powers all Bee could foretell was her own impending death Again and again and again Bee is an ordinary woman with extraordinary abilities who in a race against time must travel back nearly five centuries to retrieve the cure for her dying world Set against the lush tropical backdrop of a primitive Brazilian jungle our beautiful blond heroine encounters an oddly eclectic tribe of natives with secrets both dark and surprising Once she learns their mysteries she realizes that though she had not arrived at her intended destination she was exactly where she was destined to be With exciting twists at every turn this story will keep you riveted while supplying plenty of laughs to remember it by
