*Book of Jeremiah* Susan Williams Smith, 2014-01-15 *Jeremiah* A Wright Jr will forever be linked to the historical 2008 presidential campaign of then Senator Barack Obama Although unwillingly thrust into the spotlight the media attention could never overshadow Wright's prophetic teachings nor does it define his life and ministry The *Book of Jeremiah* examines the man an African American patriot who served his country a scholar a prophet and a pastor The relevance of his ministry reaches far beyond his pastorate at Trinity United Church of Christ Chicago Wright's ministry has transcended to a global stage with a message of liberation and justice Smith provides the most comprehensive picture of the Rev Wright and as a close confidante sheds light on his upbringing teaching and preaching influences and the far reaching effects of his ministry on Barack Obama and the world

*Introduction to the Practice of African American Preaching* Frank A. Thomas, 2016-11-15 The *Introduction to African American Preaching* is an important groundbreaking book This book acknowledges African American preaching as an academic discipline and invites all students and preachers into a scholarly dynamic and useful exploration of the topic Author Frank Thomas opens with a bus tour study of African American preaching He shows how African American preaching has gradually moved from an almost exclusively oral to an oral written tradition Readers will gain insight into the history of the study of the African American preaching tradition and catch the author's enthusiasm for it Next Thomas traces the relationship between homiletics and rhetoric in Western preaching demonstrating how African American preaching is inherently theological and rhetorical He then explores the question what is black preaching Thomas introduces the reader to methods of close reading and ideological criticism And then demonstrates how to use these methods using a sermon by Gardner Calvin Taylor as his example The next chapter considers the question what is excellence in black preaching The next chapter seeks to create bridges and dialogue within the field of homiletics and in particular the Euro American homiletic

tradition The goal of this chapter is to clearly demonstrate connections between the African American preaching tradition and the field of homiletics Thomas next turns to questions about the relevancy of the church to the Millennial generation Specifically how will the African American church remain relevant to this generation which is so deeply concerned with social justice **Engaging the Gadfly** Casey T. Sigmon,2025-06-09 In 2020 most preachers and congregations were forced into

online and hybrid preaching We had to react quickly For some this adventure opened creative forms of preaching stitches duets reels and VR For others it was a season of just getting by cell phones propped up on books laptops on dining room tables We did what we could to proclaim the good news in turbulent times Five years later Sigmon invites preachers and congregations to reflect on those experiences as they consider the future of preaching She helps the reader engage the Gadfly whose buzzing signals a shift in how we understand relationships truth presence and place in this digital age Sociologists and historians argue that we are now on the brink of a shift in communication as transformative as the invention of the printing press No wonder ministry is so challenging right now Ultimately this digital age like previous ages of technological change presents problems and possibilities to the practice of preaching and so ecclesiologically the shape of the church What shapes will emerge Sigmon will empower preachers and congregations to answer that question for themselves through a new media homilecclesiology **Daily Prayer 2024** Gennifer Benjamin Brooks,Simone Brosig,Rosina

 worship we are equipped to carry that reconciling love into our relationships beyond the worship space Worship equips us for  
 the work of conciliation but the liturgy itself needs to be decolonized if it is to truly honor Christian commitments to God and
