Aluta Continua Biblical Hermeneutics for Liberation Obvious Vengeyi, Joachim Kügler, 2013 This book was passed as a PhD thesis at Bayreuth University Germany The author challenges African Biblical scholars and Christian leaders to premise Biblical interpretation on the experiences of the often neglected underclasses The author argues that from a comparative historical cultural and material methodological point of view the experiences of the Zimbabwean underclasses whose collective ordeal is represented by the experiences of domestic workers are strikingly similar to those suffered by slaves among other underclasses in the biblical world In the same way religion was appropriated by the elite to validate oppression of the underclasses in the biblical world the author shows that since the colonial era Christianity in Africa through biblical interpretation among many other tactics has been an influential force on the side of the dominant class to advance their racial class and gender interests To date in Zimbabwe for example the Bible and religion in general is manipulated by the dominant minority to justify and entrench the exploitation of the majority underclasses On the other hand the author observes that the history of ancient Israel Roman colonial Palestine and colonial Zimbabwe evidences that when religion is appropriated and or the Bible is read and interpreted from the historical cultural and material conditions of the underclasses it can be a valuable resource not only for their mobilization to overthrow oppressive systems but also for justifying their resistance tactics *Aluta Continua The Struggle goes on*

Living Liturgy teaches that we learn from each other of the fullness of God's mystery and by learning and worshiping together we enrich each other. Living Liturgy helps people live a liturgical spirituality. This is a way of living rooted in liturgy which opens their vision to their baptismal identity as the Body of Christ and shapes their living according to the dying and rising rhythm of the paschal mystery. The paschal mystery is the entire saving mystery of Jesus Christ: his life, mission, passion, death, resurrection, ascension, sending of the Spirit, and promised second coming, and our participation in this mystery. Liturgy enacts in the here and now Christ's mystery and sends each one of us forth to live this mystery. Anyone involved with liturgical planning and preparation will benefit from using this resource, including pastoral ministers, liturgy directors, musicians, and liturgy committee members. Living Liturgy also assists those who serve the community in the visible liturgical ministries: presiders, deacons, music ministers, hospitality ministers, altar ministers, lectors, extraordinary ministers of Holy Communion, because it clearly shows that each ministry deserves not only practical preparation but even more important, spiritual preparation. Further, catechumens, candidates, and sponsors use Living Liturgy to support and deepen their liturgical journey within the RCIA. Members of faith-sharing groups use this resource as the focus of weekly prayer and reflection together. Parents and teachers will find that Living Liturgy can be simplified and shared with younger members of the liturgical community.
