Harrigan, 2019-11 A systematic presentation of the gospel similar to a biblical theology but arranged thematically to communicate the timeline of redemptive history Beginning in Genesis and concluding in Revelation it outlines the worldview of Jewish apocalypticism and holistically integrates a theology of the cross and martyrdom

Christ and the End of Meaning Paul Hessert, 1993 Both liberal and conservative churches offer the world meaningful Christianity Hessert argues that meaning itself is the problem that Christ and His teachings sought to solve The Gospel is not about meaning but an alternative to the very structure and stricture of meaning He proposes living with patience and passion through joys and suffering for passion is the life of the soul

The Crucified God Jürgen Moltmann, 1974 This seminal work on the significance of the crucifixion takes death despair and dreadfulness with total seriousness and relates these to a liberating hope of redemption through divine agony and suffering

[Caribbean Theology](#) Howard Gregory, 1995 This timely collection explores critical issues facing theological education in the West Indies with special attention to the current status and content of Caribbean theology Contributors represent a number of mainstream Protestant traditions Anglican Moravian Baptist Methodist and Presbyterian and approach their topics from a variety of specializations Biblical Studies Church History Social Sciences Pastoral Care and Christian Education Howard Gregory who is the president of the United Theological College of the West Indies has done an exemplary job of representing the diversity of theological opinion at the conference as well as highlighting some common concerns of participants All participants Gregory points out acknowledged a pressing need to address practical aspects of pastoral care and to identify priorities specific to the Caribbean region In addition all participants underscored the need for renewed commitment to the task of developing and teaching an authentic Caribbean theology although there is considerable disagreement as to exactly what an authentic Caribbean theology should be

Christ Crucified in a Suffering World Nathan D. Hieb, 2013-09-01 What is the connection between Christian doctrine and concrete social action This question marks the often unarticulated divide between systematic theology and liberation theology each often emphasizing one primarily or formally over the other Examining the work of Karl Barth T F Torrance and Jon Sobrino here Nathan Hieb contests this bifurcation specifically around the nodal points of the crucifixion or the doctrine of atonement and the context of suffering This book is an innovative study that bridges the boundaries of method doctrine and praxis creating a strong theological and action oriented relationship between systematic and liberation theology

The Crucified God Jürgen Moltmann, 2014-04-15 This work on the significance of the crucifixion takes death despair and dreadfulness with total seriousness and relates these to a liberating hope of redemption

through divine agony and suffering *Christ Crucified* Donald Macleod,2014-06-05 How could the life let alone the death of one man 2 000 years ago be the salvation of the human race Donald Macleod explains the centrality of the atonement in Christian faith and experience using seven key words to describe what happened on the cross substitution expiation propitiation reconciliation satisfaction redemption and victory **'The Sufferings of Christ Are Abundant In Us'** Kar Yong Lim,2009-08-11 Investigates the centrality of suffering to Paul s argument in 2 Corinthians **The Theology of the Cross and Marx's Anthropology** Winston D. Persaud,2005-09-13 This is a fascinating major articulation of a contemporary theology of the cross in response to the soteriological challenge of Karl Marx s anthropological Weltanschauung The author focuses primarily on the much neglected Early Writings 1844 Manuscripts in which Marx himself provides a necessary humanistic critique of official Marxism The theology of the cross which the author articulates is centered in Luther s theologia crucis Moltmann s crucified God and Latin American liberation theology s divine identification and solidarity with the poor and oppressed Specifically the context of the work is the Caribbean and the Americas *M.M. Thomas's Secular Commentaries on Scripture* Thomas Philip,2025-08-18 This book investigates M M Thomas s biblical commentaries and their unique position at the intersection of religion and society It explores how Thomas inspired in part by Bonhoeffer s religionless Christianity adapted Western theological ideas and transformed them to reflect the social political and religious complexities of his own pluralistic context By examining these commentaries the book offers a fresh perspective on how Thomas engaged with the dynamic relationship between faith and society It also contributes a new dimension to the study of Indian Christianity marking the first in depth study of Thomas s secular biblical commentaries This book provides a pioneering contribution to the field of the study of Indian Christianity and the study of non Western contextual theologies It enriches the growing literature on biblical hermeneutics by offering new insights into how scripture can be interpreted in diverse cultural and political contexts By focusing on Thomas s unique theological approach this work not only enhances our understanding of Indian Christian thought but also broadens the scope of contemporary theological studies particularly within the global South It invites readers to consider how the intersection of theology and society shapes religious thought in pluralistic settings This book is intended for scholars graduate students and those involved in church studies as well as anyone interested in contextual theology and hermeneutics It is especially relevant for readers keen on understanding Indian Christianity and exploring how theology interacts with the social and political issues present in non Western contexts The book will appeal to those looking to deepen their understanding of how faith adapts to and engages with the complexities of modern society **The Crucified God** Jürgen Moltmann,2015-11-01 From its English publication in 1973 Jrgen Moltmanns *The Crucified God* garnered much attention and it has become one of the seminal texts of twentieth century theology Following up on his groundbreaking *Theology of Hope* *The Crucified God* established the cross as the foundation for Christian hope Moltmanns dramatic innovation was to see the cross not as a problem of theodicy but instead as an act of

ultimate solidarity between God and humanity In this he drew on liberation theology and he was among the first to bring third world theologies into a first world context Moltmann proposes that suffering is not a problem to be solved but instead that suffering is an aspect of Gods very being God is love and love invariably involves suffering In this view the crucifixion of Jesus is an event that affects the entirety of the Trinity showing that The Crucified God is more than an arresting title it is a theological breakthrough

Wisdom Commentary: John 1-10 Mary L Coloe, PBVM, 2021-07-15 Teaching and researching the Gospel of John for thirty years has led author Mary L Coloe to an awareness of the importance of the wisdom literature to make sense of Johannine theology language and symbolism in the prologue with Nicodemus in the Bread of Life discourse with Mary and Lazarus and in the culminating Hour She also shows how the late Second Temple theology expressed in the books of Sirach and Wisdom considered deuterocanonical and omitted from some Bible editions are essential intertexts Only the book of Wisdom speaks of the reign of God Wis 10 10 eternity life Wis 5 15 and the ambrosia maintaining angelic life Wis 19 21 all concepts found in John s Gospel While the Gospel explicitly states the Logos was enfleshed in Jesus this is also true of Sophia Coloe makes the case that Jesus s words and deeds embody Sophia throughout the narrative At the beginning of each chapter Coloe provides text from the later wisdom books that resonate with the Gospel passage drawing Sophia out of the shadows

Why Didn't Evangelicals "See Him Coming"? Paul A. Pomerville, 2023-08-31 Why Didn t Evangelicals See Him Coming is a hard hitting clear eyed account of how American society the political establishment and the rule of law reacted to a sociopath president After Donald Trump left office Americans didn t see him going either Trump came and went yet millions of Americans were clueless about what happened because of his gaslighting tornado An evangelical Christian author explains why Bible believing church going Jesus talking America loving evangelicals along with other Americans listened to were enamored by and elected an immoral sociopath An unlikely combination of viewpoints psychology law and biblical theology provide a surprising coherent picture of how Donald Trump deceived and inflicted devastation on democracy His uncanny influence is chronicled by media reporting during his four years in office and afterwards in a shadow presidency at Mar a Lago If Trump succeeded in anything it was deceit Psychologists rightly attribute this to his gaslighting biblical theology probes deeper to his corrupt human nature An FBI search warrant at Mar a Lago revealed the inevitable truth Donald Trump was a thief and traitor from the beginning the law finally caught up with a long overdue unaccountable serial criminal for crimes that America would not tolerate

Too many Christians are religious their faith is more a human endeavor than a response to God s loving initiative Such religion assumes that our value comes not from God but from what we do It absorbs principles and postulates from the surrounding society leading to further misconceptions about God and our relation to our Creator All this hinders people from experiencing vibrant Christian community where they could freely love and be loved Mark Baker suggests that just as car companies test automobiles under severe conditions to uncover weaknesses North American Christians may detect fallacies in their gospel by examining how it plays out under the challenges of poverty injustice and entrenched religiosity Baker s test case is drawn from his ten year missionary experience in Tegucigalpa Honduras at churches born out of North American mission work Baker observes Honduran church life draws parallels to the dangers of religion in the North American church and mines from Galatians exciting possibilities of robust Christian grace and freedom The result is a bracing and refreshing approach to Christian community for laypersons pastors missionaries and mission strategists *New Collegeville Bible Commentary: New Testament* Daniel Durken,2016-12-01 Concise and accessible this one volume edition of the New Collegeville Bible Commentary New Testament allows readers to explore any or all of the books with just one resource alongside their Bibles The individual commentaries collected here are written by respected scholars and they break open the biblical texts in a lively fashion Readers will be able to engage Scripture more deeply and reflect on its meanings nuances and imperatives for living a Christian life in the twenty first century Continuing Liturgical Press s long tradition of publishing biblical scholarship and interpretation this commentary also answers the Second Vatican Council s call to make access to Scripture open wide to the Christian faithful Daniel Durken OSB is a Benedictine monk and priest of Saint John s Abbey He taught Scripture and speech classes at Saint John s University for almost five decades and served as director of Liturgical Press from 1978-88 He still writes homily hints and daily reflections for the Loose Leaf Lectionary and is the founding editor of Abbey Banner the magazine for the relatives friends and oblates of the monastic community
