,1929     **The Grizzly Bear** ,1912     Wild Nights Benjamin Reiss,2017-03-07 Why the modern world forgot how to sleep  
Why is sleep frustrating for so many people Why do we spend so much time and money managing and medicating it and  
training ourselves and our children to do it correctly In Wild Nights Benjamin Reiss finds answers in sleep s hidden history  
one that leads to our present sleep obsessed society its tacitly accepted rules and their troubling consequences Today we  
define a good night s sleep very narrowly eight hours in one shot sealed off in private bedrooms children apart from parents  
But for most of human history practically no one slept this way Tracing sleep s transformation since the dawn of the  
industrial age Reiss weaves together insights from literature social and medical history and cutting edge science to show how  
and why we have tried and failed to tame sleep In lyrical prose he leads readers from bedrooms and laboratories to factories  
and battlefields to Henry David Thoreau s famous cabin at Walden Pond telling the stories of troubled sleepers hibernating  
peasants sleepwalking preachers cave dwelling sleep researchers slaves who led nighttime uprisings rebellious workers  
spectacularly frazzled parents and utopian dreamers We are hardly the first people Reiss makes clear to chafe against our  
modern rules for sleeping A stirring testament to sleep s diversity Wild Nights offers a profound reminder that in the  
vulnerability of slumber we can find our shared humanity By peeling back the covers of history Reiss recaptures sleep s  
mystery and grandeur and offers hope to weary readers as sleep was transformed once before so too can it change today

Los Angeles Saturday Night ,1936     Forest and Stream ,1910     **Under the Influence** Richard Uhl,2012-10 When  
Roger Franklin is caught in the 1993 World Trade Center bombing and survives he seizes the opportunity to disappear  
relocate and reinvent himself It seems to be a better option than staying in New York where a horrifying accident two years  
before ruined his marriage and his life Reinventing himself as Rex Franklin he finds happiness and success in San Diego  
California where he remarries and enjoys a second career Working for a political big shot definitely has its perks Twenty  
years later however ghosts from his past reenter his life turning his world upside down The man responsible for the accident  
all those years ago is back and his ex wife has found out he s alive Fighting to protect his family and save his business he is  
forced to make choices that could very well destroy everything he s worked so hard to build But if he doesn t do something  
and fast he might not have anything left to live for Gritty and fast paced Under the Influence is an action packed novel that  
speaks to the power of tragedy and redemption     Century Path ,1903     **The Capital** ,1898
