Resolving the Tension of Jesus's Mission in Matthew's Ancient Biography Jerry D. Breen, 2024-10-17 Jerry D Breen argues that reading Matthew and all the Gospels as ancient biography is the necessary next step for Gospel studies In particular Breen contends that more specific comparisons should be made between the Gospels and ancient literature Breen stresses that this reading invites narrative critics to place more emphasis on examining the use of sources and the importance of intertextual and historical information that the author introduces to the text Breen places emphasis on the relationship between Jews and non Jews in ancient Galilee and Palestine and challenges the long supported theory that Jesus did not minister to non Jews beyond two or three exceptions Demonstrating that Jesus is inclusive of everyone who comes to him even though he was sent primarily to the Jews Breen argues that the portrait which Matthew creates is one of a Jewish Messiah who is on a mission to restore Israel so that the restored people of God can bless the nations Concluding that rather than two conflicting missions the audience of the gospel is encouraged to view the healing of non Jews during Jesus s ministry as further proof that the Jewish Messiah is bringing restoration to Israel

Jesus' Fulfilment of the Torah and Prophets Steven James Stiles, 2023-10-09 Steven James Stiles examines Jesus teaching about the Torah in the Gospel according to Matthew as a participant and contributor to the larger phenomenon of writing texts about the Torah in Second Temple Judaism In this light Matthew s presentation of Jesus and his teaching concerning the Torah align well with other interpretation strategies and patterns in Second Temple Judaism Jesus teaching on the Torah also addresses many of the same concerns other Jewish groups in antiquity had for following the Torah properly This approach to examining Torah interpretation in Matthew s Gospel highlights the shared concerns and assumptions between Jesus followers and other Jewish groups in antiquity It also provides significant insight into Matthew s depiction of Jesus as Israel s Davidic Messianic and ultimate teacher of all things concerning the kingdom of heaven
