The Road to Yesterday Maryellen Donovan, 2025-09-09 For readers who found comfort in Joan Didion's *The Year of Magical Thinking* a 9/11 widow's memoir of rediscovering joy and finding love again after the violent loss of her husband One sunny Tuesday morning Maryellen Donovan's beloved husband Steve Cherry lost his life in the 9/11 attacks rocking her to her core and changing her family forever Maryellen's life and love with Steve was all she could have hoped for in the wake of his death she was inconsolable But ultimately she had no choice but to be strong for her two young sons and even when deep in the grip of hopeless despair she

found solace in her deep faith and belief that with the support of friends and family she would eventually find love and happiness once again Her route to her happy ending proved long and winding and full of obstacles cancer family conflict even more loss but she always found a way forward no matter the setbacks she encountered An inspirational story that will provide hope to anyone who s experienced unfathomable loss and loneliness The Road to Yesterday is a testament to the idea that there is always a path to love and joy if only you re determined enough to keep yourself open to it *Picturebooks* Evelyn Arizpe, Maureen Farrell, Julie McAdam, 2014-10-14 The picturebook is now recognized as a sophisticated art form that has provided a space for some of the most exciting innovations in the field of children s literature This book brings together the work of expert scholars from the UK the USA and Europe to present original theoretical perspectives and new research on picturebooks and their readers The authors draw on a variety of disciplines such as art and cultural history semiotics philosophy cultural geography visual literacy education and literary theory in order to revisit the question of what a picturebook is and how the best authors and illustrators meet and exceed artistic narrative and cultural expectations The book looks at the socio historical conditions of different times and countries in which a range of picturebooks have been created pointing out variations but also highlighting commonalities It also discusses what the stretching of borders may mean for new generations of readers and what contemporary children themselves have to say about picturebooks This book was originally published as a special issue of the New Review of Children s Literature and Librarianship **Index to Poetry for Children and Young People, 1982-1987** G. Meredith Blackburn, 1989 A title subject author and first line index to poetry in collections for children and young people A to Zoo Rebecca L.
