One that tests old loyalties, sparks new romance, and uncovers painful secrets. And nothing stays secret in West Finch for long. When a Lost Child warning blares over the mall's PA system, Carly Mason finds the little girl playing with a stuffed rabbit. Something about Penny Tremaine is different. An ex-social worker, Carly recognizes that the child suffers from fetal alcohol effects, and a piece of Carly's past suddenly confronts her. Never again will she become personally involved with a client. The risks are far too great. But something about Penny and Penny's handsome father tugs at Carly's heart. Dr. Ryan Tremaine is trying to put his life back together. With his ex-wife remarried and on a trip far away, his two teenage sons, and Penny are living under his roof full time. Ryan has put his faith in his Sink or Swim list: a plan to reconnect with his children. The first step: recruit Carly Mason to be Penny's nanny. Ryan never anticipated being so drawn to Carly, an attraction Carly seems to fight as much as he does. Could Carly be the missing piece that helps his family stay afloat, or will their blossoming romance only complicate things further? Known for her realistic and engaging characters, Victoria Bylin delivers an emotion-packed story reminiscent of *The Sound of Music*, one that reminds us all to believe in the power of faith and love. *Native Hawaiian Health Care Improvement Act* United States. Thriving Together David Viafora, 2025-02-25 Seasoned community builder David Viafora pinpoints the nine principles that create conditions for joy and solidity in any community. Research over the last few decades reveals that our social fabric is unraveling as rates of isolation and loneliness continue to rise, climate crises intensify, and an individualistic worldview prevails. Is there another way to live? Where can we turn for guidance and hope in the face of such challenges? In this astute and empowering guide, David Viafora, a former Buddhist monk, points to community building as a fresh yet ancient and powerful way to face our most pressing individual, social, and ecological challenges. With precision, enthusiasm, and deep humility, Viafora draws from his own vast experience of mindfulness communities to offer inspiration and concrete guidance in growing thriving communities from the inside out. The nine principles Viafora uncovers for successful community building—Visioning, Service, Joy, and Reconciliation—are broad and easily applicable to our existing groups and relationships. Yet their potential to reshape the most basic elements of our life and friendships is revolutionary. With these nine principles in hand, we can cocreate another way of being beyond isolation, individualism, and despair. In true community, we don't have to face the difficulties of the world on our own. What we can embrace and heal as a community is far greater and more fulfilling than what we could ever achieve alone. Whether your aim is to start a new group, strengthen the community you already belong to, or explore what mindful community living has to offer, *Thriving Together* teaches us how to collectively create a vision to guide your community's unique growth and purpose. Strengthen the culture of joy, appreciation, and peace in your family or community. Nurture vibrant, compassionate friendships as the foundation of community life. Strengthen the muscles of reconciliation through simple yet powerful communication practices. Embark upon meaningful service projects that nourish and heal both your community and others. Protect your community by creating healthy boundaries in relationship to power dynamics. Embrace racial healing as a path of compassionate and inclusive community building.

Blood Threads Noella Royce, I'm a former cosplayer and personal assistant with no fighting skills to speak of, wearing a ball gown for a battle with a bunch of powerful mages who specialize in raising the undead. My allies are vampires, witches, and shifters, and I'm hoping the lone wolf bloodsucker I've fallen for shows up to save the day. How the hell did I get here? I've just moved to a northeastern college town looking to escape my explosive past in LA. I just want to be

normal and anonymous But before I can even settle in I m witnessing a creepy kidnapping by hooded figures and clashing with this hot dude Adin who sometimes wears Victorian clothing without irony Adin scares the bejeesus out of everyone but keeps showing up in my general vicinity mostly at night Yes it s great when he saves my butt from more of those hooded weirdos and he s stupidly attractive and kissable but I d really like to know what s going on And when my coworkers talk about daywalkers shifters and something about magic sewing I just think they re nuts Except wait I seem to have the ability to create sentient clothes that repels magic Everyone wants a piece of me and I don t even know what I am Why did I leave my lucrative cosplay and social media life behind I can t even get a cup of tea in this place without getting threatened by witches Maybe I should have stayed in LA At this rate Maywen s going to kill me Blood Threads is a 90k paranormal romance and urban fantasy and the first in a three book series Includes vampires witches necromancers shifters and talking bodies of water Steamy sexual situations no cheating and a healthy dose of humor *Wishram Texts, Together with Wasco Tales and Myths* Edward Sapir, 1909
