Goodnight Andilyssa Moon Almost Bedtime:

The Storytime Handbook Nina Schatzkamer Miller, 2014-01-23 Fresh fun ideas for children's storytime fill this book. The author, a long-time storytime facilitator, has put together 52 weekly themes plus additional plans for holidays, all with detailed instructions for talking about the theme and choosing the books, crafts, songs, poems, games, and snacks. Each storytime idea is illustrated with photographs of a suggested craft and snack for easy reference. Libraries, bookstores, preschools, and parents alike can use this book to offer themed storytimes that include discussion, literature, art, music, movement, and food. Options are provided for each storytime so the ideas can be used year after year. [A to Zoo](#) Rebecca L. Thomas, 2018-06-21 Whether used for thematic story times, program and curriculum planning, readers advisory, or collection development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze. Generations of savvy librarians and educators have relied on this detailed subject guide to children's picture books for all aspects of children's services, and this new edition does not disappoint. Covering more than 18,000 books published through 2017, it empowers users to identify current and classic titles on topics ranging from apples to zebras. Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically, this reference applies more than 1,200 intuitive, as opposed to formal catalog subject terms, to children's picture books, making it both a comprehensive and user-friendly resource that is accessible to parents and teachers as well as librarians. It can be used to identify titles to fill in gaps in library collections, to find books on particular topics for young readers, to help teachers locate titles to support lessons or to design thematic programs and story times. Title and illustrator indexes, in addition to a bibliographic guide arranged alphabetically by author name, further extend access to titles. *Forthcoming Books* Rose Arny, 2003-04 **Goodnight Moon** Margaret Wise Brown, 1975 **Goodnight Moon Book and CD** Margaret Wise Brown, 2006-12-26 In a great green room tucked away in bed is a little bunny. Goodnight room, goodnight moon. And to all the familiar things in the softly lit room, to the picture of the three little bears sitting in chairs, to the clocks and his socks, to the mittens and the kittens, to everything one by one, he says goodnight. In this classic of modern children's literature, beloved by generations of readers and listeners, the quiet poetry of the words and the gentle lulling illustrations combine to make a perfect book for the end of the day. Generations of children have begged to hear this story before bed. Now children can add a new element to their bedtime routine by flipping the tape and listening to the original Goodnight Moon lullaby on the reverse side. In a new beautifully designed reusable pouch, this wonderful recording of the classic bedtime story and the special bonus of the soothing original lullaby, composed especially for this recording, is just right for sleepyheads.
