**Peckish** Suzanne Lenzer, 2025-04-22 A celebration of mindful snacking with more than 75 recipes well worth nibbling on whether you're eating for one or entertaining a group of friends from the author of *Graze* Suzanne does girl dinner one better with *Peckish* a charming collection of not quite meals that perfectly satisfy the way we want to eat today Giada De Laurentiis My favorite food experiences are very often over the kitchen counter or standing midway between the sink and the stove so caught up in the chat at hand that simmering pots are neglected and salad dressings are left half made What's come to me at last is that many of the most compelling discussions and deepest fits of laughter happen in between the making and the meal itself These moments are perfect because they have all the features one hopes for in the feast without the organization orchestration and yes exhaustion So why not liberate ourselves and embrace the truth So often it's the snacks the tastes in between that make our hearts race Mindful snacking and home cooking is the philosophy that food stylist and author Suzanne Lenzer nurtures in her own life and shares here with us Who doesn't love standing in front of a full fridge wondering what to pull out for a covert snack Eating is simply more fun when we have a few choices and are free to eat how we like not simply how we've been conditioned But don't fret thoughtful snacking is not complicated nor does it require long days spent at the stove And while it does require a modicum of planning the benefits exponentially outweigh the effort Thoughtful snacking is also about moving beyond boards and platters when we entertain by adding dimension to the table both in what we serve and how we serve it *Peckish* is divided into charming chapters sorted by vessel such as On Toast In Jars Skewers and Sticks In Bowls Napkins Only and more so that the home cook can plan their snacking night with ease

**Losing It** Moira Burke, 2017-05-29 I read it in a gulp I seem to know this girl Helen Garner In the 1980s in the Melbourne suburb of Fawkner Josie's father is drinking himself to an ugly and appalling death Josie's mother is a factory machinist bringing home piecework to keep the family afloat And Josie is surviving or not self-destructive sex excessive alcohol drugs brutalised friendships But her internal monologue intense immediate and raw reveals a heartbreaking portrait of an intelligent young woman desperately looking for a way to make sense of her life grappling with her feelings of repulsion and love for her father and her longing to be loved First published in 1998 *Losing It* is a vivid and visceral account of 1980s working class Melbourne and a coming of age story that is both familiar and unique shocking and intimate The first time you slept with him properly his dad was in Turkey his mum gave you the double bed chocolate brown velvet bedhead with night lights in it and a radio a big furry bedspread and a fake tapestry of lions and tigers on the wall she even laid out a nightie for you you didn't wear it but you crumpled it up to make it look like you did and you woke to a soft touch on your forehead in the morning her gold tooth glinting smiling at you with a boiled egg and a cup of bitter coffee Moira Burke is a Melbourne writer *Losing It* is her first novel *Losing It* was never a classic but probably deserves to be Moira Burke creates an arresting sense of place

startling in its familiarity and strangeness and is a master of cadence Her prose has a raw poetic rhythm the power to constantly surprise and drag you into its flow To lose Losing It would have been a cultural crime Sydney Morning Herald Stark poetic truthful compassionate self knowledge comes at a breathtaking pace Carmel Bird Addictive powerful and raw Losing It lays bare the unflinching realities for a teenager trapped in a spiral of self destruction Who does not see some of herself in Josie a heroine for our uncertain times Rebecca Starford We should be glad that Moira Burke s Losing It has received a new lease on life Long before Eimear McBride had the creative spark to appropriate James Joyce and produce her interior monologue masterpiece The Lesser Bohemians set in London s dank bedsits and late night bars it turns out Burke was doing something remarkably similar with Melbourne s sleazy St Kilda clubs and rowdy Coburg Italian family homes How could we have missed her Australian **Railway Carmen's Journal** ,1913 **The Conservator** ,1900 *The Beginner's Guide to Underwater Digital Photography* Larry Gates,2010-03-01 Simplifying the seemingly difficult and expensive art of underwater photography this accessible investigation outlines the four elements of success focus exposure composition and subject Beginning with an overview of necessary diving skills this survey reviews these four categories in detail depicting how to obtain superior results even without the latest and greatest equipment Maintenance and first aid tactics are presented as well reducing the chance of disappointing malfunctions during a dive Also covered is the importance of developing a photography plan beforehand both for the safety of the divers and the protection of the underwater environment Concluding with post shoot techniques for choosing the best frames cropping photos for printing and the top methods of presentation this examination demonstrates how underwater images can be used to share the world of diving while promoting important conservation efforts
