*God's Empowering Presence* Gordon D. Fee, 1994 God's Empowering Presence is the most comprehensive and insightful work in print on the life and work of the Holy Spirit as reflected in the writings of the Apostle Paul Dr Fee combines his acknowledged skill as a text critic and exegete with his vibrant spirituality to give us access to God's living presence in the Church

**God's Empowering Presence** Gordon D. Fee, 1994 **Paul, the Spirit, and the People of God** Gordon D. Fee, 1994-09-01 In *Paul the Spirit and the People of God* Pentecostal scholar Gordon Fee has redefined the terms of the discussion about the Holy Spirit in a way that transcends today's paradigm of charismatic or noncharismatic orientation His words are a strong reminder of what God through his Holy Spirit intends the church to be His work is an attempt to point us back to the Bible and reinvigorate our own vision of how the Spirit mobilizes the community of believers in the local church Wendy Murray author former senior writer Christianity Today Gordon Fee one of our truly master exegetes has put steel and sinew into the words Spirit spirit and spiritual words that have become flabby through subjectivizing indulgence and lack of exegetical exercise His accurate fresh and passionate recovery of the place and meaning of Spirit in Paul and for us Christians is a provocative stimulus and reliable guide to the recovery of the experienced presence of God in our lives For those of us who want to live in continuity with all that has been revealed in Jesus and given in the Spirit this is an eminently practical book Eugene H Peterson professor emeritus of spiritual theology Regent College Gordon Fee is one of the finest Bible expositors I have known Whenever he speaks and writes I listen and recommend you do the same Chuck Colson

Loyer, 2020-09-17 This handbook provides an interdisciplinary and diverse reference work to the Holy Spirit Daniel Castelo and Kenneth M Loyer gathered together a wide range of voices that are religiously geographically and ethnically diverse bringing theology into conversation with biblical studies ethics and morality and global Christian studies The T T Clark Handbook of Pneumatology examines the Holy Spirit in a variety of sources such as the Synoptic Gospels the Catholic Epistles the Old Testament and the Hebrew Scriptures It also includes chapters on key concepts in the field such as mediation and sacramentality ecology and creation This broad scope enables readers to appreciate how nuanced the field of Pneumatology is and how it can be relevant for other Christian discourses *The First Letter to the Corinthians* Roy E Ciampa, Brian S Rosner, 2020-05-21 This careful sometimes innovative mid level commentary touches on an astonishingly wide swath of important sensitive issues theological and pastoral that have urgent resonances in twenty first century life This thorough commentary presents a coherent reading of 1

Corinthians taking full account of its Old Testament and Jewish roots and demonstrating Paula's primary concern for the unity and purity of the church and the glory of God Those who preach and teach 1 Corinthians will be grateful to Ciampa and Rosner for years to come and scholars will be challenged to see this letter with fresh eyes From Pentecost to the Triune God Steven M. Studebaker, 2012-12-19 In *From Pentecost to the Triune God* Steven Studebaker puts forth a provocative Pentecostal Trinitarian theology arguing that the Holy Spirit completes the fellowship of the triune God and therefore shapes the identities of the Father and the Son The Holy Spirit Studebaker maintains is not simply a passive end product of a procession from the Father and Son but rather a dynamic person who plays an active role in the Trinity and a constitutional consummational role in the history of redemption In the course of his study Studebaker shows the theological yield of the Pentecostal experience of the Holy Spirit and uncovers the biblical narratives of the Spirit from creation to Pentecost A constructive and ecumenical contribution to Trinitarian theology *From Pentecost to the Triune God* also engages major historical and contemporary figures such as Augustine the Cappadocians Weinandy and Zizioulas as well as representatives from the evangelical and charismatic traditions Finally Studebaker applies his Pentecostal Trinitarian theology to the theology of religions and creation care proposing that Christians embrace an inclusive posture toward people of other religious traditions and have an earth orientation that sees creation care as Christian formation *Transforming Presence* Daniel Henderson, 2018-06-05 Does God sometimes feel far off Do you have a hard time motivating yourself to get into the Word Are you trying to conquer old sins but feeling defeated If so you're not alone But the secret to spiritual thriving isn't about trying harder You need supernatural help That's why God sent a Helper The church faces problems today because it misunderstands the Holy Spirit We think of Him as a force rather than a person And we look for a manifestation of the Holy Spirit in an Old Testament way instead of the New Testament way God designed for us Through over twenty years of studying church renewal Daniel Henderson has discovered 10 practices that lead to individuals and entire churches having a right relationship with the Holy Spirit and experiencing the kind of inside out renewal that can only come from God Stop relying on your natural effort that can only lead to natural results seek supernatural change Find out how the Holy Spirit can transform you and your church today Christ-Centered Biblical Counseling Bob Kelleman, Stephen Viars, 2020-05-12 Master the essentials of effective biblical counseling *Christ-Centered Biblical Counseling* is a comprehensive resource that will help you understand how to minister from God's truth to change lives With the cumulative wisdom of almost 40 contributors with exceptional credentials and experience you'll discover a valuable model for counseling that explains The Why of Biblical Counseling Why the Bible is sufficient and relevant for addressing every issue we face Why biblical counseling is so effective in helping people face life's struggles in Christ's strength The How of Biblical Counseling How you can lead struggling hurting people to the hope and strength available only in Christ How to counsel in a way that is Christ-centered and God-glorifying Every chapter provides a wonderful blend of theological wisdom and practical expertise and is written to

**The Role Of The Holy Spirit In Worship** H. Eugene Soulsby, 2019-12-02 Christianity does not deny the Holy Spirit's existence and most Christians would confess they believe in the Spirit at least with their head and creed But few experience him in their daily walk or have a biblical understanding of who he is why he came and what his role is in the Christian life The Holy Spirit is a living presence a person and as such must be experienced not neglected within the church and the individual believer The crucial role of the Spirit in Paul's life thinking and theology was always that of the personal presence of God As a Christian a believing follower of Christ the Spirit is the empowering presence experienced in our lives as we await the perfect ending of the Kingdom of God *The Holy Spirit and the Renewal of All Things* T. David Beck, 2007-04-15

This volume explores the shape pneumatology takes when we develop the theology of the Holy Spirit within an eschatological framework that has a universal scope and an unlimited history When we do so we find that pneumatology deriving from questions about what the Spirit does for us needs to give way to pneumatology that derives from questions about how the Spirit can draw us into the saving history of the triune God **Following Jesus to Burning Man** Kerry D. McRoberts, 2011-03-04 *Following Jesus to Burning Man* Recovering the Church's Vocation places the author a Pentecostal evangelical minister in a thoroughly pagan context in the Nevada desert where he discovered the presence of God in a way that transformed his understanding of ministry in the twenty first century context This book is about our culture's recovery and transformation by means of the church's Spirit empowered application of Kingdom politics More specifically this book is an exhortation for the church in North America to be E P I C by 1 discovering and Experiencing the presence of Jesus Christ in every corner of the postmodern culture 2 by Participating in missional ministry with him wherever he is present 3 by reading the cultural Images signs and symbols and effectively incarnating the gospel especially in the culture's most hurting places and 4 by practicing the politics of re form re connection and re creation a Spirit empowered covenant Community can transform our culture *Leading the Presence-Driven Church* John Piippo, 2017-12-19 This is a book about the primacy and centrality of God and his unsurpassable presence and what this means for the Church The presence of God is the core the sine qua non of mere Christianity God's presence is what is needed to win the day over the present powers of darkness This book shows what it means for a church to be presence driven and what leadership looks like in the presence driven church

He Who Gives Life Graham Arthur Cole, 2007 This comprehensive theology of the Holy Spirit examines and explains the role of the third member of the Trinity Paul's Gospel of Divine Self-Sacrifice Paul Moser, 2022-09-15 This book explains

how reparative self sacrificial righteousness is at the heart of Paul s gospel and how divine self sacrifice authenticates that gospel via human reciprocity toward God in reconciliation Paul Moser explores the controversial matters regarding Paul s message in a way that highlights the coherence and profundity of his message
