**BOOK 5: GoPro Camera 22 Amazing Tips: How to Use GoPro Hero 4 Camera** Now that you own a GoPro Hero4, you should want to learn how to properly use it. This book features several tips that allow you to do just that. But before you think this is just another GoPro user guide, you should know that beyond just a few useful tips, this book will give you exact methods on how to properly distribute your content online once you've recorded it. The differences don't stop there; we also provide step-by-step techniques for building GoPro mounts which will further separate you from everyone else, including a mount which allows you to record aerial shoots without the need for a drone.

**BOOK 6: The Beginner's Guide To Photography: Simple Tips, Tricks to Capture Exquisite Photographs Like a Pro** Nowadays it is so very easy to freeze time, capture a moment, and have it last forever. You see everyone on the streets and in their homes with their cameras shooting away and saving their photographs and sharing them with the world. Yet very few among them have the knowledge and skill to use the mystical tool called the camera to create exquisite photographs that not only freeze time but also tell a story. If making exquisite photographs like a pro is your desire, then you should look no more because this book has all you need to know if you want to be a cut above the rest.

**Getting Your FREE Bonus** Read this book and find **BONUS Your FREE Gift** chapter right after the introduction or after the conclusion.

**Ultimate Exposure** David Nightingale, 2017-10-05 Exposure is photography's fundamental concept. Master it and you'll master photography. You don't need a book to take good photos; any more, most but not all of the time, your camera or your phone will handle things for you. But if you don't know what it's doing, you don't know how to expose photos; you can't join in the real fun of photography. With this book, though, you'll quickly master the key principles and grasp a few simple concepts that will open up a world of beautiful sunsets, clever silhouettes, light trails, and bokeh, as well as sophisticated techniques like HDR, manual exposure, blending, and focus stacking. Armed with this knowledge, the digital photos you share will stand head and shoulders above the rest, and you'll have no problem using that film camera or used Polaroid you picked up at that garage sale.

**GoPro Hero 10 Black** Jason Raymond, 2021-10-05 GoPro's are great if you know how to use them. The GoPro HERO 10 is arguably the best Photography device out there. Powerful. Takes great photos. And does just about everything. But easy to use. For some people, absolutely. But if you've never used it before, or if you have used it but want to get more out of it, it's a little intimidating. This book will help. This book doesn't waste time with features you probably will never use, but rather it explains each setting, mode, and option. It covers the basics and then goes beyond with some of the features that are going to make your life easier. After you have mastered the mechanics of the camera, this book will teach you how to use it in the field with an in-depth look into beginner and advanced mounting, photo composition, planning, and more. Extensive storytelling and editing sections will help you master the art of filmmaking as well.
