present day adaptations The stories discussed in detail so the argument goes identify specific anxieties and forms of anxiety management as integral elements of hegemonial middle class identity Apart from its audacious link between psychoanalysis and Marxist feminist as well as postcolonial ideology criticism this study provides a nuanced analysis of the ways in which allegedly trivial texts negotiate questions of individual and trans national identities In doing so it offers a fresh look at beloved tales like Alice s Adventures in Wonderland The Wizard of Oz and Peter Pan contributes to the dynamic field of adaptation studies and highlights the necessity to approach children s entertainment more seriously and more sensitively than it is generally the case

Understanding Media Semiotics Marcel Danesi,2018-11-15 Media semiotics is a valuable method of focusing on the hidden meanings within media texts This new edition brings Understanding Media Semiotics fully up to date and is written for students of the media of linguistics and those interested in studying the ever changing media in more detail Offering an in depth guide to help students investigate and understand the media using semiotic theory this book assumes little previous knowledge of semiotics or linguistics avoiding jargon and explaining the issues step by step With in depth case studies practical accounts and directed further reading Understanding Media Semiotics provides students with all the tools they need to understand semiotic analysis in the context of the media Semiotic analysis is sometimes seen as complicated and difficult to understand Marcel Danesi shows that on the contrary it can be readily understood and can greatly enrich students understanding of media texts from print media right through to the internet and apps
