Good Adjectives And Meaning:

Adjectives as nouns, mainly as attested in [i]Boethius[/i] translations from Old to Modern English and in Modern German
Anne Aschenbrenner,2014-07-23 Adjectives can be used as nouns in English as well as in German In Modern German however they can assume a greater variety of forms than is possible in Modern English partly as a result of the loss of inflectional endings in English e g Modern German i gut das Gut das Gute der Gute die Gute die Guten die G ter i also i die G te die Gutheit i versus Modern English i good the good the goods i also i goodness i With regard to this phenomenon two issues deserve attention first of all the historical development of adjectives as nouns in English and secondly their linguistic classification The merit of this study is that it undertakes the first detailed analysis of this phenomenon with the aid of corpus material The investigation leads to intriguing conclusions that combine several linguistic levels of description and that break with traditional concepts of rigid word classes in favor of a theory of degrees of adjectiviness and nouniness **An Open Dimension of Meaning: A Semantic Study of Adjectives and Their Combinations** Jesús Gerardo Martínez del Castillo,1997-01-01 Adjectives are lexematic words functioning at the three levels of linguistic competence They form a category they belong to particular languages and they are elements of free use by speakers As virtual they belong to the system of the language as instruments of expression they belong to the norm of the language and as instruments of communication they belong to discourse At the same time adjectives are predicates the expression of a state of affairs provided with the instruments of relation and combination in a sentence or in a phrase This study analyses the potentialities of expression and interpretation of adjectives **Good Grammar 5** Scholastic - Peter Clutterbuck, Jointly published by Ratna Sagar and Scholastic Pvt Ltd Good Grammar is an adaption of the original version published by Blake Education Pty Ltd Australia These books can be used with any English Reader and serve as workbooks or grammar practice books The exercises are varied and well graded They consist of crosswords wordsearches word ladders picture based drills and other interesting activities Also available Teacher s Handbooks and web support www ratnasagar co in **The Language of Corporate Blogs** Katarzyna Fronczak,2021-08-06 This book provides a state of the art account of corporate blogs as a new form of corporate communication studied from corpus based and discourse perspectives Using a range of analytical techniques to examine a large corpus of 500 randomly selected corporate blog posts the book examines how language works in the novel and hybrid context of online communication at different levels of linguistic description including vocabulary use keywords phraseology lexical bundles stance expression and the generic structure The findings are interpreted in functional terms in this book in order to provide an overall characterization of this new and evolving corporate genre Grammar and Linguistics Saraswati Saini,2025-01-03 Grammar and Linguistics Core Concepts offers a comprehensive introduction to the field of linguistics focusing on the practical and analytical skills needed to understand complex linguistic patterns We start with a small set of robust analytical tools applying them to basic phenomena before advancing to more intricate structures

Our book covers key topics such as lexical valence and the rules governing the sharing of component values Each chapter includes integrated activities and issues equipping students with the tools to recognize and assess linguistic patterns We also address syntactic complexity in academic English using corpus based studies to challenge prevailing stereotypes in linguistics Our authors demonstrate that syntactic change occurs in both written and spoken language emphasizing the compressed nature of academic writing and its role in significant linguistic changes over the past century Supported by extensive textual evidence this book is essential reading for discourse analysts sociolinguists applied linguists descriptive linguists and historical linguists
