was a little pause after her words as if he were contemplating her question with the utmost consideration All the while his citrine colored eyes stared directly into her own molten and heated in such an unbearable way that she had to remove her gaze Maya hated the way he stared at her It gave her this insecure feeling of being the lesser of the two as if he were superior to her and would one day make her pay for her insolence She loathed the feeling of being the prey when he was the mighty predator It irked her to no end Because you interest me he said You make me want to know more about you His powerful statement caused goosebumps to litter Maya s skin in sickening amounts She had to stop herself from heaving in disgust Her back straightened and her shoulders squared when she stopped but a foot from him smiling sweetly angelically up at him with those full pouty lips he wanted to map with his own Then she replied to him with a harsh stab of the silver dagger straight through his muscled forearm Your interest is rather strange and unnecessary she replied offhandedly And I would prefer you keep it to yourself or I will do it for you Maya heatedly watched as crimson blossomed on his skin and collected in the copper chalice she had conjured The first few drops pitter pattered in her cup dancing a light rhythm until she twisted the dagger sharply and caused blood to gush down and fill the cup Don t forget Alpha you are my prisoner Cooperate and I will let you go Retaliate and I will let you rot within the very depths of hell she threatened crudely removing the dagger before digging it back into his arm to state how serious she was Mark My Words In response to her violent caution mirth filled his eyes instead of fear anger or pain Let him go He smirked at the quixotic thought She would not be able to
