,1924 SCC Library has 1974 89 plus scattered issues **The Truth About Anton Van Zyl** John Constable,2025-03-28 I have so enjoyed your books and love reading those which are set in South Africa You know South Africa very well and have got right under its skin J E S Hart Moti's a big wheel in Port Elizabeth and that's not just because the suits who run City Hall hang on his every word But Moti's got a problem His not so favourite son in law has gone AWOL And that matters because his daughter is distraught or so he tells rich but mentally troubled PI Sol Nemo Sol takes the case but soon faces complications because of Anton's missing wife and pregnant girlfriend Soon too the outline of a major conspiracy starts to unfold involving various parties including an unsettling interest from State Security Sol comes to realise it's dangerous to pursue enquiries when his every move is being watched By then though Sol's motivation has become personal You see there's an obligation to a young woman who's literally been scared to death and one also to some of the Eastern Cape's most disadvantaged citizens who are being ruthlessly exploited All in all it's a confusing picture and that's to say nothing of the absent Anton who remains out of sight until suddenly he needs Sol's help It's only then the truth emerges but is it the truth and nothing but or is it some version of it designed to beguile and deceive **Forbidden Area** Pat Frank,2021-02-04 From the author of the post apocalyptic classic *Alas Babylon* comes this eerie cold war thriller A young teenage couple having a rendezvous one night on a beach in Florida suddenly sees a submarine emerge from the ocean Armed soldiers disembark the vessel and a Buick drives off its landing ramp For Henry Hazen who is scheduled to ship out to an army training camp the next day the sight leaves him uneasy but he tells no one what he has witnessed Katherine Hume is the only woman working for the Pentagon's Atomic Energy Commission From intelligence they have gathered she and her team are convinced the Russians are poised to conduct a nuclear attack on the U S on or shortly before Christmas But convincing their superiors an attack is imminent is proving far more difficult than she could have imagined even after several stealth fighter planes and their pilots go missing over the Gulf Banker Robert Gumol sees all the signs that the big attack is finally coming As a reluctant spy for the Russians Gumol's loyalties lie more with his adopted country than his motherland Deciding to take the next flight to Havana he risks being executed by the Russians if his betrayal is discovered but he's willing to put it all on the line for a chance at freedom

With the clock ticking the fate of America hangs by a very thin thread A classic of science fiction that is a cautionary tale of the dangers of nuclear power Forbidden Area is as timely today as it was when it was first published in 1958 **The Short, Mad Reign of Humanity** Marc Silva,2003-01-09 Tabloid journalist Peter Woods was only trying to get the story on the little known Canadian Civil War and break out of the obscurity that was his career He got more than he bargained for when he met up with a former associate the evil Dr Sanchez Aided by two genetically engineered children Woods escaped the arctic hell only to back into an academic mystery that had been covered up for some 500 years by D Enzi a fanatical sect long disavowed by the Catholic Church When Woods runs afoul of rebel astronomer Max Mason he also befriends a notorious Portuguese assassin in Key West who helps him recover a partial diary by an unknown Spanish sailor named Gonzalez In those pages Woods believes lies the key to the mystery But first Woods must enlist the help of Rabbi Birnbaum college professor and lacrosse coach and then he must outrace both D Enzi and Max Mason to get to the explosive truth **So You're Gonna Be A DAD - Now What?** Scott Patchin,2007-10 The Dancing Bear Ron McDole,Rob Morris,2018-10-01 From the early sixties to the late seventies defensive end Ron McDole experienced football s golden age from inside his old school two bar helmet During an eighteen year pro career McDole nicknamed The Dancing Bear played in over 250 games including two AFL Championships with the Buffalo Bills and one NFL Championship with the Washington Redskins A cagey and deceptively agile athlete McDole wreaked havoc on football s best offenses as part of a Bills defensive line that held opponents without a rushing touchdown for seventeen straight games His twelve interceptions remain a pro record for defensive ends Traded by the Bills in 1970 he was given new life in Washington as one of the most famous members of George Allen s game smart veterans known as The Over the Hill Gang Through it all McDole was known and loved by teammates and foes alike for his knowledge and skill on the field and his ability to have fun off it In The Dancing Bear McDole the storyteller traces his life from his humble beginnings in Toledo Ohio to his four years at the University of Nebraska his marriage to high school sweetheart Paula and his long accomplished professional career He recounts the days when a pro football player needed an off season job to pay the bills and teams had to drive around in buses to find a city park in which to practice The old AFL and NFL blitz back to life through McDole s straightforward stories of time when the game was played more for love and glory than for money *Done with That* Bob Merritt,2019-08-01 The Bible says the old life is gone and the new life has come see 2 Cor 5 17 But we still sin still get angry arrogant and greedy Sin destroys everything in its path yet it s also kind of fun and quite compelling It often has us holding on to parts of the old life instead of embracing the new life we ve been promised In Done with That Pastor Bob Merritt exposes the inner battle we all fight with sin He exposes the cycle of failure and loss and shows readers that no matter how many setbacks they ve experienced there is a way to enjoy a new and better life in Christ **Whose Wives are They Anyway?** Michael Parker,Michael E. Parker,2002 Original title Whose wife is it anyway *The British National Bibliography* Arthur James Wells,2007 Collier's ,1915
