ambitious undertaking is designed to acquaint students, teachers and researchers with reference sources in any branch of English studies which Marcuse defines as all those subjects and lines of critical and scholarly inquiry presently pursued by members of university departments of English language and literature. Within each of 24 major sections, Marcuse lists and annotates bibliographies, guides, reviews of research, encyclopedias, dictionaries, journals and reference histories. The annotations and various indexes are models of clarity and usefulness and cross references are liberally supplied where appropriate.
