

SPONSORSHIP REQUEST LETTER

Date: 12-11-2015

To,
Jack Dolson
1775 Washington Street
Halifax MA 8745

Dear Jack Dolson,

As you know that we run a Non-governmental Organization in our University campus, called ABC. Our team is teaching kids from age 4 years to 18 years, living in slum areas nearby, for the last 6 years and it is going really well. From this year, we have decided that we will send some of our really fine kids to school for formal education. Some of our kids are already studying in nearby public schools.

For this purpose, we are looking for people we know to sponsor at least one child and support them and us. To send one kid to a Private school, an estimated cost per student is \$ X and an original copy of expected expenses has been attached here in this mail. If there is any query, we would love to answer any of them and can even meet in person.

Your little contribution and support can totally change the lives of many kids. We request you to please put some thoughts and kindly revert. We really hope to hear from you.

Thanking you.

With Regards,
Micky Donald,
Team leader

Event Planning 2Nd Edition Laurence Carter, 2013-01-15 Event Planning is an exciting option for individuals who desire to work as event managers. Individuals can work as an organisation's primary event planner or they can freelance as an event planning entrepreneur. Their primary responsibility in either case would be to successfully plan and organise events. Event planning can involve time-consuming detailed work that will require dedication on the part of the event planner to plan and execute the staging of an event. It can be rewarding and satisfying to see the results of your planning efforts coming together in a successful event. This book is dedicated to explaining the practical skills required for event planning in a simple format. The goal is to allow readers to have a greater understanding of what it takes to successfully plan and manage an event and to help them put their knowledge into practical use.

Beyond Book Sales Susan Dowd, 2014 Like library users, library donors hail from all walks of life. Regardless of the scope or complexity of library fundraising, successful efforts are always about forging and strengthening relationships with the range of stakeholders throughout the community. Dowd and her team from Library Strategies, a consulting group of the Friends of St Paul Public Library, share proven strategies that have brought in more than 1 million annually. Believing that private fundraising is a natural for libraries large and small, they start with 12 facts about library fundraising and focus on activities with the highest return. Tips and features include: The gift pyramid model for developing the culture of giving that leads to big gifts; Overcoming fears of sponsorship and embracing cause-related marketing; Pitching the appropriate charitable gift; Confronting common fears of requesting major gifts; The pros and cons of membership programs.

Child Sponsorship B. Watson, M. Clarke, 2014-08-19 This book reviews the remarkable growth, diversity, and challenges of child sponsorship. It features the latest progress in child sponsorship practice and necessary tensions experienced by some organisations as they seek to maximise impact.
