**The Day Care Ritual Abuse Moral Panic** Mary de Young, 2004-02-23 In the United States during the early 1980s hundreds of day care providers were accused of sexually abusing their young charges in satanic rituals that included blood drinking cannibalism and human sacrifice The panic surrounding the ritual abuse of children has spread quickly to Canada Europe and Australasia and its rapid dispersion has been unimpeded by international investigations that found no evidence to corroborate the allegations and warned that a moral panic was thrusting them into professional public attention This work is a sociologically based analysis of the day care ritual abuse panic in America It introduces the concept of moral panic and analyzes its relevance to

the ritual abuse scare explores the ideological political economic and professional forces that fomented the panic discusses the McMartin Preschool case as the incident that brought attention to satanic menaces and children and examines the dialect between the various interest groups that stirred up and spread the moral panic and the day care providers accused of ritual abuse Also covered are the popular culture representations of day care ritual abuse the diffusion of the scare to areas overseas the institutionally symbolic and ideologically contradictory social ends of the panic and the outcomes of the panic in various settings The book ends with a discussion of moral panic theory and how it needs to be changed for a complex multi mediated postmodern culture and what lessons can be learned from the scare Athenaeum and Literary Chronicle ,1865

**"The" Athenaeum** ,1896 Touching Space, Placing Touch Mark Paterson,Martin Dodge,2016-02-24 Given that touch and touching is so central to everyday embodied existence why has it been largely ignored by social scientists for so long What is the place of touch in our mixed spaces of sociality work domesticity recreation creativity or care What conceptual resources and academic languages can we reach towards when approaching tactile activities and somatic experiences through the body How is this tactile landscape gendered How is touch becoming revisited and revalidated in late capitalism through animal encounters tourism massage beauty treatments professional medicine everyday spiritualities or the aseptic touch free spaces of automated toilets How is touch placed and valued within scholarly fieldwork and research itself integral as it is to the production of embodied epistemologies How is touch involved in such aesthetic experiences as shaping objects in sand or encountering fleshly bodies within a painting The goal of this edited collection Touching Space Placing Touch is twofold 1 To further advance theoretical and empirical understanding of touch in social science scholarship by focussing on the differential social and cultural meanings of touching and the places of touch 2 To develop a multi faceted and interdisciplinary explanations of touch in terms of individual and social life personal experiences and tasks and their related cultural contexts The twelve essays in this volume provide a rich combination of theoretical resources methodological approaches and empirical investigation Each chapter takes a distinct aspect of touch within a particular spatial context exploring this through a mixture of sustained empirical work critical theories of embodiment philosophical and psychoanalytic approaches to gendered touch and touching or the relationship between visual and non visual culture to articulate something of the variety and variability of touching experiences The contributors are a mixture of established and emerging researchers within a growing interdisciplinary field of scholarship yet the volume has a strong thematic identity and therefore represents the formative collection concerning the multiple senses of touch within social science scholarship at this time **Digital Multimedia: Concepts, Methodologies, Tools, and Applications** Management Association, Information Resources,2017-09-13 Contemporary society resides in an age of ubiquitous technology With the consistent creation and wide availability of multimedia content it has become imperative to remain updated on the latest trends and applications in this field Digital Multimedia Concepts Methodologies Tools and Applications is an innovative source of
