

Good Young Adult Books

RJ Shavelson

Good Young Adult Books:

Booklist's 1000 Best Young Adult Books since 2000 Gillian Engberg, Ian Chipman, 2014-05-15 With the explosion in YA publishing it's harder than ever to separate good books from the rest. Booklist magazine's editors' deep and broad knowledge of the landscape offers indispensable guidance, and here they bring together the very best of the best books for young adults published since the start of the 21st century. Drawing on the careful judgment of expert YA librarians, this book includes a foreword by best-selling YA lit authority Michael Cart, who demonstrates how we have entered a new golden age of books for young adults. Collects reviews which showcase the most stimulating contemporary YA titles. Features an essay in each section grouped by genre, presenting an overview and examining relevant trends. Indexes selections by author, title, and genre for handy reference. The thoughtful professional review coverage for which ALA's Booklist is known makes this volume an ideal tool for YA readers, advisory, and collection development. *Cart's Top 200 Adult Books for Young Adults* Michael Cart, 2013-02-21 Author of the bestseller *Young Adult Literature: From Romance to Realism*, Cart applies his considerable expertise as columnist and critic for Booklist to identifying 200 exceptional adult books that will satisfy a variety of young adults' recreational reading tastes. Features only the best of the best—no cheesy star bios or chick lit lite here. Makes finding a great book easy with multiple indexes and thorough annotation. *Defending Frequently Challenged Young Adult Books* Pat R. Scales, 2016-09-08 A Day No Pigs Would Die. Speak. Thirteen Reasons Why. These are some of the most beloved and most challenged books. Leaving controversial titles such as these out of your collection or limiting their access is not the answer to challenges. While ALA's Office for Intellectual Freedom reports more than 4,500 challenges to young adult literature from 2000 through 2009, this authoritative handbook gives you the information you need to defend challenged books with an informed response and ensure free access to young book lovers. With a profile of each book that includes its plot and characters, related materials, and published reviews, awards, and prizes, and Web and audiovisual resources, you will be prepared to answer even the toughest attacks. [Integrating Young Adult Literature through the Common Core Standards](#) Rachel L. Wadham, Jon W. Ostenson, 2013-01-07 This book advocates for a stronger role for young adult literature in ELA classrooms, compellingly documenting how this body of work meets both the needs of adolescent students and the demands of the common core for complex texts and tasks. *Integrating Young Adult Literature through the Common Core Standards* provides a compelling template for teachers that uses young adult literature and inquiry learning to meet students' needs and the demands of the common core standards. The first part of the book addresses the widely adopted common core state standards by examining closely the standards model of text complexity and demonstrating how young adult literature can fill the requirements of this model. The second part provides theoretical discussions and analysis of the standards as well as concrete applications of young adult literature within the classroom in order to give school professionals a comprehensive understanding of how young adult literature and the standards can work together. The book empowers schools and teachers.

to make intelligent informed decisions about texts and instructional practices that benefit their students Finally the authors explore a powerful teaching approach that integrates current understandings about learning young adult literature and the common core standards in a way that will facilitate greater learning and understanding in English classrooms

Young Adult Literature in Action Rose Brock,2019-06-14 Taking a genre approach this overview of young adult literature shows new librarians and library science students the criteria to use for selecting quality books including recommended titles This third edition of Young Adult Literature in Action draws on the success of the previous two editions authored by Rosemary Chance updating and expanding on them to meet the needs of today s librarians and library science students It includes a new focus on diverse books LGBTQ selections the role of book formats and the relevance of librarians serving teen populations and is an ideal resource for teaching young adult literature courses Organized by major genre divisions this easy to use book includes new information on timely topics such as audio and e books accessible books and graphic novels Each chapter includes revised and updated information on collaborative activities featured books special topics and programs selected awards and celebrations historical connections recommended resources issues for discussion author comments and assignment suggestions Further updates include citations of exemplary young adult books and award winners references websites and a bibliography
