The ABCs of Gold Investing Michael J. Kosares,2012 Beginning investors will find thorough guidelines for making good decisions in this study of private gold ownership Emphasis is placed on the asset preservation qualities of gold at a time when investor uncertainty about the economy and recent investment scandals have led many to seek asset diversification The economic and political trends driving gold marketing are detailed as are the reasons why gold plays an important role in millions of investment portfolios worldwide as both a hedge and an investment for capital gain With revised content as well as two additional chapters this updated version examines topics such as gold s role in combating inflation and deflation how to select a gold firm the history of gold since 1971 storing gold and government debt

The Goldwatcher John Katz, Frank Holmes,2009-08-18 Why did the price of gold hit record highs in 2008 Take a look at the headlines government bailouts of failed banks mortgage and credit crises rising inflation slowing growth and global insecurity In order to protect themselves from treacherous financial markets and depreciated paper currencies investors worldwide are turning to gold Gold has long been used as money and as a store of wealth but what s the source of its value Why does that value sometimes rise so high and at other times fall so low And what do we know about gold s complex and often tumultuous past that may yield clues about how it may behave in the future Gold is a side show on a world financial stage dominated by the dollar The tail can t wag the dog gold prices are affected by changes in prospects for the dollar and not vice versa With uncertain outcomes for the American and global economies gold s stateless money franchise makes this book compelling reading John Katz is a clear eyed independent strategist and analyst with an extraordinary ability to get to grips with subjects ranging from biotechnology via alternative energy to commodities and gold Uniquely for a commentator on gold he has no dogmas To assess the risks and rewards that come with owning gold he introduces opinions from an impressive range of commentators examines different scenarios that may play out on the world economic stage and highlights situations when owning gold makes sense and when it doesn t To complete the picture Frank Holmes s contribution to The Goldwatcher explains the risks and rewards The Goldwatcher has been written for 21st century investors It will be an indispensable resource for responsible people from institutional money managers to private savers whether the gold price moves up down or sideways Patrick H Spencer Managing Director Head of Institutional Sales Robert W Baird Limited London Frank Holmes s stellar track record as a resource portfolio manager is a clear reflection of his

understanding of the business the markets and the factors that affect them His success is as much about unearthing value as it is about creating an investment process that is religiously followed If you want to succeed in your resource investment this book is a must It s all the more enjoyable because the writing style is easy going clear and understandable Pierre Lassonde Former chairman World Gold Council and past president Newmont Mining Corp This book is also supported by The Goldwatcher blog <http://www.thegoldwatcher.com> which addresses news and developments affecting gold and the dollar updates statistical information and links with sources for data and commentary **Hard Money** Shayne

McGuire,2010-09-09 An in depth guide to making gold a serious part of your portfolio Gold the long forgotten store of value that was once the center of the global financial system suddenly matters a great deal again It has become a leading asset by virtue of its strong performance and its booming demand has made it the only financial asset that remains in an uninterrupted bull market And yet gold remains one of the least owned financial assets in investment portfolios today Hard Money helps investors move beyond the simple yet widely accepted notion that gold makes sense in today s financial environment and explores ways to magnify potential investment returns driven by precious metals This reliable resource examines the investment vehicles bullion stocks derivatives and even rare coins and strategies aggressive conservative passive and variations aimed at beating the price of gold as it rises and ways to protect a portfolio should the metal decline Identifies five key drivers that should continue to push gold higher in the years ahead Explores the ins and outs of investing in gold and making this precious metal a part of your portfolio Examines the pros and cons of multiple ways to buy gold via coins ETFs mining and royalty stocks and other investment vehicles Author Shayne McGuire is a highly regarded expert on gold Written in a straightforward and accessible style Hard Money offers key strategies to enhancing returns with new methods for investing in gold Buy Gold and Silver Safely Doug Eberhardt,2010-09-02 Why do most investors in gold and silver get ripped off We are never taught anything about gold and silver through our education system That s why many gold

dealers are able to easily rip off unsuspecting buyers of gold and silver Financial advisors and journalists aren t giving you the truth either as to how gold and silver fit into a properly diversified portfolio So naturally people are looking for answers Buy Gold and Silver Safely provides those answers by explaining why gold and silver need to be a part of everyone s portfolio and helping people learn about buying gold and silver safely **Buying and Selling Gold** Margo Armstrong,2016-04-27

Buying and Selling Gold Silver A Primer for the Beginning Investor covers the basics of gold and silver investing but does not give sell you any product or direct you to any broker The goal here is to give you enough information to prevent any unwise purchases in the very beginning of your gold and silver investing adventure Published in full color Beautiful photos of the coins and bullion are included Buying gold and silver is in the news in a big way It all seems very complicated and maybe risky to the small investor that is looking for a way to stabilize their future Stock prices go up and down drastically real estate values are plummeting job security is out the window and here you are wondering if maybe gold and silver could be

the answer to stabilizing your financial future Buying gold and silver is similar to stepping onto a used car lot Fast talk and seemingly rational explanations can send you home with a lemon There is a lot of hype circulating on the Internet these days and new dealers are popping up every day due to the retail demand This requires you to be extra careful and do your research before you decide on where and what to buy Decide what gold and silver products are the best investment for you before contacting a dealer This allows the process to become very smooth and effortless eliminating buyer s remorse Partial Contents Is Gold and Silver Investing Safe for You Government Reporting Clarified The Business of Buying and Selling About Government Gold Confiscation Finding a Reputable Dealer Investing in Silver Investing in Gold Scams Storing Gold and Silver Investments **The ABCs of Gold Investing** Michael J. Kosares,1997 This book is a primer for investors wanting to understand the benefits of private gold ownership Author Michael J Kosares emphasizes the asset preservation qualities of gold at a time when increasing investor discomfort about the economy and financial markets is leading many to seek asset diversification
