Good Days Bad Days Good Days Bad Days:

Good Days, Bad Days Catherine Anholt,1991 Depicts many kinds of days in a family such as school days sick days snowy days dull days and fun days **No Bad Days** Jeffrey Holst,2023-04-25 Jeffrey Holst takes readers on a journey from deep despair to an incredible string of good days in No Bad Days No Bad Days is Jeffrey Holst s definitive guide to living with a transformative positive mindset one that has worked for over a quarter century Jeffrey was able to leverage his philosophy with tangible success moving from a life threatening leukemia diagnosis and a resulting personal bankruptcy to financially free in under seven years He shares his unique life experiences to illustrate the essential lessons he learned along the way His approach outlines How to give up bad days How to maintain a positive mental attitude despite tragedy How to discover your life s purpose How to overcome incredible odds and live a rich and fulfilled life Within No Bad Days Jeffrey Holst proves that it is possible to create the life you deserve *Good Days, Bad Days* Kathy Charmaz,1991 Describing how chronic illness affects one s self image friends and family this book shares the experiences of people with serious chronic illnesses and shows how they find the strength to carry on **The Christian Parenting Handbook** Scott Turansky,Joanne Miller RN,2013-04-29 Bring about real and lasting change in your child s life and grow in your confidence as a parent With advice on parenting coming from friends social media popular culture and so many other places what do you listen to and what do you ignore In The Christian Parenting Handbook you will learn to develop your own biblical philosophy of parenting and use it to filter the many ideas that come your way The Christian Parenting Handbook by Dr Scott Turansky and Joanne Miller founders of the National Center for Biblical Parenting compiles 50 parenting principles that use heart based strategies to teach you how to face daily challenges When parents focus on the heart kids learn to ask different questions about life Instead of asking What s in it for me they learn to ask What s the right thing to do You ll soon see how a heart based approach to parenting looks deeper and brings about greater lasting change In The Christian Parenting Handbook you ll learn how to Identify heart lessons to teach your child Learn ways to correct instruct and set limits Transfer responsibility for change to your child Build internal motivation Teach your kids to be solvers instead of whiners Identify character qualities to address problems Use creativity to teach your kids spiritual truths Envision a positive future for your children And much more With these strategies you ll be able to move from behavior modification to a heart based approach to parenting Instead of relying on rewards incentives threats and punishment you ll learn how to identify heart lessons to teach your child and implement them in practical ways The daily interaction you have with your children can impact them for the rest of their lives With these 50 heart based strategies you ll develop your own biblical philosophy of parenting and gain perspective greater motivation and confidence that you re moving in the right direction **A Primer in Positive Psychology** Christopher Peterson,2006-07-27 Positive psychology is the scientific study of what goes right in life from birth to death and at all stops in between It is a newly christened approach within psychology that takes seriously the examination of that which makes life

most worth living Everyone's life has peaks and valleys and positive psychology does not deny the valleys Its signature premise is more nuanced but nonetheless important what is good about life is as genuine as what is bad and therefore deserves equal attention from psychologists Positive psychology as an explicit perspective has existed only since 1998 but enough relevant theory and research now exist to fill a textbook suitable for a semester long college course A Primer in Positive Psychology is thoroughly grounded in scientific research and covers major topics of concern to the field positive experiences such as pleasure and flow positive traits such as character strengths values and talents and the social institutions that enable these subjects as well as what recent research might contribute to this knowledge Every chapter contains exercises that illustrate positive psychology a glossary suggestions of articles and books for further reading and lists of films websites and popular songs that embody chapter themes A comprehensive overview of positive psychology by one of the acknowledged leaders in the field this textbook provides students with a thorough introduction to an important area of psychology

They Have No Idea Barbara Morrissey, 2023-01-06 They Have No Idea Love and Desperation in Mothering a Child with Severe Autism and Epilepsy is a powerful account of a mother's struggle to understand what it means to be a good mother to her child who struggles with both issues In this book Barbara Morrissey bravely pulls back the curtain so others might catch a glimpse of what some families with special needs children experience The author reveals the distress of learning her son's diagnosis the determined efforts she and her husband undertake on his behalf and the impact this has on their family She describes the devastation of realizing that their efforts are futile and the heart wrenching process of deciding to seek an alternative care setting for their son The guilt of being unable to provide the level of care her son needs and the pain of watching his suffering intensify and his care needs increase over time drives her to wrestle deeply with her faith and perception of God It is Barbara's hope that families with special needs children will draw comfort from this book in discovering that their feelings of fear desperation and inadequacy at times are not unusual Those wanting to support these families through meaningful relationships church ministries civic programs or government policies are apt to find this book helpful as well
