The Tiger Slam Kevin Cook, 2024-12-10 A captivating tale Kirkus Reviews Masterful Mark Frost The rare must read Alan Shipnuck This book is truly as grand as it gets Jim Nantz Twenty five years ago Tiger Woods achieved the greatest feat in golf history the Tiger Slam Now for the first time the award winning author of Tommy s Honor delivers a riveting account of Tiger at his most brilliant dominating the game in a way we will never see again In 1997 as every schoolchild knows Tiger Woods won the Masters by the largest margin in history becoming the first Black player to win a major championship Four years later the world watches with breathless anticipation as he returns to Augusta National aiming for a milestone no other golfer has ever achieved four professional Grand Slam triumphs in a row In The Tiger Slam Kevin Cook delivers a gripping inside the ropes account of an astonishing streak of victories that left Woods s rivals scrambling to keep up Readers will hear from many of golf s biggest names Tiger s caddie his coach his opponents his idols and others all offering fresh insight into the electrifying highs of his victories and the obstacles on and off the course that threatened his relentless pursuit of perfection We join Tiger at the beginning of his Slam the 2000 US Open at Pebble Beach

In a notoriously grueling tournament designed to bring golfers to their knees who could even dream of winning by a record margin of fifteen strokes Tiger could follow him to the hallowed grounds of St Andrews a few weeks later for the 2000 Open Championship where he transforms his game to meet the singular demands of the links Still only twenty four he leaves the Old Course as the youngest player ever to complete a career Grand Slam We proceed with Tiger to the 2000 PGA Championship at Valhalla where he fights a spectacular Sunday duel with a player he grew up idolizing ending with a playoff that changes the course of golf history Finally we return to legendary Augusta National site of his record breaking first major championship to see if he can be the first to sweep all four majors Dogged by reports of an early season slump facing a supposedly Tiger proofed course golf's superstar tees off against his two fiercest adversaries in an unforgettable final round The Tiger Slam is the epitome of greatness in sport a feat as exhilarating today as it was twenty five years ago In fact it's even more so now that we know we'll never see its like again such dominance is unthinkable in modern golf's era of parity Kevin Cook invites us to close our eyes and remember a young champion at the peak of his powers unmatched raw strength single minded focus strategic genius and utter fearlessness The Tiger Slam takes readers behind the scenes in the thrilling months when Tiger Woods took an ancient game to new heights *Forthcoming Books* Rose Arny,2004 [Golf's Holy War](#) Brett Cyrgalis,2020-05-05 Just as Michael Lewis's Moneyball captured baseball at a technological turning point Brett Cyrgalis's Golf's Holy War takes us inside golf's clash between its beloved artistic tradition and its analytic future The world of golf is at a crossroads As technological innovations displace traditional philosophies the golfing community has splintered into two deeply combative factions the old school teachers and players who believe in feel artistry and imagination and the technical minded who want to remake the game around data In Golf's Holy War Brett Cyrgalis takes readers inside the heated battle playing out from weekend hackers to PGA Tour pros At the Titleist Performance Institute in Oceanside California golfers clad in full body sensors target weaknesses in their biomechanics while others take part in mental exercises designed to test their brain's psychological resilience Meanwhile coaches like Michael Hebron purge golfers of all technical information tapping into the power of intuitive physical learning by playing rudimentary games From historic St Andrews to manicured Augusta experimental communities in California to corporatized conferences in Orlando William James to Ben Hogan to theoretical physics the factions of the spiritual and technical push to redefine the boundaries of the game And yet what does it say that Tiger Woods has orchestrated one of the greatest comebacks in sports history without the aid of a formal coach But Golf's Holy War is more than just a book about golf it's a story about modern life and how we are torn between resisting and embracing the changes brought about by the advancements of science and technology It's also an exploration of historical legacies the enriching bonds of education and the many interpretations of reality *Golf as Guru* Dr. John Edwin DeVore,2019-11-07 Drawing on his background experience and interests coupled with pertinent use of available literature Dr DeVore has created a simple masterful work of art that can support the efforts of a golfer to practice

Rory McIlroy - His Story So Far , , **Play Away Please** John P. Hagen,2011-01-25 The St Andrews Old Course Starter s Box was sold in a controversial international auction on 10 September 2001 the day before the infamy of the Twin Towers attack *Play Away Please* recounts the glory of the little building in St Andrews the home of golf and tells the tale of those who used its services for 77 continuous years Unlike many epics the story does not centre on a rich dynasty or a heroic quest for the truth Instead it centres on the production of the perfect round of golf and the global marketing of the Box one of the most celebrated

buildings in the world of sport as a brand and an icon The book also chronicles the suspense and notoriety that greeted the Box after its voyage from Scotland to California by way of the Panama Canal and the role it assumed as an emotional balm for many in the aftermath of the 11 September atrocity Alas nothing is as simple as it seems and miracles are rare The businessman who bought the Box was imprisoned before it reached Los Angeles accused of stealing millions from the real estate development that was to be its home Eight years later a happy ending was finally brought about but only after a healthy dose of gut wrenching fear and suspense became a part of the story Supplemented with exclusive photographs Play Away Please is also a personal story of patronage and odyssey to assure the Box s preservation as the sporting world s consummate symbol of integrity and fair play Along the way the author brings to life the unforgettable local characters of Fife celebrating their customs lifestyle and unique command of the English language
