In addition to the five main window types, Mac OS X also allows different windows, such as the Components window that's open in Figure 3-3. You can open and close them as needed by using the Window menu. With the tools at their own disposal, you'll apply color and shading to your models when you paint components, add shadows and texture effects, and create your scenes.

Although previous health research indicates that a diet of mostly plant-based foods has been a lot of help in reducing the risk of heart disease, it's not clear that a diet of mostly plant-based foods is the best way to reduce the risk of heart disease. In fact, a diet of mostly plant-based foods may be the best way to reduce the risk of heart disease, but it's not clear that a diet of mostly plant-based foods is the best way to reduce the risk of heart disease.

By switching some of the record from the local file to the cloud, you can save space and speed up the database. But, you have to make sure you can get it back. If you can't find the record, it's gone. And, you'll have to do a lot of work to get the record back.

Wordfly's menu bar is styled with the word aspect, such as File, Edit, Window and Help. Wordfly's View menu is a little different from the ones in most programs (Figure 1.4). The View menu has items in the Wordfly window that you can show or hide, including things like drawing guides, are there, measurement tools and even different toolbars. If you're looking for tools that change your view of the drawing window, such as a Zoom or Pan tool, look under the View menu.
