about the lyrics of many of the hit contemporary Christian worship songs is at best problematic for many clergy persons in mainline denominations Sometimes the songs are downright offensive theologically to the pastor Often the problem is rooted in a theological nuance or doctrine that the pastor does not embrace Sometimes these contemporary worship songs use too many Christian buzz words or clichés or phrases that the pastor deliberately avoids in every other aspect of the liturgy Often the problem is that the new songs show no sensitivity at all to things like inclusive language or the theological challenges of doctrines like penal substitutionary atonement Sometimes the pastors feel that most of these new songs lack substance that they're too sugary too individualistic and too other worldly Sometimes there's an emotional tone to this contemporary worship music that might work well in another kind of church but which just doesn't feel authentic in a traditional or mainline congregation Now I would imagine that at least some of you began to glaze over a bit as you attempted to read those last few paragraphs Or maybe you didn't fully understand some of the terms I just used If so don't worry that's why I wrote this book If you have no idea what things like penal substitutionary atonement or inclusive language are about this book will help you understand what these terms mean and why it's important to your pastors for you to know your way around these issues and concepts a bit as you seek new songs to bring into the worship life of your congregation And I promise I'll do my best to use down to earth language that you'll be able to easily understand without a seminary education      **Bad Boy of Gospel Music** Russ Cheatham,2003 Biography Music I messed up Calvin Newton lamented after

wasting thirty years and doing time in both state and federal prisons for theft counterfeiting and drug violations These were years of my life that I could have been singing gospel music During his prime he was super handsome athletic and charged with sexual charisma that attracted women to him like flies to honey Atop this abundance was his astounding voice the voice of an angel This book is his prodigal son story Audacious Newton never turned down a dare even if it meant climbing on the roof of a speeding car or wading into a freezing ocean As a boy boxer he was a Kentucky Golden Gloves champ who knocked his opponent in twenty three seconds By his late teens he had been recruited by the Blackwood Brothers the number one gospel quartet in the world In his mid twenties while he was singing Christian songs with the Oak Ridge Quartet Newton's mighty talent and movie star looks took him deep into hedonism reckless driving heavy romancing and addictive pill popping As 1950s rock n roll began its invasion of gospel he and two partners formed the Sons of Song the first all male gospel trio Long before the pop sound claimed contemporary Christian music the Sons of Song turned gospel upside down with histrionic

harmony high styled tuxedos and Hollywood verve Their signature song Wasted Years foreshadowed Newton's punishing fall This biography looks back at the destructive lifestyle that wrecked a sparkling career When well into his sixties Newton turned his life around and was able to confront his demons and discuss his prodigal days He talked extensively with Russ Cheatham about his self destruction and the great personal expense of his own bad boy choices and late redemption In this candid biography one of gospel's all stars discloses a messed up life that vacillated between achievement and failure fame and infamy happiness and grief Russ Cheatham is an associate professor and coordinator of the criminal justice program at Cumberland University His work has been published in Bluegrass Unlimited and Music Row Magazine     The Spirituals Their Story, Their Song Guitar Solos & Songbook Dave Marshall, 2011-08-18 The Spirituals Their Story Their Song is both a collection of guitar solos and a songbook devoted to African American spirituals the music is placed in historical context to help the reader better appreciate and interpret this amazing musical legacy the book provides solo guitar arrangements in standard notation and tablature plus a vocal stave with complete lyrics and chord diagrams for 60 songs of faith freedom hope and the human spirit A companion CD includes the author's rendition of all of the guitar solos in the book The book provides an in depth analysis of the various meanings and messages of the spirituals and traces the musical forms that grew out of them namely blues jazz gospel country calypso rhythm and blues soul and rock This book is for all who play the guitar including students music teachers parents performing guitarists vocalists and anyone with an interest in folk gospel and sacred music     The Women's Music Movement Paul Ambrose Shaw III, 2022-11-28 Scholarship on artistic output during second wave feminism SWF primarily reflects art genres such as visual art performance art literature and poetry In The Women's Music Movement Music as Feminist Praxis 1973-1980 Paul Ambrose Shaw III contends the women's music movement WMM was a vibrant locus of feminist activity during SWF but received comparatively less scholarly attention Specifically Shaw conducts a content analysis of five songs recorded between 1973 and 1980 As such he draws on musical elements and structures poetic and lyrical devices personal insights from the artists and feminist theory to explore the following important questions What can we learn about second wave feminist movement through the lens of the women's music movement Was the women's music movement as some scholars and activists assert simply a cultural and lifestyle movement or an impactful locus of feminist praxis Through a detailed analysis of five songs recorded by stalwarts of WMM Meg Christian Cris Williamson Ferron Holly Near and Linda Tillery Shaw argues for the importance of WMM as a vibrant center of struggle growth and creativity that serves as a model for modern social movement cultural activity     *Australian National Bibliography: 1992* National Library of Australia, 1988
