**Trying** Chloe Caldwell, 2025-08-05 If you're writing about your life in real time are you inherently fucked Over the years that Chlo Caldwell had been married and hoping to conceive a child she'd read everything she could find on infertility But no memoir or message board reflected her experience for one thing most stories ended with in vitro fertilization a baby or both She wanted to offer something different Caldwell began a book She imagined a selective journal about her experience coping with stasis and uncertainty Is it time to quit coffee find a new acupuncturist get another blood test Her questions extended to her job at a clothing boutique and to her teaching and writing practice Why do people love equating publishing books with giving birth What is the right amount of money to spend on pants or fertility treatments How much trying is enough She ignored the sense that something else in her life was wrong that was not on the page until she extracted a confession from her husband Broken by betrayal but freed from domesticity Caldwell felt reawakened to long buried desires to her queer

identity to pleasure and possibility She kept writing making sense of her new reality as it took shape With the candor irreverence and heart that have made Caldwell s work beloved Trying intimately captures a self in a continuous process of becoming and the mysterious ways that writing informs that process *Abandon Me* Melissa Febos,2017-02-28 Named One of the Best Books of the year by Esquire Refinery29 BookRiot Medium Electric Literature The Brooklyn Rail Largehearted Boy The Coil and The Cut Winner of the Lambda Literary Jeanne Cordova Prize for Lesbian Queer Nonfiction Finalist Lambda Literary Award for Lesbian Memoir Biography Finalist Publishing Triangle s Judy Grahn Award for Lesbian Nonfiction An Indie Next Pick A fierce and dazzling personal narrative that explores the many ways identity and art are shaped by love and loss In her critically acclaimed memoir Whip Smart Melissa Febos laid bare the intimate world of the professional dominatrix turning an honest examination of her life into a lyrical study of power desire and fulfillment In her dazzling *Abandon Me* Febos captures the intense bonds of love and the need for connection with family lovers and oneself First her birth father who left her with only an inheritance of addiction and Native American blood its meaning a mystery As Febos tentatively reconnects she sees how both these lineages manifest in her own life marked by compulsion and an instinct for self erasure Meanwhile she remains closely tied to the sea captain who raised her his parenting ardent but intermittent as his work took him away for months at a time Woven throughout is the hypnotic story of an all consuming long distance love affair with a woman marked equally by worship and withdrawal In visceral erotic prose Febos captures their mutual abandonment to passion and obsession and the terror and exhilaration of losing herself in another At once a fearlessly vulnerable memoir and an incisive investigation of art love and identity *Abandon Me* draws on childhood stories religion psychology mythology popular culture and the intimacies of one writer s life to reveal intellectual and emotional truths that feel startlingly universal

**Midnight Rambles** David J. Goodwin, 2023-11-07 A micro biography of horror fiction's most influential author and his love hate relationship with New York City By the end of his life and near financial ruin pulp horror writer Howard Phillips Lovecraft resigned himself to the likelihood that his writing would be forgotten Today Lovecraft stands alongside J.R.R. Tolkien as the most influential genre writer of the twentieth century His reputation as an unreformed racist and bigot however leaves readers to grapple with his legacy Midnight Rambles explores Lovecraft's time in New York City a crucial yet often overlooked chapter in his life that shaped his literary career and the inextricable racism in his work Initially New York stood as a place of liberation for Lovecraft During the brief period between 1924 and 1926 when he lived there Lovecraft joined a creative community and experimented with bohemian living in the publishing and cultural capital of the United States He also married fellow writer Sonia H Greene a Ukrainian Jewish migr in the fashion industry However cascading personal setbacks and his own professional ineptitude soured him on New York As Lovecraft became more frustrated his xenophobia and racism became more pronounced New York's large immigrant population and minority communities disgusted him and this mindset soon became evident in his writing Many of his stories from this era are infused with racial and ethnic stereotypes and nativist themes most notably his overtly racist short story The Horror at Red Hook set in Red Hook Brooklyn His personal letters reveal an even darker bigotry Author David J Goodwin presents a chronological micro biography of

Lovecraft's New York years emphasizing Lovecraft's exploration of the city environment the greater metropolitan region and other locales and how they molded him as a writer and as an individual Drawing from primary sources letters memoirs and published personal reflections and secondary sources biographies and scholarship *Midnight Rambles* develops a portrait of a talented and troubled author and offers insights into his unsettling beliefs on race ethnicity and immigration
