Ghost Guns Mark A. Tallman, 2020-08-13 With thorough analysis and balanced reporting *Ghost Guns* Hobbyists Hackers and the Homemade Weapons Revolution is an essential resource for readers seeking to understand the rise of homemade firearms and future options for managing them For more than a century strict gun control was possible because firearms were produced in centralized industrial factories Today the Fourth Industrial Revolution combining old and new technologies

threatens to upend this arrangement An increasing number of hobbyists makers technology provocateurs and sophisticated criminals are proving that you don't need a factory to make guns anymore The security challenges of this transformation are increasingly apparent but the technologies behind it hold tremendous potential and while ignoring the security implications would entail risks the costs of new policies also must be evaluated Do it yourself or DIY weapons will bring significant ramifications for First and Second Amendment law international and homeland security crime control technology privacy innovation and the character of open source culture itself How can a liberal society adjust to technologies that make it easier to produce weapons and contraband Informative and thought provoking Ghost Guns Hobbyists Hackers and the Homemade Weapons Revolution carefully analyzes the technical legal social political and criminological trends behind this challenging new area of illicit weapons activity *Arming for the Apocalypse* James Ballou, 2018-01-18 Global economic meltdown Widespread natural disaster Disease pandemic It doesn't matter the cause In the coming Dark Age the delicate supply infrastructures of modern society will collapse and you will no longer have access to groceries gasoline or guns The time to assemble your arsenal is now says author Jim Ballou and here he guides you through the many crucial factors you must consider when selecting firearms for a post apocalyptic future Some of the topics he covers include What are the five basic questions you must ask yourself when selecting any handgun rifle or shotgun for the apocalypse How can you squeeze surprisingly useful life saving service from older or low value firearms What vital support gear must you have when you are forced to become your own gun shop Which types of ammunition will not only serve your survival needs but also be available in quantity when ordinary sources run dry What roles can multi caliber guns backup guns and alternative weapons to conventional firearms play in your survival plans What practical modifications can you make to your guns to make them more suitable for post apocalypse survival Given how critical weapons will become in an age when you may have to hunt for meat or defend yourself against numerous post apocalyptic threats the more you must force yourself to consider all the pertinent factors now while you still can Because when the world starts to crumble you won't have time to select firearms that's when you lock and load **Soldier of Fortune**, 2002 **Forthcoming Books** Rose Arny, 2001 **Gunsmithing Modern Firearms** Bryce M. Towsley, 2019-05-28 One of America's foremost experts on gunsmithing Bryce Towsley is back again to provide even more projects for anyone interested in building customizing fixing or maintaining firearms Gunsmith Towsley offers detailed explanations and includes color illustrations for just about every aspect of gun modification builds and repair Featured tutorials include how to customize a GLOCK handgun build a 1911 handgun or an AR 15 rifle from parts how to do spray on gun coatings turning a Mosin Nagant into a tactical rifle building a precision or hunting rifle from scratch and much more This extensive information is important to anybody interested in firearms care modification repair or improvement It takes the reader from easy to do kitchen table projects through advanced techniques There is something in these pages for anybody interested in working on firearms and Towsley's writing style is easy to read and understand and the humor will

make you laugh while you learn Gunsmithing is a great hobby It brings satisfaction that few others can achieve There is the pride in fixing something that is broken and in feeling the artistic achievement when you modify a firearm to make it better Bryce M Towsley **Modern Gunsmithing** Clyde Baker,1933 **Gunsmithing at Home** John E.
